Earn College Credit with REA's
Test Prep for CLEP® Financial
Accounting Everything you need

to pass the exam and get the college credits you deserve. CLEP® is the most popular credit-by-examination program in the country, accepted by more than 2,900 colleges and universities. For over 15 years, REA has helped students pass CLEP® exams and earn college credit while reducing their tuition costs. Our CLEP® test preps are perfect for adults returning to college (or attending for the first time), military service members, high-

school graduates looking to earn college credit, or home-schooled students with knowledge that can translate into college credit. The CLEP® Financial Accounting test prep assesses the skills tested on the official CLEP® exam. Our comprehensive review chapters cover: accounting principles and ethics; forms of business and cycles; the income statement; the balance sheet; statement of cash flows; investments; contingent liabilities, and more. The book includes two full-length practice tests. Each exam comes with detailed feedback on every question. We don't just say which answers are right—we explain why the other answer choices are wrong—so you can identify your strengths and weaknesses while building your skills. REA is the acknowledged leader in CLEP® preparation, with the most extensive library of CLEP® titles available. Our test preps for CLEP® exams help you earn college credit, save on tuition, and get a college degree.

Principles of Accounting is
designed to meet the scope
and sequence requirements
of a two-semester
accounting course that
covers the fundamentals of

financial and managerial accounting. This book is specifically designed to appeal to both accounting and non-accounting majors, exposing students to the core concepts of accounting in familiar ways to build a strong foundation that can be applied across business fields. Each chapter opens with a relatable real-life scenario for today's college student. Thoughtfully designed examples are presented throughout each chapter, allowing students to build on emerging accounting knowledge. Concepts are further reinforced through applicable connections to more detailed business processes. Students are immersed in the "why" as well as the "how" aspects of accounting in order to reinforce concepts and promote comprehension over rote memorization.
