Heureuse comme je suis est un livre bilingue qui aidera les enfants du monde entier ? apprendre et ? appr é cier l'amour-propre. L' é dition bilingue est disponible dans diverses autres langues. Happy within is a bilingual children's book that will help children from

around the world learn and appreciate self love. The idea behind the book is to help provide children with the support and confidence to be happy with themselves and within their own skin. No matter where in the world they are from, whether the race, the background, etc. It is a positive children's book teaching them to be proud of themselves, proud of their uniqueness and embrace diversity. Only through self love and believing in oneself it is possible to be happy within. I created a bilingual series for bilingual families and/or to help children/parents learn another language together.

CreateSpace

The Kindergartener's Handbook introduces 19 basic concepts in English and French. Included are ABCs, vowels, numbers, less and more,

patterns, shapes, colors, time, seasons, the calendar, senses, rhymes, habitat, weather, chores, and school. This book develops language and reading skills using more than 300 words that every kid should know. Simple words are used to help children read on their own, and more complicated words are presented to help them expand their vocabulary. Vibrant colors and images are designed to keep the attention of children. This book will help your child learn a variety of important concepts in English and French before first grade.

This entry in our series teaches the English alphabet and provides example words and illustrations for each letter. Our vision in this book series is to create an imaginative world to help Vietnamese American children connect with their parents' cultural heritage and language. Our bilingual approach allows our young readers to learn both Vietnamese and English simultaneously. Our curriculum builds from foundations, in which each book in the series becomes a progression in learning.

Designed to teach Hispanics in the United States and Canada a practical working knowledge of English Updated with additional commonly-used phrases, new questions and answers for practice and review, and listening aids such as find-the-word boxes, jumbled words, and crosswords, the new edition of this informal language-learning program has been created to give Hispanics in the United States and Canada a practical working knowledge of English. Author William Harvey bypasses the dull rules of grammar, and instead familiarizes readers with often-used phrases, including a series of informal conversations among speakers in idiomatic American English. It also features tables that present commonly-

used English verbs and verb tenses. Emphasis on correct pronunciation includes helpful tips and advice on pronunciation and listening comprehension. The downloadable audio uses spoken dialogues and coaching to emphasize correct pronunciation of informal American English.
