Not illustrated. 1915 edition. Excerpt: ...purchasing for cash farm produce through traveling buyers who take always the full product of a farm--fields, tilled lands, and orchards; doing its own harvesting; sorting such produce into grades at city warehouses; packing the better grades in special packages; selling the better grades, through local and traveling salesmen, at wholesale; selling culls directly at retail; feeding the waste to hogs kept in the suburbs solely for the utilization of that waste; killing, dressing, and selling the pork. 43 Suppose that you are engaged in the manufacture of chair stock. You get some of your raw material by buying sawed lumber, some by buying logs and sawing them, some by buying trees on the stump (you do not buy the land on which they stand) and doing your own

logging, shipping, sawing, etc., and some by buying land, getting off the logs, and then selling the land. Name the ledger accounts that you deem necessary for adequate accounting. How far do the other figures explain for the year 1911 the first three items? 45 You join a summer colony within easy rail communication of the city. A general organization of members of the colony controls a central club-house with grounds. The restaurant privilege is sold to outsiders. Facilities are offered to members for tennis, golf, billiards, bowling, boating, swimming. For all these privileges, fees are charged and expenses are incurred. All excess income is to be carried to a general-purpose fund. Entertainments are provided at club expense. You are chosen president of the club. What ledger accounts should be kept, what items should be carried to each, and what statistics should be gathered? Question practice is essential for all papers, but particularly for P2 as it has a strong 'fear factor'. Questions look intimidating, and it is only once you get into the detail that you realise that there are easy marks on offer. Our examiner-reviewed Practice and Revision Kit gives ample opportunity to practice the long, case study questions, so important in the exam. Three mock exams provide essential exam rehearsal practice. Many questions have marking schemes, so that you can see that the examiner awards marks for these techniques.
