Review for the NCLEX-PN® exam with leading NCLEX® experts Linda Anne Silvestri and Angela Silvestri! Saunders Comprehensive Review for the NCLEX-PN® Examination, 7th Edition provides everything you need to prepare for the NCLEX-PN exam – a review of essential nursing content, more than 4,500 NCLEX exam-style questions, detailed rationales, and test-taking tips and strategies. Based on Silvestri's proven Pyramid to Success, the book includes many questions that test the critical thinking skills you need to pass the NCLEX. An Evolve companion website adds a pre-test that generates a study calendar, study questions with immediate feedback for both correct and incorrect answers, and practice exams with immediate scoring. Updated to reflect the latest NCLEX-PN test plan, this complete review is a perennial favorite of students preparing for the NCLEX. More than 4,500 practice questions are included in the book and the Evolve companion website. Detailed rationales are provided for both correct and incorrect answer options. Alternate item format questions include multiple response, prioritizing, fill-in-the-blank, figure/illustration, chart/exhibit, graphic option, and audio/video clips, as the NCLEX-PN exam is no longer limited to multiple-choice questions. UNIQUE! A 75-question pre-test on

Evolve provides feedback on your strengths and weaknesses, and the results generate an individualized study calendar. An 85-question comprehensive exam in the book matches the client needs percentages identified in the NCLEX-PN test plan. Pyramid to Success sections at the beginning of each unit provide an overview of content, guidance for your review, and the subject's relative importance in the NCLEX-PN test plan. Pyramid Points and Pyramid Alert boxes identify content that typically appears on the NCLEX-PN exam. What Should You Do? boxes in each chapter help you develop critical thinking skills, with answers at the end of the chapter. NEW! Current NCLEX-PN test plan is incorporated into this review, including the exam's newly added content. UPDATED test-taking strategies are included in a separate chapter and for each question to give clues for finding the correct answers. UPDATED Priority Nursing Action boxes help you to effectively prioritize nursing care, and include detailed rationales and textbook references. NEW! Learning objectives tied to client needs are provided for each unit in the book.

Comprehensive Review for NCLEX-RN W B Saunders Company

A comprehensive, all-in-one review of the information you need to know to

pass your nursing exams! Updated with the latest test plan and written in an easy-to-read outline format, HESI Comprehensive Review for the NCLEX-PN® Examination, 6th Edition prepares you for success on both the HESI exit exam and the NCLEX-PN®. This trusted guide breaks down chapters by clinical areas and the concepts emphasized on the NCLEX-PN® exam, so you can easily search for various topics to review. Rationales are provided for any incorrect answers or areas of weakness to help strengthen your understanding. The companion Evolve website also offers 750 practice questions, including alternate item formats, in both study and exam modes to give you valuable practice using the same electronic testing format you will face on the nursing school exit exam and on the NCLEX-PN® exam. HESI Hint boxes spotlight important clinical information and concepts commonly tested on the NCLEX-PN® exam. 750 NCLEX practice questions on the companion Evolve website include alternate item formats to provide a testing experience similar to the HESI exit exam and the NCLEX-PN® exam. Pharmacology tables highlight the need-to-know drug therapy content emphasized on the NCLEX-PN® exam. Critical thinking study questions with rationales reinforce key concepts and content. Chapters organized by clinical area enable you to easily search for various topics to review. Consistent format and chapter organization make it easy to move between topics when reviewing. NEW! Thoroughly updated content incorporates clinical updates and reflects the latest NCLEX-PN® test plan. EXPANDED! 200 additional NCLEX practice questions on the Evolve site assist you with practice. Saunders Q & A Review for the NCLEX-RN Examination Test Prep Books

The New Quick Facts for NCLEX® 2019 - 2022 is for both RN & LPN nursing students ! The Five-Star Edition features the best content for Pharmacology, newly added Clinical Skills section, and case studies. Every nursing student needs Quick Facts! It's the perfect tool to build your core nursing content from day one of school all the way through beginning your NCLEX Prep. If you don't know Quick Facts you're not ready for NCLEX. Students love to call this their 'Nursing Bible' because they take it everywhere they go! Quick Facts is your starting place for NCLEX Prep

and the foundation of the ReMar NCLEX Virtual Training System! The Comprehensive NCLEX-RN Review 19th Edition Saunders This must-have workbook helps students learn the prioritization and delegation skills needed to survive nursing school, pass the NCLEX-RN® examination, and make the transition to practice in today's healthcare environment. Consisting of three parts plus an answer key, this resource provides numerous opportunities for students to review cases and answer questions similar to those they will see on the NCLEX-RN examination - including questions in alternate-item formats . Part 1, written by delegation expert Ruth Hansten, is an introduction that provides a practical review of clinical delegation skills and serves as a framework for the exercises that follow. Part 2 consists cases of patients who have relatively straightforward health problems followed by NCLEX examination-style questions focusing on prioritization, delegation, and assignment. Part 3 consists of complex, unfolding cases involving patients who have multiple health conditions, as well as complex patient assignments. An introduction by prioritization and delegation expert Ruth Hansten explains the importance of developing sound clinical skills and judgment in the areas of prioritization, delegation, and assignment. NCLEX-style questions help students develop fundamental skills in prioritization, delegation, and assignment and become familiar with the NCLEX examination format. Questions in Parts 2 and 3 are organized by body system and by complexity, respectively, to allow for easy use with any medical-surgical nursing text. Both sections of exercises give students essential hands-on practice in prioritizing (deciding what to do first), delegating (giving specific tasks to assistive personnel and supervising satisfactory completion of those

tasks), and assignment (giving responsibility for the overall care of particular patients to appropriate personnel). The questions in Part 3 are more complex than those in Part 2, allowing students to master core concepts using unambiguous cases before applying this knowledge to patients with more complicated, multidimensional case presentations. Flexible organization allows the workbook to be used with any Elsevier medical-surgical nursing text. The answer key provides rationales for correct as well as incorrect answers, reinforcing the concepts presented in each unit. Questions follow NCLEX style, and about 10% represent the new alternate-item question format. The workbook is three-hole punched and perforated for convenience.
