Under the guidance of some of the best thinkers on the Book of Mormon, the Abinadi narrative springs to life as each chapter approaches Abinadi's story and words from a different perspective. Whether viewed through a sociopolitical, literary, theological, philosophical, or historical lens, new insights and a new appreciation for the

richness of Abinadi's discourse will help readers reignite their passion for the beauty and depth of the Book of Mormon. This volume is written for an informed, Latter-day Saint audience, and seeks to fill a gap in high-quality research and writing on the Book of Mormon. It is produced by members of Brigham Young University's Book of Mormon Academy, a group of scholars dedicated to research on the Book of Mormon. As the narrative is viewed from a variety of angles, its richness, beauty, and profound meaning come more clearly into focus.

Bring the Book of Mormon to life with Our Book of Mormon Heroes: Their Stories & Art. Our Book of Mormon Heroes were once flesh and blood. With names like Abinadi and Abish and Captain Moroni, who flew the banners of selflessness, of faith, and of freedom. What, pray tell, canst thou learnest from us? By joining our ranks, by walking and sailing and fighting alongside us on the pages of this book, by together spinning and shaping the Old World to New? Perhaps the necessity to love, to rescue thy brother. To keep thine own records, to draw thy own pictures, to underscore the lessons and the positive

---

that you see all about you, in your own time, from thine own experience. Thy everyday battlefields, thy habitats, thy temples, thy family, thy heroes. With each corresponding scripture: 1) Can you decipher the context (the Who, What, Why, When and Where?); 2) Can you expound upon the Doctrine or Principle taught; and most importantly: 3) Can you further bring the Book of Mormon to life by applying the teaching of the passage to yourself and your family? Following each Nephite Nation hero is a blank page for you to reflect. We live to see, to learn, to experience. What can we learn from the vision, the lessons, and the experience of those who came before? From the Book of Mormon to our latter-day lives, to the people who matter most, who might you identify as a bona fide hero? Yea, draw them bold, and go ye forth, and live and love and explore.

Who's Your Hero? Neal A. Maxwell Institute for Religious Scholarship

The Purpose of this two volume series is to make easily available selections from lectures transcribed and published in four volumes as Teachings of the Book of Mormon by Hugh W. Nibley, Professor at Brigham Young University. The Editor text scanned all four volumes of the series to about half the original by eliminating those portions the Editor felt not necessary to the verses under discussion. No other changes were made to the original Nibley four volumes. Readers of the Book of

Mormon will benefit from Hugh Nibley's extensive historical and linguistic background from a lifetime of study of ancient documents. The Editor has made an effort to provide full scripture references at the beginning of each paragraph which were not available in the original editions by Hugh Nibley. These references will be helpful to students and teachers of the Book of Mormon. The numbers at the beginning of each paragraph refer to the page number of the First Edition of each of the four volumes and will alert the reader to where omissions may be found in the original four volumes. The Editor has expanded most chapter topic summaries as shown in brackets. Proceeds from this book will be donated to Project Sprouts ([www.project-sprouts.com](http://www.project-sprouts.com)) which is operated by Mondoro Company Ltd which designs and manufactures furniture and accessories in Asia

Abinadi Plain & Precious Publishing  
Introducing a major new doctrinal work written by Elder Jeffrey R. Holland who shares his apostolic witness of the central figure of the Book of Mormon-the Lord Jesus Christ. For most of a decade, Elder Holland has read the Book of Mormon repeatedly and thoroughly,

focusing on all references to the Savior and his teachings. The result is an intelligent observation and thorough study of the Book of Mormon's contribution to our understanding of Christ. On the illustrated edition: Elder Holland's classic examination of Jesus Christ as the "principal and commanding figure" in the Book of Mormon is now available as an illustrated keepsake. This landmark book explores what the Book of Mormon reveals about the character, attributes, and mission of our Savior. In his warm and thoughtful style, Elder Holland explains why, more than any other book, the Book of Mormon "has taught me to love the Lord Jesus Christ and to consider the full wonder and grandeur, the eternally resonating power of the atoning sacrifice he made for us." Stunning full-color illustrations by Walter Rane, Robert Barrett, Simon Dewey, Joseph Brickey, and others bring vibrant new life to this beloved volume.

