This book is a practical self-study instruction & reference guide that
deals with the concepts & procedures associated with operating a
payroll for a business. It provides the reader with a practical "how to"
approach to the basics of payroll accounting & administration. It
covers the topics of the hiring process, laws affecting payroll
accounting & administration, calculating gross pay, social security &
Medicare taxes, federal withholding taxes & other various deductions.
Certain chapters deal with accounting journal entries for a pay period,
as well as the various payroll accounting records & documents that
must be created, updated & retained by a business. Payroll tax
deposits & preparation of the W-2, W-3, 940, 941 & 1099 forms are
discussed. The book has three appendices, which deal with resource
information on a federal & state level, as well as a complete glossary
& index.

Prepare for career success with firsthand experience in
calculating payroll, completing payroll taxes, and preparing
payroll records and reports. The 2015 edition of
Bieg/Toland's market-leading text addresses all of the latest
laws on payroll. The text focuses on applications rather than

theory, and includes strong end-of-chapter material that
reinforces concepts and provides valuable hands-on
learning experiences. Numerous detailed examples and real
business applications enliven this edition and demonstrate
the relevance of the material. An extensive payroll project
within the last chapter of the book gives students the
opportunity to practice all they have learned, either manually
or using Cengage Learning's General Ledger Software
(CLGL).
