A Couple Cooks - Pretty Simple Cooking Chronicle Books

A fancy Halloween party turns fatal in this mystery that's "so much fun to read" (Suspense Magazine). Bookstore café owner Krissy Hancock would rather spend Halloween serving pumpkin goodies than wearing costumes with Pine Hills' wealthiest, especially when the soiree at a local mansion shapes up to be more trick than treat. As if a run-in with an old flame and a failed marriage proposal weren't enough to horrify Krissy for one night, a woman is found strangled to death in a room filled with ominous jack-o'-lanterns. All signs suggest a crime of passion—but when the hostess's jewelry disappears,

malevolent intentions seem way more likely. With the estate on lockdown and a killer roaming the halls, Krissy must help Officer Paul Dalton investigate each nook, cranny, and guest for answers—while also confronting a few demons of her own. Someone has lots of skeletons in the closet, and Krissy better tread lightly to expose them...

The Pumpkin Falls Private Eyes grapple with pirates and mermaids in the third cozy mystery of the Edgar Award – nominated middle grade series from the author of the beloved Mother-Daughter Book Club books. Truly Lovejoy is excited for the perfect summer in Pumpkin Falls, New Hampshire: swim practice outside, working at the bookstore, one-on-one time with her mom, and best of all, time with the dreamy RJ Calhoun who may just like Truly back. But the idyllic falls apart when she 's sent off to mermaid academy—sparkly tail and all. Luckily, a mystery is never too far behind the Pumpkin Falls Private Eyes, and synchronized swimming turns into a hunt for a sunken ship and an investigation of the founding of Pumpkin Falls...which may have involved more pirates than originally thought. And as the Pumpkin Falls Private Eyes get closer to the heart of the mystery and Truly gets closer to her mermaid debut, she may just learn to come out of her shell.

It's Decorative Gourd Season, Motherfuckers Simon and Schuster

This blistering novel—from the bestselling, Pulitzer Prize – winning author of *The Road*—returns to the Texas-Mexico border, setting of the famed Border Trilogy. The time is our own, when rustlers have given way to drug-runners and small towns have become free-fire zones. One day, a good old boy named Llewellyn Moss finds a pickup truck surrounded by a bodyguard of dead men. A load of heroin and two million dollars in cash are still in the back. When Moss takes the money, he sets off a chain reaction of catastrophic violence that not even the law – in the person of aging, disillusioned Sheriff Bell – can contain. As Moss tries to evade his pursuers – in particular a mysterious mastermind who flips coins for human lives – McCarthy simultaneously strips down the American crime novel and broadens its concerns to encompass themes as ancient as the Bible and as bloodily contemporary as this morning 's headlines. *No Country for Old Men* is a triumph.

The Instant New York Times Bestseller and TikTok Sensation! As seen on THE VIEW! A BuzzFeed Best Summer Read of 2021 When a fake relationship between scientists meets the irresistible force of attraction, it throws one woman's carefully calculated theories on love into chaos. As a third-year Ph.D. candidate, Olive Smith doesn't believe in lasting romantic relationships--but her best friend does, and

that's what got her into this situation. Convincing Anh that Olive is dating and well on her way to a happily ever after was always going to take more than hand-wavy Jedi mind tricks: Scientists require proof. So, like any self-respecting biologist, Olive panics and kisses the first man she sees. That man is none other than Adam Carlsen, a young hotshot professor--and well-known ass. Which is why Olive is positively floored when Stanford's reigning lab tyrant agrees to keep her charade a secret and be her fake boyfriend. But when a big science conference goes haywire, putting Olive's career on the Bunsen burner, Adam surprises her again with his unyielding support and even more unyielding...six-pack abs. Suddenly their little experiment feels dangerously close to combustion. And Olive discovers that the only thing more complicated than a hypothesis on love is putting her own heart under the microscope.

