Hall
For courses in Financial and Managerial Accounting. Expanding on Proven Success with Horngren's Accounting Horngren's Accounting presents the core content of the accounting course in a fresh format designed to help today's learners succeed. The Eleventh Edition expands on the proven success of the significant revision to the Horngren franchise and uses what the authors have learned from focus groups, market feedback, and colleagues to create livelier classrooms, provide meaningful learning tools, and give professors resources to help students inside and outside the class. First, the authors ensured that content was clear, consistent, and above all, accurate. Every chapter is reviewed to ensure that students understand what they

are reading and that there is consistency from chapter to chapter. The author team worked every single accounting problem and employed a team of accounting professors from across the nation to review for accuracy. This edition continues the focus on student success and provides resources for professors to create an active and engaging classroom. Through MyAccountingLab, students have the opportunity to watch author recorded solution videos, practice the accounting cycle using an interactive tutorial, and watch in-depth author-driven animated lectures that cover every learning objective. In addition, all instructor resources have been updated to accompany this edition of the book, including the PowerPoint presentations and

Test Bank. MyAccountingLab® not included. Students, if MyAccountingLab is a recommended/mandatory component of the course, please ask your instructor for the correct ISBN and course ID. MyAccountingLab should only be purchased when required by an instructor. Instructors, contact your Pearson representative for more information. MyAccountingLab is an online homework, tutorial, and assessment product designed to personalize learning and improve results. With a wide range of interactive, engaging, and assignable activities, students are encouraged to actively learn and retain tough course concepts. Intermediate Accounting Prentice Hall 'International Financial Reporting' delivers a focused, user-friendly introduction to international financial

reporting and how to implement the IASB standards for undergraduate students. With more than 140 countries in the world now using international financial reporting standards (IFRSr Standards), knowledge of the standards issued by the International Accounting Standards Board (IASBr) is vital to students' success in financial accounting. Melville's International Financial Reporting employs a practical, applied approach in exploring and explaining the key international standards. With a focus on how to implement the standards, this text delivers a focused, user-friendly introduction to international financial reporting. Renowned for clear and concise language, this seventh edition brings the book completely up-to-date with international standards issued as of 1 January 2019.

Financial Accounting Pearson

For courses in intermediate accounting. Help students think like accountants -- from the first day of

class through their careers Thinking like an accountant isn't just rote memorization of accounting rules. Rather, it's developing the judgment and decision-making skills needed to form accounting estimates and evaluate financial statements critically. With its focus on conceptual framework fundamentals and critical thinking, Gordon, Raedy, and Sannella's Intermediate Accounting, 2nd Edition gives readers the opportunity to develop problem-solving skills, apply their judgment, and work with real company financials. After mastering these essential skills, students will be ready to pass the CPA exam, and able to think like accountants. Also available with MyLab Accounting By combining trusted authors' content with digital tools and a flexible platform, MyLab personalizes the learning experience and improves results for each student.
