a prominent village chief challenges age-long traditions. This is much to the chagrin of the ruling class and her family. This sets up a cataclysmic set of events that forever change their thoughts about women and the place of traditional beliefs in an ever-changing world. about the author - Wole Akosile is a psychiatrist and addiction medicine specialist based on the Gold coast. He is also an Afro-Australian author, novelist, and playwright. His works have been performed in several sold-out stage plays at the University of Ibadan, Nigeria in his

undergraduate years. When he is not writing, he loves to spend time with his family.

A Woman Run Mad Juliette Cross

Metaphors of Confinement: The Prison in Fact, Fiction, and Fantasy offers a historical survey of imaginings of the prison as expressed in carceral metaphors in a range of texts about imprisonment from Antiquity to the present as well as non-penal situations described as confining or restrictive. These imaginings coalesce into a 'carceral

imaginary' that determines the way we think about prisons, just as social debates about punishment and criminals feed into the way carceral imaginary develops over time. Examining not only English-language prose fiction but also poetry and drama from the Middle Ages to postcolonial, particularly African, literature, the book juxtaposes literary and non-literary contexts and contrasts fictional and nonfictional representations of (im)prison(ment) and discussions about the prison as institution and experiential

reality. It comments on present-day trends of punitivity and foregrounds the ethical dimensions of penal punishment. The main argument concerns the continuity of carceral metaphors through the centuries despite historical developments that included major shifts in policy (such as the invention of the penitentiary). The study looks at selected carceral metaphors, often from two complementary perspectives, such as the home as prison or the prison as home, or the

prison as factory. The case studies present particularly relevant genres and texts that employ these metaphors, often from a historical perspective that analyses development through different periods.

Mad Women Our Sunday
Visitor

They say everything is fun
and games until someone
gets hurt. Well, someone
did--and now the game
has changed... Emily
Bennett works as a
therapist in Pennsylvania,
helping children overcome
their troubled pasts--even
as she struggles to forget

her own. Once upon a
time, Emily was part of a
middle school clique called
the Harpies--six popular
girls who bullied the new
girl to her breaking point.
The Harpies took a blood
oath: never tell a soul what
they did to Grace Farmer.
Now, fourteen years later,
it seems karma has
caught up to them when
one member of that
vicious circle commits
suicide. But when a
second Harpy is
discovered dead shortly
after, also from apparent

suicide, the deaths start to
look suspicious. And when
Emily starts seeing a
woman who looks a lot like
Grace Farmer lurking in
the shadows, she's forced
to wonder: Is Grace back
for revenge? Or is Emily's
guilt driving her mad?
Sticks and stones may
break your bones, but the
Harpies are about to find
out just how much words
can hurt you.

How to Keep Your Head on Straight in a World Gone Crazy Ballantine Books

Created in 1941 by the psychologist William Marston, Wonder Woman would go on to have one of the longest continuous runs of published comic book adventures in the history of the industry. More than 70 years after her debut, Wonder Woman remains a popular culture icon. Throughout

the intervening years many comic book creators have had a hand in guiding her story, resulting in different interpretations of the Amazon Princess. In this collection of new essays, each examines a specific period or storyline from Wonder Woman comic books and analyzes that story in regard to contemporary issues in American society. The Century Dictionary Bloomsbury Publishing Inundated by popular culture, many women have lost their bearings and no longer trust

the internal compass that intuitively affirms those things that are good, true, and noble about womanhood. As Jesus' favorite and most powerful teaching tactic was the parable, it is appropriate that Mary Kassian walks the reader through the compelling tale of the wild versus wise woman found in Proverbs 7. By using 20 points of contrast, she helps readers discern wild from wise, saucy from biblically savvy, and more. *Girls Gone Wild in a World Gone Wild* will captivate, convict, and challenge women to become decreasingly worldly and increasingly godly, and it will equip them with truth for that

journey. Includes questions for personal reflection at the end of each chapter

NEW YORK TIMES

BESTSELLER • One million copies sold! “A deeply spiritual book [that] honors what is tough, smart and untamed in women.”—The Washington Post Book World Book club pick for Emma Watson’s Our Shared Shelf Within every woman there lives a powerful force, filled with good instincts, passionate creativity, and ageless

