Alexander Hamilton and Aaron Burr  
Hachette UK

The America that Alexander Hamilton knew was largely agricultural and built on slave labor. He envisioned something else: a multi-racial, urbanized, capitalistic America with a strong central government. He believed that such an America would be a land of opportunity for the poor and the newcomers. But Hamilton ' s vision put him at odds with his archrivals who envisioned a pastoral America of small towns, where governments were local, states would control their own destiny, and the federal government would remain small and weak. The disputes that arose during America ' s first decades continued through American history to our present day. Over time, because of

the systems Hamilton set up and the ideas he left, his vision won out. Here is the story that epitomizes the American dream—a poor immigrant who made good in America. In the end, Hamilton rose from poverty through his intelligence and ability, and did more to shape our country than any of his contemporaries. Related subjects and concepts discussed in the book include: Law and Legal Concepts Due process Bill of Rights Freedom of Speech and the Press Originalism / nonoriginalism (theories of Constitutional interpretation) Government Checks and Balances Democracy Electoral College Republic Financial Concepts Capitalism Credit Inflation Interest Mercantilism Securities: Stocks and Bonds Tariffs Taxes Miscellaneous Demagogues Dueling Pastoralism About the Series The Making of America series traces the constitutional history of the United States through overlapping biographies of American men and women. The debates that raged when our nation was founded have been argued ever since: How should the Constitution be interpreted? What is the meaning, and where are the limits of personal

---

liberty? What is the proper role of the federal government? Who should be included in "we the people"? Each biography in the series tells the story of an American leader who helped shape the United States of today.

### Jefferson and Hamilton

Macmillan

The Reynolds Pamphlet (1797) is an essay by Alexander Hamilton. Written while Hamilton was serving as Secretary of the Treasury, the Pamphlet was intended as a defense against accusations that Hamilton had conspired with James Reynolds to misuse funds meant to cover unpaid wages to Revolutionary War veterans. Admitting to an affair with Maria, Reynolds' wife, Hamilton claims that the accusation is nothing more than an attempt at blackmail. This revelation not only endangered Hamilton's career as a public figure, but constituted perhaps the earliest sex scandal in American history. >"The bare perusal of the letters from Reynolds and his wife is sufficient to convince my greatest enemy that there is nothing worse in the affair than an irregular and indelicate amour. For this, I bow to the just censure which it merits. I have paid pretty severely for the folly and can never recollect it without disgust

and self condemnation. It might seem affectation to say more." Accused of corruption in his role as Secretary of the Treasury, Alexander Hamilton was forced to confess his adultery, bringing shame to himself as a married man and supposedly honorable public figure, yet saving his political career in the process. Looking back on his affair with Maria Reynolds from a distance of five years, Hamilton expresses regret for his foolishness, yet wholeheartedly denies her husband's accusation that he had been involved in his scheme to misuse government funds. Perhaps the first sex scandal in American history, the Reynolds affair sent shockwaves throughout the burgeoning republic, leaving many to question the motives and character of their leaders for the first time, though certainly not the last. With a beautifully designed cover and professionally typeset manuscript, this edition of Alexander Hamilton's Reynolds Pamphlet is a classic of American literature reimagined for modern readers.

### Duel Penguin

The most famous duel in American history dramatized by leading nonfiction picture book illustrator, Don Brown. Aaron Burr and Alexander Hamilton were both fierce patriots during the Revolutionary War, but

---

the politics of the young United States of America put them in constant conflict. Their extraordinary story of bitter fighting and resentment culminates in their famous duel. For young patriots who may not yet know the shocking and tragic story, Aaron and Alexander captures the spirit of these two great men who so valiantly served their country and ultimately allowed their pride and ego to cause their demise.