## Approaching Zion Nephite Nation

This colorful, informative book features reports on the multipronged effort to determine as far as possible the original English-language translation of the Book of Mormon. Royal Skousen, the editor and principal investigator of the original and printer's manuscripts of the Book of Mormon, details the project's history and some of the more significant findings. Robert Espinosa reviews his team's painstaking work of preserving and identifying remaining fragments of the original manuscript. Ron Romig narrates the investigation into the printer's manuscript, and Larry Draper explains how the press sheets for the 1830 edition reveal overlooked details of the printing process. In an insightful response, Daniel C. Peterson interpolates evidence from Skousen's research to show the divine manner in which the Book of Mormon came forth.

## The Legal Cases in the Book of Mormon Shadow Mountain

1 Nephi through Mosiah. This volume is the first of three on the Book of Mormon. It covers 1st Nephi through the Book of Mosiah. This includes the journey of Lehi and his family across the Arabian Peninsula to Bountiful. It follows them on to the promised land,

where the Nephites and Lamanites separated. It contains the marvelous prophecies of Lehi, Nephi, and Jacob. We then read remarks from the book's editor in the words of Mormon, and follow the Nephites until their establishment in the land of Zarahemla under King Mosiah. In all, it covers 508 years of Nephite history up until about 92 BC when the book of Alma began. The cover features a beautiful photograph of the Land Bountiful taken by Scot Facer Proctor.

Abinadi Brigham Young University Press  
An illustrated retelling of the stories from the Book of Mormon.

The Pilgrim's Progress Cedar Fort Publishing & Media

When Joseph Smith presented the Book of Mormon for sale in early 1830, questions surfaced immediately regarding its claim to be an ancient history of America. In this ten-essay compilation, scholars outline the broad contours of contemporary research bearing on this question. Drawing from a variety of disciplines, contributors discuss historicity from the standpoint of physical and cultural anthropology, geography, linguistics, demographics, literary forms, liturgical context, theology, and evolution

of the original manuscript to published work. The message of the Book of Mormon is one of socio-economic equality and divine intervention. That message can be obscured by people who revere it as an icon and proof-text rather than read it for understanding. Furthermore, attempts to make the book safe for Sunday school audiences can gloss over context. Returning to a nineteenth-century understanding restores the book's spiritual rather than symbolic importance. By asking hard questions, contributors modify, even transform, previous theories regarding the nature of LDS scripture. Still, through painstaking research, they share a wealth of fresh perspectives and offer an array of new directions for future investigation.

Sharman B Hummel

This four volume work, which was originally created as a university course, is a whole new approach to an advanced study of the Book of Mormon. In a sense, it is a private tutoring course. If the reader will concentrate on one verse at a time, drain the essential message from it, read any background material provided in the book by W. Cleon Skousen, and then apply the verse to his or her own life, they will be richly blessed. By this

---

means, the reader will have a chance to absorb the message far more deeply and make the Book of Mormon a vital part of daily living. These books are easy to read and have proven highly popular with seminary students and those preparing for missions. They are also used as a family home evening course of study. Volume Two covers Enos 1 to Alma 29. This eBook includes the illustrations, footnotes, table of contents and page numbering from the original printed format.

Spencer's work is disciplined by an unrivaled attention to the structural, thematic, and literary details of the Book of Mormon. He argues for the importance of a typological reading of the Book of Mormon, and traces the tension between the two types of typological reading promoted by the Book of Mormon itself.

Who's Your Hero? the Ultimate Collection  
Brigham Young University Press

The Savior himself has said, Great are the words of Isaiah. Such high praise has not been recorded for any other book of scripture or group of prophetic writings, yet many find Isaiah to be somewhat intimidating or difficult to understand, despite its importance. From his years of study and research, Monte S. Nyman has compiled a helpful LDS-based commentary that leads the reader through Isaiah section by section and topic by topic using verse-by-verse commentary drawn from the LDS Standard Works, the Joseph Smith Translation of the Bible, and the words of many prophets and apostles. Six detailed appendices give easy cross-references to materials quoted or paraphrased in other scriptures and expressions by church leaders concerning Isaiah, including, the Authorship of Isaiah Ancient and Modern Commentary on Isaiah Isaiah in the Book of Mormon Isaiah in the Doctrine and Covenants Isaiah in the New Testament the Prophet Joseph

Smith and Isaiah A comprehensive and valuable resource for the average student and the serious scholar, this book will help you understand and enjoy the book of Isaiah as a truly outstanding book of scripture.
