Greetings from the Afterlife by  
Josie Roase God and the  
Masters Speak to You. Near  
Death Experience. The Power of

Meditation. Reincarnation.  
Herstory and History. Surviving  
Betrayal and Lies. Pet  
Communications. Shining the  
Light on Abortion. The Light  
Shone through after  
9/11. Surviving Betrayal and Lies.  
Exchange of Light (two souls).  
Greetings from the Afterlife,  
Josie's non-fiction debut book,  
connects you with the unseen  
Realms of Light, giving voice to  
those who want to speak to you,  
as you've never heard from them  
before. The Masters of Light  
speak of what they term  
"Herstory." "Herstory is the story  
of the balance that existed when  
all sexuality was harmonious  
with the truth that all originated  
from the Light. A chiefly  
patriarchal system did not always  
govern this planet. A  
compassionate matriarchal  
culture championed the Earth  
long ago. Men were connected  
with the feminine aspects of  
themselves and women were  
balanced in the same manner.  
Herstory will have a revival. In  
the herstory that has been kept  
secret for eons, touch was used  
for communications as well as to  
heighten intuition. People would  
meditate together in a fashion  
that involved touching. With  
their eyes closed or open, they  
would caress the body of one  
another. They became so attuned  
to their partner that they knew  
quickly if an illness was  
developing and how to remedy  
the imbalance through the Light  
they shared." Josie received this  
message from someone in the

Light who perished in the Shoah-  
Holocaust: "Try to keep your  
hopes up for the peace for the  
world that you seek.

Hypothesize, dear girl; if nothing  
lasts forever on Earth, then  
forever is elsewhere." Hear from  
God, people who perished in the  
Shoah-Holocaust, Jesus Christ,  
Mother Cabrini, Charles  
"Sonny" Liston, a tortured soul  
who found enlightenment, and  
others. Josie was shown where  
her beloved cat went after  
physical death and shares that  
miracle with you. Our animals  
speak to us while they are with us  
and from the afterlife. "I

witnessed a miracle as Josie  
restored a squirrel back to life  
after its having been hit by a car.  
My life then took a spiritual turn  
after witnessing this: I believed in  
God again." - Bruce "The most  
powerful moment of the reading  
was when I asked about my  
brother, Chris. I said nothing  
more than those words. Josie  
immediately grabbed her  
stomach, doubled over, and said  
with a grimace, 'There's so much  
pain!' She then released the pain  
and shook it off and said that the  
pain was gone from her. She said  
it was just his way of identifying  
himself to me. My brother had  
died of cancer that had produced  
massive tumors in his abdomen."

- Sara "Josie allowed me to begin  
reading her book, Greetings  
from the Afterlife, before its  
release on Amazon. I take great  
joy in telling you what I shared  
with her. Josie, I can't keep the  
tears back as I read your words.

There is a genuine and sincere love and beauty in them. They make me feel accepted and safe. Your words touch me inside very deeply. Profound and wise. My brother shared a quote that I love, and it makes me think of you." "Kindness in words creates confidence. Kindness in thinking creates profoundness. Kindness in giving creates love." - Lao Tzu "Josie, you are creating love with this book!" - Dr. Mary Page "Sonny Liston's Spirit provided Josie with more than 65 little-known details of his life that I can verify from my 30+ years of research. Sonny's writings represent a posthumous autobiography that our unsettled world needs now." - Paul Gallender, Liston biographer

**The Age of Reagan** Createspace Independent Publishing Platform This volume of original stories is all for furry feline friends. A unique collection of fantastical cat tales.

**A Comprehensive Grammar** National Geographic Books The Most High Lord God of All Creation, The Most High Supreme Lord of Spirits, the God of Ish (Adam) and Isha (Eve), the God of Enoch, the God of Noe (Noah), the God of Shem, the God of Melchizedek, the God of Audreah, the God of Abraham, the God of Ishmael, the God of Isaac, the God of Jacob (Israel) will personally communicate with YOU, personally! possess True Spiritual Knowledge you have been deliberately denied. The Most High, Himself, will testify to you that each and every word, statement and claim in this book is absolute, irrevocable, consistently verifiable, indispensable and indisputable TRUTH!