### **The Jewish World of Alexander Hamilton** Abrams

A vivid narrative history of Alexander Hamilton, Aaron Burr, and their infamous duel. This is a remarkable retelling of the fatal 1804 duel between former Secretary of the Treasury Alexander Hamilton and Vice President Aaron Burr. Thomas Fleming takes the reader into the post-revolutionary world of the early nineteenth century, a chaotic and fragile time in the young country as well as a time of tremendous global instability. The success of the French Revolution and the proclamation of Napoleon as First Consul for Life had enormous impact on men like Hamilton and Burr, feeding their own political fantasies at a time of perceived Federal government weakness and corrosion. Their hunger for fame spawned antagonisms that wreaked havoc on themselves and their families and threatened to destabilize the fragile young American republic. From that poisonous brew came the tangle of regret and anger and ambition that drove the two men to their murderous confrontation in Weehawken, New Jersey. This is popular narrative history at its most authoritative, and authoritative history at its most

readable--a must for readers interested in Hamilton, Burr, and America's early history.

### **Aaron Burr: More Than a Villain** Graphic Arts Books

The final meeting of Alexander Hamilton and Aaron Burr took place in 1804. It ended with Burr mortally wounding Hamilton in a duel. Hamilton and Burr first met in 1776, during the American Revolution. Their wartime experiences would shape their lives as Colonel Hamilton and Colonel Burr recounts. They were both young American officers at the time working to defend New York City against a British attack. Burr was a tough Revolutionary War combat veteran, having fought in the 1775 campaign to seize Canada from the British. In Canada, Burr battled alongside then Colonel Benedict Arnold and attacked the walled city of Quebec with General Richard Montgomery. Burr next accepted an invitation to join Washington's headquarters staff. This book includes an account of Captain Burr's brief tenure on the job that led to a lifelong animosity between him and Washington. In 1776, Hamilton was a captain and commander of a New York State artillery company. He leveled his cannons at the British at New York City, White Plains, Trenton, and Princeton before joining Washington's headquarters staff. Both Hamilton and Burr wintered at Valley Forge and fought in the day-long Battle of Monmouth. After recounting the Revolutionary War exploits of Hamilton and Burr, this book then describes their postwar lives and political rivalry and why Washington told then President John Adams in 1798 that Hamilton was his principal aide de camp. Colonel Hamilton and Colonel Burr is a fresh approach to the American Revolution from the standpoint of two of its most interesting participants.

### **The Many Faces of Alexander Hamilton** Penguin

The murder-by-duel of Alexander Hamilton by Aaron Burr remains one of the most shocking and unparalleled events in

---

American history. In *War of Two*, John Sedgwick offers a detailed and vivid portrayal of the lives of these two major figures of the pre and post-Revolutionary era, of the dramatic events they lived through and of the political and personal conflicts that led to their clash.

Alexander Hamilton, Aaron Burr, and the Duel that Stunned the Nation Simon and Schuster

From the bestselling author of *The Greatest Stories Never Told* series, the epic history of Alexander Hamilton and Aaron Burr's illustrious and eccentric political careers and their fateful rivalry. The famous duel between Alexander Hamilton and Aaron Burr was the culmination of a story three decades in the making. *Rivals unto Death* vividly traces their rivalry back to the earliest days of the American Revolution, when Hamilton and Burr--both brilliant, restless, and barely twenty years old--elbowed their way onto the staff of General George Washington. The fast-moving account traces their intricate tug-of-war, uncovering surprising details that led to their deadly encounter through battlefields, courtrooms, bedrooms, and the wildest presidential election in history, counting down the years to their fateful rendezvous on the dueling ground. This is politics made personal: shrill accusations, bruising collisions, and a parade of flesh and blood founders struggling--and often failing--to keep their tempers and jealousies in check.

Smoldering in the background was a fundamental political divide that threatened to tear the new nation in two, and still persists to this day. The Burr and Hamilton that leap out of these pages are passionate, engaging, and utterly human characters inextricably linked together as *Rivals unto Death*.

