For over ten years, Weygandt, Kieso, Kimmel, Trenholm, Kinnear Accounting Principles has been praised by both students and instructors across the country for its outstanding visual design, its carefully integrated pedagogy, and its excellent writing style and clarity of presentation. Our main focus continues to be 'Student Success in Accounting' and the new fifth edition package further enables both instructors and students to achieve successful learning outcomes. It introduces challenging accounting concepts with examples that are familiar to the student with a stepped-out pedagogy that breaks down complex topics making the material more manageable. This connection to their everyday lives helps build student motivation, a key driver of student time spent on assignments and ultimately their mastery of the concepts. Weygandt Accounting Principles Fifth Canadian Edition enables students to become independent and successful learners by including a variety of additional resources, more opportunities to use technology, and new features that empower students to apply what they have learned in the classroom to the world outside the classroom. The seamlessly integrated digital and print resources to accompany Accounting Principles Fifth Canadian Edition offer additional tools for both instructors and students in order to help students experience success.

While there is a growing interest in IFRS within the US, interest outside the US has exploded. Weygandt's 2nd edition of Financial Accounting: IFRS highlights the integration of more US GAAP rules, a desired feature as more foreign companies find the United States to be their largest market. The highly anticipated new edition retains each of the key features (e.g. TOC, writing style, pedagogy, robust EOC) on which users of Weygandt Financial have come to rely, while putting the focus on international companies/examples, discussing financial accounting principles and procedures within the context of IFRS, and providing EOC exercises/problems that present students with foreign currency examples (e.g. yen, euro) instead of solely U.S. dollars. New features and updates to the new edition include: "Another Perspective" section which presents a US GAAP overview, differences between GAAP and IFRS, etc.; New Understanding U.S. GAAP margin boxes; Updated Chapter-Opener Stories and revised real world insight boxes integrated throughout each chapter; New Common Chart of Accounts; People, Planet, Profit Insight box; More Visual Equation Analysis and Anatomy of a Fraud Boxes; Updated End-of-Chapter Material and a new design.

Accounting Wiley

In the second Canadian edition of Accounting, we have continued with the tradition of focusing on the changing needs of accounting students and their instructors by utilizing feedback from student reviews, an Editorial Advisory Board, and external reviewers. Accounting faculty from all over the country contributed to our book development process in a direct and creative way. Accounting 2nd Canadian Edition takes a learn-by-doing approach to Accounting supported by Example Exercises, Mid-Chapter Illustrative Problems, and plentiful and comprehensive end-of-chapter exercises and problems. The unique Guided Principles System lays out what is to be covered in the Chapter and is an important visual that helps students see the big picture. This integrated learning system helps guide students through the chapter content, leading to better homework outcomes, and

accounting mastery. Students love the Real-World Chapter Openers and the Morning Java Financial Statements which provide a consistent reference point for users who want to see a full set of financial statements. An added critical thinking component and one-third more exercises and problems are key elements of this revision.
