*The Art of Presenting* Simon and Schuster

This best-selling brief introduction to public speaking offers practical coverage of every topic typically covered in a full-sized text, from invention, research and organization, practice and delivery, to the different speech types. Its concise, inexpensive format makes it perfect not only for the public speaking course, but also for any setting across the curriculum, on the job, or in the community. This newly redesigned full-color edition offers even

stronger coverage of the fundamentals of speechmaking, while also addressing the changing realities of public speaking in a digital world. It features fully updated chapters on online presentations and using presentation software, and a streamlined chapter on research in print and online.

**The Art of Public Speaking** Wadsworth Publishing Company

*The Police Manager*, 8th Edition, is a major update, with a completely fresh chapter on school resource officers, based on a new case study, and a new chapter on managing high-profile events. Every police agency today faces the possibility of controversy, and the need to train managers to deal appropriately with the media and the public continues to increase. Green, building on the foundation laid by Ronald Lynch in prior editions, gives practical, field-tested guidance to students and professionals who aspire to leadership roles in law enforcement, providing a comprehensive explanation of issues and challenges that they will face as police supervisors. The book is divided into four parts, covering historical and philosophical underpinnings, behavioral aspects of police management, functional aspects of police management, and major issues in modern police work. This eighth edition is ideal for police management courses in U.S. undergraduate criminal justice programs, as well as for law enforcement practitioners preparing for

---

promotional examinations. The text is also appropriate for broader criminal justice management courses.

*Practically Speaking* Macmillan Higher Education  
Widely praised for its conversational tone and clear advice, *Practically Speaking* is the public speaking textbook your students will actually read. Filled with engaging stories and examples, sound scholarship and recent research, and useful tips and tricks, *Practically Speaking* shows students how to get started, practice thinking critically, and ultimately develop their own voice.

This is an annotated guide to the preparation and presentation of public speeches, for instructors.

**The Seattle Educational Bulletin** Heinle &

Heinle Pub

This informal, fun guide is ideal for anyone involved in public speaking; addressing a group of people in a wide range of situations including lecturing as part of your day job, presenting research findings to your academic peers, and presenting to potential future colleagues as part of an interview process. These situations are all different, and as with many things, context is everything. Whether you're working with large or small audiences, there are basic rules for speaking that should never be overshadowed by bewildering presentation technology.

**Selections from the Speech Communication Teacher, 1991-1994** Routledge

Written by experienced advocates and advocacy trainers, *Advocacy* provides an excellent introduction to the skills and techniques required to be an advocate. Coverage includes guidance on making opening and closing speeches; planning and delivering examination-in-chief and cross-examination; questioning witnesses; as well as examples of specific questioning techniques which may be employed in practice. Additionally, authors highlight the ethical boundaries and rules within which an advocate must work. *Advocacy* covers

both criminal and civil court proceedings, and includes a number of how-to-do-it guides illustrating how particular applications should be made when in practice. Digital formats  
This edition is available for students and institutions to purchase in a variety of formats. The e-book offers a mobile experience and convenient access along with functionality tools, navigation features, and links that offer extra learning support:
