In Defense of Justice Springer Nature

A new edition of the Arthur Ellis Award winning crime novel Arthur Beauchamp, the scholarly, self-doubting legend of the B.C. criminal bar, is enjoying his retirement on B.C.'s Garibaldi Island when he is dragged back to court to defend an old client. Nick 'The Owl' Faloon, one of the world's top jewel thieves, has been accused of raping and murdering a psychologist. Beauchamp has scarcely registered how unlikely it is that the rascally Faloon could commit a savage murder when his own personal life takes an abrupt turn. His new wife, Margaret Blake, organic farmer and environmental activist, has taken up residence 50 feet above ground in a tree of an old-growth forest that she is determined to save for the eagles and from the loggers. Beauchamp shuttles between Vancouver and the island, doing what he can to defend Faloon, save the forest, and rescue his wife. Part courtroom thriller, part classic whodunit, April Fool sees Deverell writing at the top of his form, with a big dollop of humour.

*Eternity Street: Violence and Justice in Frontier Los Angeles* Oxford University Press, USA  
After months of investigating the brutal homicide of a young girl, Detective Abby Hart finally has the evidence she needs. But when the arrest goes terribly wrong, Abby begins to doubt her future as a police officer. As she wrestles with conflicting emotions, old questions about the fire that took her parents' lives come back to haunt her. "There is proof." PI Luke Murphy can't stop thinking about what Abby's former partner, Asa Foster, mumbled just before he died. When he uncovers a clue to the murder of Abby's parents and his uncle, he's reluctant to tell Abby, despite his growing feelings for the beautiful detective. A decade old abduction case brings Luke and Abby together, but will his secret tear them apart?  
*The Cold Dish* NavPress

Tess O'Rourke dreams of becoming the first female chief of police in Long Beach, California. As commander of the East Division, she is well on her way . . . until the night she responds to an officer-needs-assistance call and fatally shoots an unarmed teenager. Despite being cleared of wrongdoing by a grand jury, Tess is so hounded by the public that she takes a job in Oregon to escape the bad press. Winning over the residents of Rogue's Hollow might be more difficult than adjusting to her new role as police chief in the small, backwater town. Especially when her closest friend, the pastor's wife, goes missing and the woman's cousin is found shot. Tess finds an ally in sheriff's deputy Steve Logan, but as they track down Rogue's Hollow's first murderer, she worries that she's breaking one of her rules and getting too close to him.

*The True Confessions of Charlotte Doyle* (Scholastic Gold) NavPress

Police Chief Tess O'Rourke thought she'd taken care of her small town's drug problem last year. But now Rogue's Hollow residents are up in arms over a contentious vote on legalizing the sale of marijuana within city limits. And when an eighteen-year-old is found dead of a possible overdose, Tess wonders if the local pot farms might be involved and begins to fear that a new, deadlier drug supply chain has cropped up. As tempers flare and emotions boil over, Tess faces the possibility of losing the town's support. With her relationship to Sergeant Steve Logan on shaky ground, Tess could really use a friend, and she feels drawn to Pastor Oliver Macpherson's quiet presence. But the anger she holds over her father's death prevents her from embracing his faith and finding peace. Battling storms within and without, Tess is shocked when a familiar face from her past shows up in town to stir up more trouble. And his threats against Tess may prove lethal.

This collection bundles all three of Janice Cantore's exciting Pacific Coast Justice novels into one e-book for a great value! Accused Detective Carly Edwards hates working in juvenile—where the brass put her after an officer-involved shooting—and longs to be back on patrol. So when a troubled youth, Londy Atkins, is arrested for the murder of the mayor and Carly is summoned to the crime scene, she's eager for some action. Carly presses Londy for a confession but he swears his innocence, and despite her better judgment, Carly is inclined to believe him. Yet homicide is convinced of his guilt and is determined to convict him. Carly's ex-husband and fellow police officer, Nick, appears to be on her side. He's determined to show Carly that he's a changed man and win her back, but she isn't convinced he won't betray her again. Abducted After solving the mayor's murder and exposing corruption among the top brass in Las Playas, Carly Edwards is happy to be back on patrol with her partner, Joe, putting bad guys behind bars. For once, everything in life seems to be going right. But then everything starts going wrong. Slow to recover from an injury, her ex-husband, Nick, begins pulling away just as they were starting to get close again. Meanwhile, when Joe's wife lands in the hospital with a mysterious illness, their baby is kidnapped. As Carly chases down every lead in a desperate search to find the baby, her newfound faith is pushed to its limits. Avenged When Officer Carly Edwards finds three young gangbangers shot execution style, she and her husband, Sergeant Nick Anderson, head of the gang unit, fear Las Playas may be on the verge of a gang war. The Las Playas PD is put on high alert as tensions escalate between rival gangs, especially after Carly confiscates weapons from a gang leader and learns they were stolen from a military base along with explosive devices. But something isn't adding up, and Carly suspects there might be more going on. As she prepares to testify at a major trial, Carly's reputation is shredded by a reporter apparently trying to discredit her professionally. Facing pressure on all fronts, Carly must rely on faith and trust God in a deeper way during one of the biggest struggles of her career.

