The hidden truth about the French

way of life: it's all about seduction—its rules, its pleasures, its secrets France is a seductive country, seductive in its elegance, its beauty, its sensual pleasures, and its joie de vivre. But Elaine Sciolino, the longtime Paris bureau chief of The New York Times, has discovered that seduction is much more than a game to the French: it is the key to understanding France. Seduction plays a crucial role in how the French relate to one another—not just in romantic relationships but also in how they conduct business, enjoy food and drink, define style, engage in intellectual debate,

elect politicians, and project power around the world. While sexual repartee and conquest remain at the heart of seduction, for the French seduction has become a philosophy of life, even an ideology, that can confuse outsiders. In *La Seduction*, Sciolino gives us an inside view of how seduction works in all areas, analyzing its limits as well as its power. She demystifies the French way of life in an entertaining and personal narrative that carries us from the neighborhood shops of Paris to the halls of government, from the gardens of Versailles to the agricultural

heartland. *La Seduction* will charm you and encourage you to lower your defenses about the French. Pull up a chair and let Elaine Sciolino seduce you.

answered false to

all three questions,

you just might be a successful PUA (pickup artist.) Otherwise, you are an AFC (average frustrated chump.) If you think that's crazy, consider this: these dynamics have been confirmed hundreds of times by hundreds of men. The Layguide teaches any guy the proven techniques of the best pickup artists in the world:

- The 3-seconds Rule (the most important rule you'll ever learn).
- Developing the confidence of a true player.
- How to become an Alpha Male.
- The most

successful approaches. • Gimmicks that work. • Closing the deal. Armed with the wisdom collected in The Layguide, you will never again waste money on go-nowhere dates. You will never again hesitate to approach a beautiful woman. You will no longer fear rejection. You will never be a supplicating chump just because a woman is attractive. You WILL be an unapologetically sexual male with poise, power, and the skills to have any woman you

desire. Tony Clink is the webmaster of www.layguide.com, and one of the most successful pick-up artists in the world.
