"The Witches' Bible" is one of
my favorite books. No, it is not a
bible. Witches do not have
bibles, it is a combination of 2
really good books, put into one.
It has a lot of information and
that is why they call it a "bible".
Someone else wrote that the
reason they didn't like it, was
because it didn't have any spells
in it. Witchcraft is a religion.
