The Cat in the Hat Comes Back Penguin

“ The authors do not hold back. ” —Booklist (starred review) “ The palpable desperation that pervades the plot...feels true, giving it a chilling air of inevitability. ” —Publishers Weekly (starred review) “ The Shustermans challenge readers. ” —School Library Journal (starred review) “ No one does doom like Neal Shusterman. ” —Kirkus Reviews (starred review) When the California drought escalates to catastrophic proportions, one teen is forced to make life and death decisions for her family in this harrowing story of survival from New York Times bestselling author Neal Shusterman and Jarrod Shusterman. The drought—or the Tap-Out, as everyone calls it—has been going on for a while now. Everyone ’ s lives have become an endless list of don ’ ts: don ’ t water the lawn, don ’ t fill up your pool, don ’ t take long showers. Until the taps run dry. Suddenly, Alyssa ’ s quiet suburban street spirals into a warzone of desperation; neighbors and families turned against each other on the hunt for water. And when her parents don ’ t return and her life—and the life of her brother—is threatened, Alyssa has to make impossible choices if she ’ s going to survive.

**The Name of this Book Is Secret** Starscape

Read the series that's sold more than 2 million copies--if you dare! Warning: this description has not been authorized by Pseudonymous Bosch. As much as he'd love to sing the praises of his book (he is very vain), he wouldn't want you to hear about his brave 11-year old heroes, Cass and Max-Ernest. Or about how a mysterious box of vials, the Symphony of Smells, sends them on the trail of a magician who has

vanished under strange (and stinky) circumstances. And he certainly wouldn't want you to know about the hair-raising adventures that follow and the nefarious villains they face. You see, not only is the name of this book secret, the story inside is, too. For it concerns a secret. A Big Secret.

**Calico Captive** Farrar, Straus and Giroux (BYR)

In a future where the Population Police enforce the law limiting a family to only two children, Luke, an illegal third child, has lived all his twelve years in isolation and fear on his family's farm in this start to the Shadow Children series from Margaret Peterson

Haddix. Luke has never been to school. He's never had a birthday party, or gone to a friend's house for an overnight. In fact, Luke has never had a friend. Luke is one of the shadow children, a third child forbidden by the Population Police. He's lived his entire life in hiding, and now, with a new housing development replacing the woods next to his family's farm, he is no longer even allowed to go outside. Then, one day Luke sees a girl's face in the window of a house where he knows two other children already live. Finally, he's met a shadow child like himself. Jen is willing to risk everything to come out of the shadows—does Luke dare to become involved in her dangerous plan? Can he afford not to?

Raina Telgemeier's #1 New York Times bestselling, Eisner Award-winning graphic memoir based on her childhood! Raina just wants to be a normal sixth grader. But one night after Girl Scouts she trips and falls, severely injuring her two front teeth. What follows is a long and frustrating journey with on-again, off-again braces, surgery, embarrassing headgear, and even a retainer with fake teeth attached. And on top of all that, there's still more to deal with: a major earthquake, boy confusion, and friends who turn out to be not so friendly.

Lord of the Flies True Legend

There is nothing to be found in the pages of A Series of Unfortunate Events but misery and despair. You still have time to choose another international best-seller to read. But if you must know what unpleasantries befall the charming and clever Baudelaire children read on . . . In The Wide Window we encounter a story that includes a hurricane, a signalling device, hungry leeches, cold cucumber soup, a horrible villain and a doll named Pretty Penny. With 5 million copies sold in the UK alone, one might consider Lemony Snicket's A Series of Unfortunate Events to make him one of the most successful children's authors of the past decade. We, however, consider these miserable so-called adventure stories and the Hollywood film starring Jim Carrey that accompanied the books for children as nothing more than a dreadful mistake.

Call It Courage Little, Brown Books for Young Readers

From a Newbery Medal-winning author, an "exciting novel" about a colonial girl's experience during the French and Indian War (Saturday Review). In the year 1754, the stillness of Charlestown, New Hampshire, is shattered by the terrifying cries of an Indian raid. Young Miriam Willard, on a day that had promised new happiness, finds herself instead a captive on a forest trail, caught up in the ebb and flow of the French and Indian War. It is a harrowing march north. Miriam can only force herself to the next stopping place, the next small portion of food, the next icy stream to be crossed. At the end of the trail waits a life of hard work and, perhaps, even a life of slavery. Mingled with her thoughts of Phineas Whitney, her sweetheart on his way to Harvard, is the crying of her sister's baby, Captive, born on the trail. Miriam and her companions finally reach Montreal, a city of shifting loyalties filled with the intrigue of war, and here, by a sudden twist of fortune, Miriam meets the prominent Du Quesne family, who introduce her to a life she has never imagined. Based on an actual narrative diary published in 1807, Calico Captive skillfully reenacts an absorbing facet of history. "Vital and vivid, this short novel based on the actual captivity of a pre-Revolutionary girl of Charlestown, New
