The dramatic and inspiring story of one woman's incredible journey into the heart of a man and his nation. Born into a distinguished Arab-American family, Lisa Halaby was a strongly independent young woman. After studying architecture at Princeton, her work on projects in the Middle East gave her a profound understanding both of the links between the environment and social problems, and also of the tumultuous history of the Arab nations. Then, in 1974, her life took a very different turn, when her father introduced her to the world's most eligible bachelor, King Hussein of Jordan. After a whirlwind romance, she became Noor Al Hussein, Queen of Jordan. With eloquence and honesty, Queen Noor speaks of the obstacles she faced as a young bride and of her successful struggle to create a role for herself as a humanitarian activist. She tells of her heartbreaking miscarriage and the births of her four children, along with her continuing support for King Hussein's campaign to bring peace to the Arab

nations. But most of all this is a love story - an honest and engaging portrait of a truly remarkable woman and the man she married.

The Rule of Saint Benedict Philomel

"What does it mean to be lonely?" Thomas Dumm asks. His inquiry, documented in this book, takes us beyond social circumstances and into the deeper forces that shape our very existence as modern individuals. The modern individual, Dumm suggests, is fundamentally a lonely self. Through reflections on philosophy, political theory, literature, and tragic drama, he proceeds to illuminate a hidden dimension of the human condition. His book shows how loneliness shapes the contemporary division between public and private, our inability to live with each other honestly and in comity, the estranged forms that our intimate relationships assume, and the weakness of our common bonds. A reading of the relationship between Cordelia and her father in Shakespeare's King Lear points to the most basic dynamic of modern loneliness—how it is a response to the problem of the "missing mother." Dumm goes on to explore the most important dimensions of lonely experience—Being, Having, Loving, and Grieving. As the book unfolds, he juxtaposes new interpretations of iconic cultural texts—Moby-Dick, Death of a Salesman, the film Paris, Texas, Emerson's "Experience," to name a few—with his own experiences of loneliness, as a son, as a father, and as a grieving husband and widower. Written with deceptive simplicity, Loneliness as a Way of Life is something rare—an intellectual study that is passionately personal. It challenges us, not to overcome our loneliness, but to learn how to re-inhabit it in a better way. To fail to do so, this book reveals, will only intensify the power that it holds over us.

A 2024 YALSA Top Ten Great Graphic Novel for Teens • An NPR Best Book of 2023 • A 2023 NCSS Notable Social Studies Book "Inspiring and exciting, powerful and very poignant" —Anderson

Cooper ? "[A] gripping narrative, told with great immediacy" —Horn Book, starred review ? "Highly recommended." ?School Library Journal, starred review "A powerful true story that demonstrates the power of one young person determined to change the world" — Victoria Jamieson, author of *Roller Girl* A teenage boy risks his life to tell the truth in this gripping graphic memoir by youth activist Muhammad Najem and CNN producer Nora Neus. Muhammad Najem was only eight years old when the war in Syria began. He was thirteen when his beloved Baba, his father, was killed in a bombing while praying. By fifteen, Muhammad didn't want to hide anymore—he wanted to act. He was determined to reveal what families like his were enduring in Syria: bombings by their own government and days hiding in dark underground shelters. Armed with the camera on his phone and the support of his family, he started reporting on the war using social media. He interviewed other kids like him to show what they hope for and dream about. More than anything, he did it to show that Syrian kids like his toddler brother and infant sister, are just like kids in any other country. Despite unimaginable loss, Muhammad was always determined to document the humanity of the Syrian people. Eventually, the world took notice. This tenderly illustrated graphic memoir is told by Muhammad himself along with CNN producer Nora Neus, who helped break Muhammad's story and bring his family's plight to an international audience.

The Signature of Jesus challenges the gospel of "cheap grace" and calls the church to radical discipleship. With passion and boldness, author Brennan Manning invites readers to risk living life as Jesus lived—committed to simplicity, purity of heart, and obedience to the gospel. As a radical alternative this book is offered to Christians who want to live by faith and not by mere "religion," for those who recognize that many of the burning theological issues in the church today are neither burning nor theological; who see Christianity neither as a moral code or a belief system but as a love affair; who have not forgotten that they are followers of a crucified Christ; who know that following him means living dangerously; who want to live the gospel without compromise; who have no greater desire than to have his signature written on the pages of their lives. "Behold," Jesus proclaims, "I stand at the door and knock." You may have already met him at the door...but do you truly know him? Have you been transformed by His furious, passionate, unexplainable love? Join

Brennan Manning, the bestselling author of *The Ragamuffin Gospel*, on a personal journey to experience Christ's love and live with His passion.

Loneliness as a Way of Life SJP for Hogarth

Are you bedraggled, beat-up, burnt-out? Most of us believe in God's grace—in theory. But somehow we can't seem to apply it in our daily lives. We continue to see Him as a small-minded bookkeeper, tallying our failures and successes on a score sheet. Yet God gives us His grace, willingly, no matter what we've done. We come to Him as ragamuffins—dirty, bedraggled, and beat-up. And when we sit at His feet, He smiles upon us, the chosen objects of His "furious love." Brennan Manning's now-classic meditation on grace and what it takes to access it—simple honesty—has changed thousands of lives. Now with a Ragamuffin's thirty-day spiritual journey guide, it will change yours, too. Includes a 30-Day Spiritual Journey Guide! A Child's Book of Saints Multnomah From the inspirational author of *The Ragamuffin Gospel* comes a powerful

contemporary retelling of the Parable of the Prodigal Son. Jack Chisholm is “the people’s pastor.” He leads a devoted and growing megachurch, has several best-selling books, and a memorable slogan, “We have got to do better.” Jack knows how to preach, and he understands how to chastise people into performing. What he doesn’t know is anything about grace. This year, when it comes time for the Christmas sermon, the congregation at Grace Cathedral will look to the pulpit, and Jack will not be there. Of course, they will have seen plenty of him already—on the news. After an evening of debauchery that leads to an affair with his beautiful assistant, Jack Chisholm finds himself deserted with chilling swiftness. The church elders remove him from his own pulpit. His publisher withholds the royalties from his books. Worst of all, his wife disappears with their eight-year-old daughter. But just as Jack is hitting bottom, hopeless and penniless, drinking his way to oblivion, who should appear but his long-estranged father, imploring his prodigal son: “Come home.” A true companion piece to *The Ragamuffin Gospel*, *The Prodigal* illustrates the power of grace through the story of a broken man who finally saw Jesus not because he preached his greatest sermon or wrote his most powerful book, but because he failed miserably. Jack Chisholm lost everything—his church, his family, his respect, and his old way of believing—but he found grace. It’s the same grace that Brennan Manning devoted his life to sharing: profound in nature and coming from a God who loves us just as we are, and not as we should be. “A wonderfully written story that is as entertaining as it is thought provoking.” —Publishers Weekly, starred review “. . . the consummate final tale. What they have created is the Ragamuffin at his best, full of hope, full of love, and finally, full of belief in the goodness of God.” —Phyllis Tickle, founding editor, Religion Department, Publishers Weekly “Brennan Manning’s last work continues the powerful message of grace and forgiveness that has transformed so many lives. The Prodigal will transform you too.” —Mark Batterson, New York Times best-selling author of *The Circle Maker*