**The Conservative Counterrevolution, 1980-1989** Columbia University Press

A chief legal officer with the CIA who helped create and implement counterterrorist operations after September 11 draws on previously undisclosed stories from his long career to illuminate the agency's inner workings, charting its evolution from a shadowy entity to an organization based on dynamic new laws, scandals and personalities.

Catfantastic AuthorHouse "Reference title with facts and statistics and other information about science, for kids"--

Music from the Motion Picture Soundtrack SAT Power Vocab Provides definitions and study tips for over sixteen hundred frequently used SAT words and includes strategies for memorizing the words and answering questions on the test. In *Mortal Combat Korea, 1950-1953* Go on the trip of a lifetime. *Two Wheels South* shows you how to realize your own journey. *Two*

friends take the motorcycle trip of their life--From Brooklyn to Patagonia. Matias Corea shares his insights on how to prepare, choose the right motorcycle, what to pack, how to plan the route, where to camp and last but not least: How to prepare your mind. Setbacks and breaking down are part of the adventure, but preparation and being on the road teach you the confidence to tackle any problem. Follow Matias Corea and his friend Joel through the American South, Central America over the Darien Gap and beyond, over wooden cracking jungle bridges in Colombia and to dry lake high plateaus in Argentina. Feel the character of the roads and the smell of nature: Riding a motorcycle is one of the purest forms of traveling. After 7 months and 13 countries Matias and Joel have learned a lot while riding down south on their trusty BMW air-cooled G / S overland haulers and are ready to share their experience. *Two Wheels South* invites you on the experience of a lifetime.

*Korean* Simon and Schuster A history of the Korean War with soldier's-eye views from both sides, by the Pulitzer Prize-winning author of *The Rising Sun* and *Infamy*. Pulitzer Prize-winning author John Toland reports on the Korean War in a revolutionary way in this thoroughly researched and riveting book. Toland pored over military archives and was the first person to gain access to previously undisclosed Chinese records, which allowed him to investigate Chairman Mao's direct involvement in the conflict. Toland supplements his

---

captivating history with in-depth interviews with more than two hundred American soldiers, as well as North Korean, South Korean, and Chinese combatants, plus dozens of poignant photographs, bringing those who fought to vivid life and honoring the memory of those lost. In *Mortal Combat* is comprehensive in its discussion of events deemed controversial, such as American brutality against Korean civilians and allegations of American use of biological warfare. Toland tells the dramatic account of the Korean War from start to finish, from the appalling experience of its POWs to Mao's prediction of MacArthur's Inchon invasion. Toland's account of the "forgotten war" is a must-read for any history aficionado.

### **Poets on Influence and**

**Mastery** Contemporary Books  
Proven strategies and tactics to manage the integration of acquired and/or merged companies *Mergers & Acquisitions Integration Handbook* is a comprehensive resource to help companies create a scalable postmerger or acquisition integration process and framework that accelerates operating and business benefit goal realization. Includes tools, templates, forms, examples and checklists to provide a no-nonsense "handbook" style approach to managing an effective integration. Helps integration managers quickly get up to speed on various integration challenges, including guidance on developing detailed operational

and functional integration plans to support flawless execution. Reveals how to avoid integration failure by establishing an in-house integration management office to handle integration projects. Includes a sample integration playbook that can be used to create a core competency within companies to support ongoing integration activity. Botched integration is the number one reason mergers fail. *Mergers & Acquisitions Integration Handbook* shows you how to develop, execute and implement merger integrations and business strategies to realize your organization's mergers and acquisitions goals.

*Dora Helps Diego!* (*Dora the Explorer*) National Geographic Children's Books

Twenty-eight contemporary American poets reflect on the poems that have most influenced their own creative vision and offer their best new works in this examination of poetic expression. Each entry includes a new poem from the author, the text of a poem or poems that particularly influenced the development of the new poem, and an essay about that influence. The dialogue created between the new works of the poets and the poems that they love

provides insight into the poetic process and speaks to the meaning and endurance of great art.

