Now, for the first time, leading agile methodologist Scott Ambler and renowned consultant Pramodkumar Sadalage introduce powerful refactoring techniques specifically designed for database systems. Ambler and Sadalage demonstrate how small changes to table structures, data, stored procedures, and triggers can significantly enhance virtually any database design—without changing semantics. Greetings from the Afterlife by Josie Roase God and the Masters Speak to You. *Near Death Experience. The Power of Meditation. Reincarnation. Herstory and History. Surviving Betrayal and Lies. Pet Communications. Shining the Light on Abortion. The Light Shone through after 9/11. Surviving Betrayal and Lies. Exchange of Light (two souls). Greetings from the Afterlife*, Josie's non-fiction debut book, connects you with the

unseen Realms of Light, giving voice to those who want to speak to you, as you've never heard from them before. The Masters of Light speak of what they term "Herstory." "Herstory is the story of the balance that existed when all sexuality was harmonious with the truth that all originated from the Light. A chiefly patriarchal system did not always govern this planet. A compassionate matriarchal culture championed the Earth long ago. Men were connected with the feminine aspects of themselves and women were balanced in the same manner. Herstory will have a revival. In the herstory that has been kept secret for eons, touch was used for communications as well as to heighten intuition. People would meditate together in a fashion that involved touching. With their eyes closed or open, they would caress the body of one another. They became so attuned to their partner that they knew quickly if an illness was developing and how to remedy the imbalance through the Light they shared." Josie received this message from someone in the Light who perished in the Shoah-Holocaust: "Try to keep your hopes up for the peace for the world that you seek. Hypothesize, dear girl; if nothing lasts forever on Earth, then forever is elsewhere." Hear from God, people who perished in the Shoah-Holocaust, Jesus Christ, Mother Cabrini, Charles "Sonny" Liston, a tortured soul who found enlightenment, and others. Josie was shown where her beloved cat went after physical death and shares that miracle with you. Our animals speak to us while they are with us and from the afterlife. "I witnessed a miracle as Josie restored a squirrel back to life after its having been hit by a car. My life then took a spiritual turn after witnessing this: I believed in God again." - Bruce "The most powerful moment of the reading was when I asked about my brother, Chris. I said nothing more than those words. Josie immediately grabbed her stomach, doubled over, and said with a grimace, 'There's so much pain!' She then released the pain and shook it off and said that the pain was gone from her. She said it was just his way of identifying himself to me. My brother had died of cancer that had produced massive tumors in his abdomen." - Sara "Josie allowed me to begin reading her book, *Greetings from the Afterlife*, before its release on Amazon. I take great joy in telling you what I shared with her. Josie, I can't keep the tears back as I read your words. There is a genuine and sincere love and beauty in them. They make me feel accepted and safe. Your words touch me inside very deeply. Profound and wise. My brother shared a quote that I love, and it makes me think of you." "Kindness in words creates confidence. Kindness in thinking creates profoundness. Kindness in giving creates love." - Lao Tzu "Josie, you are creating love with this book!" - Dr. Mary Page "Sonny Liston's Spirit provided Josie with more than 65 little-known details of his life that I can verify from my 30+ years of research. Sonny's writings represent a posthumous autobiography that our unsettled world needs now." - Paul Gallender, Liston biographer [Target Crown Forum](#)

"Like Muir himself, *Essential Muir* packs an astounding range of experience into a lithe frame: ecstatic yet scientific descriptions of Yosemite; the heartrending tale of that "wee, hairy, sleekit beastie," Stickeen; reflections on the society of Eskimos; Muir's touching tribute, after a lifetime of wonder, to the mighty baobab trees of Africa; and more. Fred D. White's selection from Muir's writings, and his illuminating commentary, reveal the coherence and drama of a remarkable life: new readers will understand why Muir has become an American icon, and readers who are familiar with his work will be delighted with this fresh look. Muir's fierce love of all of nature, from squirrels to glaciers (but perhaps not sheep), continues to inspire us nearly a century after his death."--Book jacket.

An Eclectic Collection of Orations Deserving of a Wider Audience Hal Leonard Publishing Corporation

A thousand years ago, a young Japanese girl embarked on a journey from deep in the countryside of eastern Japan to the capital. Forty years later, with the long account of that journey as a foundation, the mature woman skillfully created an autobiography that incorporates many moments of heightened awareness from her long life. Married at age thirty-three, she identified herself as a reader and writer more than as a wife and mother; enthralled by fiction, she bore witness to the dangers of romantic fantasy as well as the enduring consolation of self-expression. This reader's edition streamlines Sonja Arntzen and Moriyuki It?'s acclaimed translation of the *Sarashina Diary* for general readers and classroom use. This translation captures the lyrical richness of the original text while revealing its subtle structure and ironic meaning, highlighting the author's deep concern for Buddhist belief and practice and the juxtaposition of poetic passages and narrative prose. The translators' commentary offers insight into the author's family and world, as well as the style, structure, and textual history of her work.
