The International Accounting and Reporting Issues 2015 Review presents country case studies of Germany and the United Kingdom on the interrelated topics of compliance monitoring and enforcement mechanisms in relation to corporate reporting, auditing and regulation of professional accountants within the context of achieving high-quality corporate reporting. These country case studies are a continuation of similar studies that have already been published in the 2014 volume of

this series covering Australia, Belgium and Canada. The respective case studies are contained in Chapters I and II. An analysis of the main findings of all the case studies—including the ones presented in the 2014 volume—is contained in chapter III.

Combining the latest research and most current coverage available into a succinct nine chapters, *FUNDAMENTALS OF INFORMATION SYSTEMS, 8E* equips students with a solid understanding of the core principles of IS and how it is practiced. The streamlined 560-page eighth edition features a wealth of new examples, figures, references, and cases as it covers the latest developments from the field—and highlights their impact on the rapidly changing role of today's IS professional. In addition to a stronger career emphasis, the text includes expanded coverage of mobile solutions, energy and environmental concerns, the increased use of cloud computing across the globe, and two cases per chapter. Learning firsthand how information systems can increase profits and reduce costs, students explore new information on e-commerce and enterprise systems, artificial intelligence, virtual reality, green computing, and other issues reshaping the industry. The text introduces the challenges and risks of computer crimes, hacking, and cyberterrorism. It also presents some of the most current research on

virtual communities, global IS work solutions, and social networking. No matter where students' career paths may lead, *FUNDAMENTALS OF INFORMATION SYSTEMS, 8E* and its resources can help them maximize their success as employees, decision makers, and business leaders.