**Elements of Mechanical Engineering** John Wiley & Sons

Refactoring has proven its value in a wide range of development projects—helping software professionals improve system designs, maintainability, extensibility, and performance. Now, for the first time, leading agile methodologist Scott Ambler and renowned consultant Pramodkumar Sadalage introduce powerful refactoring techniques specifically designed for database systems. Ambler and Sadalage demonstrate how small changes to table structures, data, stored procedures, and triggers can significantly enhance virtually any database design—without changing semantics. You'll learn how to evolve database schemas in step with source code—and become far more effective in projects relying on iterative, agile methodologies. This comprehensive guide and reference helps you overcome the practical obstacles to refactoring real-world databases by covering

every fundamental concept underlying database refactoring. Using start-to-finish examples, the authors walk you through refactoring simple standalone database applications as well as sophisticated multi-application scenarios. You'll master every task involved in refactoring database schemas, and discover best practices for deploying refactorings in even the most complex production environments. The second half of this book systematically covers five major categories of database refactorings. You'll learn how to use refactoring to enhance database structure, data quality, and referential integrity; and how to refactor both architectures and methods. This book provides an extensive set of examples built with Oracle and Java and easily adaptable for other languages, such as C#, C++, or VB.NET, and other databases, such as DB2, SQL Server, MySQL, and Sybase. Using this book's techniques and examples, you can reduce waste, rework, risk, and cost—and build database systems capable of evolving smoothly, far into the future.

*The Cozy Life* Rheologica Publishing  
"An illustrated collection of

80 of history's most interesting, profound, and sometimes unknown speeches from a range of scintillating personalities such as Winston Churchill, Maya Angelou, Barack Obama, Abraham Lincoln, Groucho Marx, and Tina Fey"--

Birnbaum's 2021 Walt Disney World Univ of South Carolina Press  
(Piano/Vocal/Guitar Songbook). One of the highest grossing musical comedies of all time, *Pitch Perfect* tells the story of The Barden Bellas, an all-girl college a cappella group, as they compete against another group from their college to win Nationals. Here are 11 songs and mash-ups from the popular soundtrack: *Bellas Finals \* Bellas Regionals \* Cups \* Don't Stop the Music \* Let It Whip \* Party in the U.S.A. \* Right Round \* Since U Been Gone \* Trebles Finals \* and more.*

**Goodbye, Brecken** California Legacy Book  
Provides definitions and study tips for over sixteen hundred frequently used SAT words and includes strategies for memorizing the words and answering questions on the test.

Screenwriting Open Road Media  
Describes the feelings of a little

girl after her dog dies and features information for parents on helping a child cope with grief.

**Helping Companies Realize The Full Value of Acquisitions** Paul Dry Books

This book covers Barack H. Obama, Jr's rapid rise in American politics and the role that the CIA played in propelling him into the White House. Research is based on formerly classified CIA and State Department files, personal interviews, and international investigations. Obama's birth certificate has never been the issue. The real issue, which affects his eligibility to serve as President of the United States, is his past and likely current Indonesian citizenship. The reader will be taken through the labyrinth of covert CIA operations in Africa, Southeast Asia, South Asia, and other regions. The real history of President Obama, his family, and the CIA quickly emerges as the reader wades into the murky waters of America's covert foreign operations.

**The Anointed, The Elect, and The Damned!** M J F Books

A second half of a two-part series that began with *The Age of Reagan: The Fall of the Old Liberal Order* documents behind-the-scenes aspects of his presidency while challenging popular myths perpetrated by both his supporters and detractors. Reprint.

**Weird But True!, Level 1**

Crown Forum

"Like Muir himself, *Essential Muir* packs an astounding range of experience into a lithe

---

frame: ecstatic yet scientific descriptions of Yosemite; the heartrending tale of that "wee, hairy, sleekit beastie," Stickeen; reflections on the society of Eskimos; Muir's touching tribute, after a lifetime of wonder, to the mighty baobab trees of Africa; and more. Fred D. White's selection from Muir's writings, and his illuminating commentary, reveal the coherence and drama of a remarkable life: new readers will understand why Muir has become an American icon, and readers who are familiar with his work will be delighted with this fresh look. Muir's fierce love of all of nature, from squirrels to glaciers (but perhaps not sheep), continues to inspire us nearly a century after his death."--Book jacket.