Colonel Hamilton and Colonel Burr Enslow Publishing, LLC

Though he was a hero of the Revolutionary War, a prominent New York politician, and vice president of the United States, Aaron Burr is today best remembered as the villain who killed Alexander Hamilton in a duel. But as H. W. Brands demonstrates in this fascinating portrait of one of the most compelling politicians in American history, Burr was also a man before his time—a proponent of equality between the sexes well over a century before women were able to vote in the US. Through Burr's extensive, witty correspondence with his daughter

Theodosia, Brands traces the arc of a scandalous political career and the early years of American politics. The Heartbreak of Aaron Burr not only dramatizes through their words his eventful life, it also tells a touching story of a father's love for his exceptional daughter, which endured through public shame, bankruptcy, and exile, and outlasted even Theodosia's tragic disappearance at sea. A Paperback Original

The Parallel Lives of Alexander Hamilton and Aaron Burr Vintage

Revolutionary War officer, co-author of the *Federalist Papers*, our first Treasury Secretary, Thomas Jefferson's nemesis, and victim of a fatal duel with Aaron Burr: Alexander Hamilton has been the focus of debate from his day to ours. On the one hand, Hamilton was the quintessential Founding Father, playing a central role in every key debate and event in the Revolutionary and Early Republic eras. On the other hand, he has received far less popular and scholarly attention than his brethren. Who was he really and what is his legacy? Scholars have long disagreed. Was Hamilton a closet monarchist or a sincere republican? A victim of partisan politics or one of its most active promoters? A lackey for British interests or a foreign policy mastermind? *The Many Faces of Alexander Hamilton* addresses these and other perennial questions. Leading Hamilton scholars, both historians and political scientists alike, present fresh evidence and new, sometimes competing, interpretations of the man, his thought, and the legacy he has had on America and the world.

The Most Famous Duel in American History Liveright Publishing

"Documents the sensational 1799 murder mystery that inspired rivals Alexander Hamilton and Aaron Burr to join forces, revealing the links between the accused killer and both men and the public outcry that nearly prevented the suspect's fair trial. By the author of *The Murder of the*

Century."

Trinity: The Burrs versus Alexander Hamilton and the United States of America Aaron and AlexanderThe Most Famous Duel in American History

Trinity: The Burrs versus Alexander Hamilton and the United States of America will be the first book to draw on unreported documents and genealogical information to reveal an unprecedented look into the relationships of Aaron Burr, Alexander Hamilton, Trinity Church Corporation and the Loyalists of Manhattan Island. Author Alan J. Clark shows in new perspective the battles and intrigues leading beyond the American Revolutionary War. With the melding of genealogy and timeline analysis Clark examines some of the intriguing ciphered letters of Aaron Burr to his daughter Theodosia, and looks again at Burr ' s curious and complex war time exploits to determine where his Loyalist tendencies actually began. Clark further examines the land leases then traded prior, during, and after the war as speculation, or possibly as rewards from the English Crown for services performed in its favor in the colonies primarily through the Corporation of Trinity Church. The economics of early Manhattan and the Atlantic colonies were bolstered by the complex and secular behavior of the Corporation of Trinity Church acting as land bank for the Loyalists to the Throne of England. Clark appears to fill in the gaps in many recently published tomes by delving deeper into the actions of Burr and Hamilton, examining their extensive familial connections and behaviors to arrive at a complex web of intricacy bringing to life American History at its most personal level. This book does not reiterate the well worn paths of American History. Instead, it brings a crisp new approach that makes sense of seemingly insignificant, disjointed and inconsistent stories of the early history of our country.

A Fatal Friendship Bloomsbury Publishing USA

The curious intermeshing of Burr's and Hamilton's lives at a time when individual Americans were in a position to forcefully shape the future of their country led ultimately to one of the most controversial duels in our history. Co-students at

Princeton, co-lawyers in criminal trials, and friends, a long series of political conflicts and personal antagonisms led to the match was cost Hamilton his life and Burr his reputation.

The Men Behind America's Most Famous Duel

AuthorHouse

From the author of White Trash and The Problem of Democracy, a controversial challenge to the views of the Founding Fathers offered by Ron Chernow and David McCullough Lin-Manuel Miranda's play "Hamilton" has reignited interest in the founding fathers; and it features Aaron Burr among its vibrant cast of characters. With Fallen Founder, Nancy Isenberg plumbs rare and obscure sources to shed new light on everyone's favorite founding villain. The Aaron Burr whom we meet through Isenberg's eye-opening biography is a feminist, an Enlightenment figure on par with Jefferson, a patriot, and—most importantly—a man with powerful enemies in an age of vitriolic political fighting. Revealing the gritty reality of eighteenth-century America, Fallen Founder is the authoritative restoration of a figure who ran afoul of history and a much-needed antidote to the hagiography of the revolutionary era.