Pumpkin Jack First Second

A girl gets into a mouthful of trouble in this “toadally” fractured fairy tale, from the author of the *Mother-Daughter Book Club* series. Once upon a time, Cat Starr lived with her astronaut mom in Houston. But when her mother gets sent on a long-term mission, Cat has to move to a faraway land—her dad’s house, halfway across the country—and share a room with her real-life evil stepsister, Olivia. Just when Cat can’t take it anymore, Great Aunt Abyssinia comes to the rescue. And things go from bad to cursed. The next morning, Cat opens her mouth and a toad hops out! What’s more, when Olivia speaks, diamonds and flowers appear. How unfair is that? Before you can say “happily ever after,” the girls are on the run from jewel thieves and a government agency. Can Cat save the day—and get rid of all those toads? This is an enchanting fractured fairy tale from acclaimed *Mother-Daughter Book Club* author Heather Vogel Frederick.

Once Upon a Chef: Weeknight/Weekend Simon and Schuster

Autumn in Blossom Valley means pumpkin patches are ripe and Winona Mae Montgomery and her Granny Smythe's cider shop is flourishing. But with this season comes . . . A FATAL HARVEST The Fall Festival is in full swing. Civil War reenactors from three counties are partaking in Blossom Valley's tribute to John Brown. Blue Ridge Mountain foliage is in full bloom. And best of all is Jacob Potter's pumpkin farm where his hay rides, piglet races, pumpkin picking and corn maze are time-honored draws for locals and tourists alike. That's why it's such a shock when Mr. Potter is found dead, hidden under a tarp in the back of Winnie's pickup truck. This certainly betrays Potter's reputation as one of the town's most popular citizens. Fortunately, when it comes to solving a murder, no one has a patch on Winnie. Now, all eyes are on her to do it. Unfortunately, that includes those of the killer who'll do anything to keep an orchard full of secrets buried. The Complete Mother-Daughter Book Club Collection Simon & Schuster Books for Young Readers Popular husband-and-wife bloggers and podcasters (acouplecooks.com) offer 100 recipes with an emphasis on whole foods and getting into the kitchen together. The couple's non-diet approach features simple lifestyle changes to make healthy cooking sustainable, rather than

a short-term fix. A love story at its finest, Alex and Sonja Overhiser first fell for each other--and then the kitchen. In a matter of months, the writer-photographer duo went from eating fast and frozen food to regularly cooking vegetarian meals from scratch. Together, the two unraveled a "pretty simple" approach to home cooking that kicks the diet in favor of long-term lifestyle changes. While cooking isn't always easy or quick, it can be pretty simple by finding love in the process. A Couple Cooks | Pretty Simple Cooking is an irresistible combination of spirited writing, nourishing recipes with a Mediterranean flair, and vibrant photography. Dubbed a "vegetarian cookbook for non-vegetarians", it's a beautiful book that's food for thought, at the same time providing real food recipes for eating around the table. The book features: 100 vegetarian recipes, with 75 vegan and 90 gluten-free options A full-color photograph for every recipe Recipes arranged from quickest to more time-consuming 10 life lessons for a sustainably healthy approach to cooking, artfully illustrated with a custom watercolor Rip Van Winkle and The Legend of Sleepy Hollow Knopf Books for Young Readers Relates how the idea of jack-o-lanterns got started out in the prairies during a time when a mysterious stranger rewarded kind townsfolk and punished greedy politicians. Absolutely Truly Penguin A bold, timely novel about speaking up and coming out as parents lobby to ban a beloved book from the

school curriculum by New York Times-bestselling author David Levithan. When Donovan left his copy of *The Adventurers* on the kitchen counter, he didn't think his mom would read it—much less have a problem with it. It's just an adventure novel about two characters trying to stop an evil genius...right? But soon the entire town is freaking out about whether the book's main characters are gay, Donovan's mom is trying to get the book removed from the school curriculum, and Donovan is caught in the middle. Donovan doesn't really know if the two boys fall in love at the end or not—but he does know this: even if they do, it shouldn't matter. The book should not be banned from school. Interweaving three connected storylines, David Levithan delivers a bold, fun, and timely story about taking action (whether it's against book censors or deadly alligators...), being brave, and standing up for what's right.