knowing. She is the Wild Woman, who represents the instinctual nature of women. But she is an endangered species. For though the gifts of wildish nature belong to us at birth, society’s attempt to “civilize” us into rigid roles has muffled the deep, life-giving messages of our own souls. In *Women Who Run with the Wolves*, Dr. Clarissa Pinkola Estés unfolds rich intercultural myths, fairy tales, folk tales, and stories, many from her own traditions, in order to help women reconnect with the fierce, healthy, visionary

attributes of this instinctual nature. Through the stories and commentaries in this remarkable book, we retrieve, examine, love, and understand the Wild Woman, and hold her against our deep psyches as one who is both magic and medicine. Dr. Estés has created a new lexicon for describing the female psyche. Fertile and life-giving, it is a psychology of women in the truest sense, a knowing of the soul.

Of Suffocated Hearts and Tortured Souls BRILL

A New York Times best

historical novel of the year, adapted as a major film for Amazon Prime, this feminist literary thriller is set in Paris's infamous Salpêtrière asylum—now in paperback *The Salpêtrière Asylum: Paris, 1885*. Dr. Charcot holds all of Paris in thrall with his displays of hypnotism on women who have been deemed mad and cast out from society. But the truth is much more complicated—these women are often simply inconvenient, unwanted wives, those who have lost something precious,

wayward daughters, or girls born from adulterous relationships. For Parisian society, the highlight of the year is the Lenten ball—the Mad Women's Ball—when the great and good come to gawk at the patients of the Salpêtrière dressed up in their finery for one night only. For the women themselves, it is a rare moment of hope. Genevieve is a senior nurse. After the childhood death of her sister Blandine, she shunned religion and placed her faith in both the celebrated psychiatrist Dr. Charcot and

science. But everything begins to change when she meets Eugénie, the 19-year-old daughter of a bourgeois family that has locked her away in the asylum. Because Eugénie has a secret: she sees spirits. Inspired by the scandalous, banned work that all of Paris is talking about, *The Book of Spirits*, Eugénie is determined to escape from the asylum—and the bonds of her gender—and seek out those who will believe in her. And for that she will need Genevieve's help . . .

A major renaissance in Japanese theater occurred in the 1960s. During this period, the implications of Japan's prewar actions as well as its postwar materialistic course were interrogated with fierce intensity. Nowhere was the depth and dynamism of this cultural questioning more clearly expressed than in theater. Fueling the explosion of seminal theater activity that took place was the generation of young artists who are the focus of Alternative Japanese Drama. Foreword by J.

Wild (Movie Tie-in Edition)

Simon and Schuster

In this tender and funny novel, award-winning author Hilma Wolitzer mines the unpredictable fallout of suddenly becoming single later in life, and the chaos and joys of falling in love the second time around. When Edward Schuyler, a modest and bookish sixty-two-year-old science teacher, is widowed, he finds himself ambushed by female attention. There are plenty of unattached women around, but a healthy, handsome, available man is a rare and desirable creature. Edward receives phone calls

from widows seeking love, or at least lunch, while well-meaning friends try to set him up at dinner parties. Even an attractive married neighbor offers herself to him. The problem is that Edward doesn't feel available. He's still mourning his beloved wife, Bee, and prefers solitude and the familiar routine of work, gardening, and bird-watching. But then his stepchildren surprise him by placing a personal ad in The New York Review of Books on his behalf. Soon the letters flood in, and Edward is torn between his loyalty to Bee's memory and his growing longing for connection. Gradually,

reluctantly, he begins dating (“dating after death,” as one correspondent puts it), and his encounters are variously startling, comical, and sad. Just when Edward thinks he has the game figured out, a chance meeting proves that love always arrives when it’s least expected. With wit, warmth, and a keen understanding of the heart, *An Available Man* explores aspects of loneliness and togetherness, and the difference in the options open to men and women of a certain age. Most of all, the novel celebrates the endurance of love, and its thrilling capacity to bloom anew. Look for special

features inside. Join the Random House Reader’s Circle for author chats and more. “Funny, wise and touching.”—The Washington Post “Wonderful . . . [Hilma] Wolitzer’s vision of the world, for all its sorrow, is often hilarious and always compassionate.”—The New York Times Book Review “Smart and poignant, *An Available Man* explores some universal truths—that the past is never past, life is for the living, and dating is really, really hard.”—O: The Oprah Magazine “Charming . . . Wolitzer is a champ at the closely observed, droll novel of manners.”—NPR “[Hilma

