Tmax T family is available as a complete range of moulded case circuit-breakers up to 1600 A. All the circuit-breakers, both three-pole and four-pole, are available in the fixed version; the sizes T4 and T5 in the plug-in version and T4, T5, T6 and T7 in the withdrawable one as well.

This manual contains information on the wiring, configuration and use of the FLON-01 LONWORKS® Adapter module. It also contains a short description of the LONWORKS® system, explains how to program the drive/bypass before the communication, contains a description of how data is transmitted through the FLON-01 module and a list of the network variables.
