A Voyage Long and Strange: Rediscovering the New World gets 4 Stars, not for being enjoyable but for being a good read. Horwitz is on a mission to destroy founding myths and rub your nose in the sometimes cruel facts. He succeeds.

A Voyage Long and Strange: Rediscovering the New World ...

A voyage Long and Strange is a journey from the Vikings exploration of

Newfoundland to the English settlement of Jamestown, covering a period of history lacking in available sources.

While a common thread exists throughout these early explorations and colonizations, that being the death and destruction of the indigenous people, it is not a book on genocide but a reporting of facts as gleaned by the author.

Strange Meeting By Wilfred Owen

It seemed that out of battle I escaped Down some profound dull tunnel, long since scooped Through granites which titanic

wars had groined. Yet also there encumbered sleepers groaned, Too fast in thought or death to be bestirred. Then, as I probed them, one sprang up, and stared With piteous recognition in fixed eyes, Lifting distressful hands, as if to bless.