Wolitzer is an] American literary treasure.”—The Boston Globe “A deeply satisfying story of love lost and found.”—Bookreporter

Night and Morning Abrams #1 NEW YORK TIMES BESTSELLER • A powerful, blazingly honest memoir: the story of an eleven-hundred-mile solo hike that broke down a young woman reeling from catastrophe—and built her back

up again. At twenty-two, Cheryl Strayed thought she had lost everything. In the wake of her mother's death, her family scattered and her own marriage was soon destroyed. Four years later, with nothing more to lose, she made the most impulsive decision of her life. With no experience or training, driven only by blind will, she would hike more than a thousand miles of the Pacific Crest Trail from the Mojave Desert through California and Oregon to Washington State—and she would do it alone. Told with suspense and style, sparkling with warmth and humor, Wild powerfully captures the terrors and

pleasures of one young woman forging ahead against all odds on a journey that maddened, strengthened, and ultimately healed her.

Wolf Gone Wild Moody Publishers

"[She] writes with a singular wit, charm, and emotional complexity, every word just right, every page brimming with delicious tension." — Emily Henry, #1 New York Times bestselling author of *People We Meet on Vacation* International bestseller Mhairi McFarlane delivers a sharp, emotional new novel about a woman who calls off her engagement to "the perfect man" and moves in with a

charming stranger who makes her question everything about her life, her past, and the secrets she's kept for far too long... Harriet Hatley is the most in-demand wedding photographer in town, but she doesn't believe in romance, loathes the idea of marriage, and thinks chocolate fountains are an abomination. Which is why, when her long-time partner proposes, she panics. Suddenly Harriet is single... and living down the hall from her ex. She needs a new apartment, like, yesterday. Enter Cal Clarke, a hopeless romantic who just experienced his own wedding-related disaster. Harriet and Cal are

like chalk and cheese, but as they go from strangers to roommates to friends, it becomes clear they're both running from something. When Harriet's most heavily guarded secret comes to light, her world implodes. And Cal, with his witty humor and gentle advice, is a surprising source of calm at the center of the storm. With her career, friendships, and reputation on the line, Harriet must finally face her past in order to take control of her future. Because if she's willing to stop playing it safe and risk everything to share her truth, real love and happiness may be waiting on the other side... **Fahrenheit 451** Penguin

from Bryony Gordon,

Telegraph columnist and author of the bestselling *The Wrong Knickers*. For readers who enjoyed Matt Haig's *Reasons to Stay Alive* and Ruby Wax's *Sane New World*, *Mad Girl* is a shocking, funny, unpredictable, heart-wrenching, raw and jaw-droppingly truthful celebration of life with mental illness. 'I loved it. A brilliant fast and funny and frank look at something that absolutely needs to be talked about in this way' Matt Haig Bryony

Gordon has OCD. It's the snake in her brain that has told her ever since she was a teenager that her world is about to come crashing down: that her family might die if she doesn't repeat a phrase 5 times, or that she might have murdered someone and forgotten about it. It's caused alopecia, bulimia, and drug dependency. And Bryony is sick of it. Keeping silent about her illness has given it a cachet it simply does not deserve, so here she

shares her story with depression as only she
trademark wit and dazzling can. Mad Girl is a
honesty. A hugely shocking, funny,
successful columnist for unpredictable, heart-
the Telegraph, a wrenching, raw and jaw-
bestselling author, and a droppingly truthful
happily married mother of celebration of life with
an adorable daughter, mental illness.

Bryony has managed to
laugh and live well while
simultaneously grappling
with her illness. Now it's