A Riveting Untold Story of the American Revolution

Teacher Created Materials

Finalist for the 2018 National Book Award for Nonfiction A New York Times Editors' Choice Selection The untold story of Hamilton ' s—and Burr ' s—personal physician, whose dream to build America ' s first botanical garden inspired the young Republic. On a clear morning in July 1804, Alexander Hamilton stepped onto a boat at the edge of the Hudson River. He was bound for a New Jersey dueling ground to settle his bitter dispute with Aaron Burr. Hamilton took just two men with him: his " second " for the duel, and Dr. David Hosack. As historian Victoria Johnson reveals in her groundbreaking biography, Hosack was one of the few points the duelists did agree on. Summoned that morning because of his role as the beloved Hamilton family doctor, he was also a close friend of Burr. A brilliant surgeon and a world-class botanist, Hosack—who until now has been lost in the fog of history—was a pioneering thinker who shaped a young nation. Born in New York City, he was educated in Europe and returned to America inspired by his newfound knowledge. He assembled a plant

collection so spectacular and diverse that it amazes botanists today, conducted some of the first pharmaceutical research in the United States, and introduced new surgeries to America. His tireless work championing public health and science earned him national fame and praise from the likes of Thomas Jefferson, James Madison, Alexander von Humboldt, and the Marquis de Lafayette. One goal drove Hosack above all others: to build the Republic's first botanical garden. Despite innumerable obstacles and near-constant resistance, Hosack triumphed when, by 1810, his Elgin Botanic Garden at last crowned twenty acres of Manhattan farmland. "Where others saw real estate and power, Hosack saw the landscape as a pharmacopoeia able to bring medicine into the modern age" (Eric W. Sanderson, author of *Mannahatta*). Today what remains of America's first botanical garden lies in the heart of midtown, buried beneath Rockefeller Center. Whether collecting specimens along the banks of the Hudson River, lecturing before a class of rapt medical students, or breaking the fever of a young Philip Hamilton, David Hosack was an American visionary who has been too long forgotten. Alongside other towering figures of the post-Revolutionary generation, he took the reins of a nation. In unearthing the dramatic story of his life, Johnson offers a lush depiction of the man who gave a new voice to the powers and perils of nature.

Looks at the Burr Conspiracy, which involved a plan to set up an independent republic in either Mexico or the Western frontier.

**War of Two Princeton University Press**

Inspired by a woman and events forgotten by history, bestselling author Susan Holloway Scott weaves together carefully researched fact and fiction to tell the story of Mary Emmons, and the place she held in the life—and the heart—of the notorious Aaron Burr. He was a

hero of the Revolution, a brilliant politician, lawyer, and very nearly president; a skillful survivor in a raw new country filled with constantly shifting loyalties. Today Aaron Burr is remembered more for the fatal duel that killed rival Alexander Hamilton. But long before that single shot destroyed Burr's political career, there were other dark whispers about him: that he was untrustworthy, a libertine, a man unafraid of claiming whatever he believed should be his. Sold into slavery as a child in India, Mary Emmons was brought to an America torn by war. Toughened by the experiences of her young life, Mary is intelligent, resourceful, and strong. She quickly gains the trust of her new mistress, Theodosia Prevost, and becomes indispensable in a complicated household filled with intrigue—especially when the now-widowed Theodosia marries Colonel Aaron Burr. As Theodosia sickens with the fatal disease that will finally kill her, Mary and Burr are drawn together into a private world of power and passion, and a secret, tangled union that would have shocked the nation . . . Praise for *I, Eliza Hamilton* "Scott's devotion to research is evident . . . a rewarding take on a fascinating historical couple."