"[A] fascinating account of the twisted threads of murder, ethnic violence and mob justice in 19th century Southern California." —Jill Leovy, author of *Ghettoside: A History of Murder in America*, in the Los Angeles Times Los Angeles is a city founded on blood. Once a small Mexican pueblo teeming with Californios, Indians, and Americans, all armed with Bowie knives and Colt revolvers, it was among the most murderous locales in the Californian frontier. In *Eternity Street: Violence and Justice in Frontier Los Angeles*, "a vivid, disturbing portrait of

early Los Angeles" (Publishers Weekly), John Mack Faragher weaves a riveting narrative of murder and mayhem, featuring a cast of colorful characters vying for their piece of the city. These include a newspaper editor advocating for lynch laws to enact a crude manner of racial justice and a mob of Latinos preparing to ransack a county jail and murder a Texan outlaw. In this "groundbreaking" (True West) look at American history, Faragher shows us how the City of Angels went from a lawless outpost to the sprawling metropolis it is today.

"Will likely be the definitive biography. . . a detailed and fascinating account of how the Supreme Court functioned during Brennan's long tenure." —Publishers Weekly (starred review) This is a compelling inside look at the life of William Brennan, a champion of free speech who is widely considered the most influential Supreme Court justice of the twentieth century. Before his death, Brennan granted Stephen Wermiel access to volumes of personal and court materials that at the time were sealed to the public for another two decades. This "coveted set of documents," as Jeffrey Toobin described it, includes Brennan's case histories—in which he recorded strategies behind major battles including *Roe v. Wade*, affirmative action, the death penalty, obscenity law, and the constitutional right to privacy—as well as more personal documents that reveal some of Brennan's curious contradictions, like his refusal to hire female clerks even as he wrote groundbreaking women's rights decisions; his complex stance as a justice and a Catholic; and details on Brennan's unprecedented working relationship with Chief Justice Earl Warren. In this biography, Wermiel and Seth Stern distill decades of valuable information into a seamless, riveting portrait of the man behind the Court's most liberal era. "The most comprehensive and well-organized look at the legendary liberal jurist to date." —The New York Times "Seats the reader in Brennan's chambers to listen to his conversations and see the memoranda exchanged with other justices and his law clerks." —Newark Star Ledger "The authors balance differing accounts of Brennan the jurist and the man, presenting an evenhanded portrait of the affable but stubborn Justice." —Kirkus Reviews

*Crime, Shame and Reintegration* Cambridge University Press

In exploring an array of intimacies between global migrants Nayan Shah illuminates a stunning, transient world of heterogeneous social relations—dignified, collaborative, and illicit. At the same time he demonstrates how the United States and Canada, in collusion with each other, actively sought to exclude and dispossess nonwhite races. *Stranger Intimacy* reveals the intersections between capitalism, the state's treatment of immigrants, sexual citizenship, and racism in the first half of the twentieth century.

*Snow Falling on Cedars* HarperCollins

"Time travel, UFOs, mysterious planets, stigmata, rock-throwing poltergeists, huge footprints, bizarre rains of fish and frogs—nearly a century after Charles Fort's *Book of the Damned* was originally published, the strange phenomenon presented in this book remains largely unexplained by modern science. Through painstaking research and a witty, sarcastic style, Fort captures the imagination while exposing the flaws of popular scientific explanations. Virtually all of his material was compiled and documented from reports published in reputable journals, newspapers and periodicals because he was an avid collector. Charles Fort was somewhat of a recluse who spent most of his spare time researching these strange events and collected these reports from publications sent to him from around the globe. This was the first of a series of books he created on unusual and unexplained events and to this day it remains the most popular. If you agree that truth is often stranger than fiction, then this book is for you!"—Taken from Good Reads website.

ASALH 2023 Book Prize Winner A lively living history of anti-colonialist movements across the Atlantic, Pacific, and Indian Oceans Oceania is a vast sea of islands, large scale political struggles and immensely significant historical phenomena. *Pasifika Black* is a compelling history of understudied anti-colonial movements in this region, exploring how indigenous Oceanic activists intentionally forged international connections with the African world in their fights for liberation. Drawing from research conducted across Fiji, Australia, Vanuatu, Papua New Guinea, Britain, and the United States, Quito Swan shows how liberation struggles in Oceania actively engaged Black internationalism in their diverse battles against colonial rule. *Pasifika Black* features as its protagonists Oceania's many playwrights, organizers, religious leaders, scholars, Black Power advocates, musicians, environmental justice activists, feminists, and revolutionaries who carried the banners of Black liberation across the globe. It puts artists like Aboriginal poet Oodgeroo Noonuccal and her 1976 call for a Black Pacific into an extended conversation with Nigeria's Wole Soyinka, the Nuclear Free and Independent Pacific's Amelia Rokotuivuna, Samoa's Albert Wendt, African American anthropologist Angela Gilliam, the NAACP's Roy Wilkins, West Papua's Ben Tanggahma, New Caledonia's Déwé Gorodey, and Polynesian Panther Will 'Ilolahia. In so doing, Swan displays the links Oceanic activists consciously and painstakingly formed in order to connect Black metropolises across the Atlantic, Pacific, and Indian Oceans. In a world grappling with the global significance of Black Lives Matter and state-sanctioned violence against Black and Brown bodies, *Pasifika Black* is a both triumphant history and tragic reminder of the ongoing quests for decolonization in Oceania, the African world, and the Global South.  
*Crisis Shot* NavPress

Officer Brinna Caruso wants perfection—perfect justice and a perfect world. She wants to save and protect all the innocents in the world, no matter the cost. Orphaned and struggling to get by, Ivana and her sister left Bulgaria for America with dreams of a better life. But since they arrived in Long Beach, everything they were promised has turned out to be a lie. After a dead girl is found in the river with a mysterious tattoo on her hip, homicide detective Jack O'Reilly asks for Brinna's help. Unaware of the depths of evil that will be uncovered, Brinna finds herself flung into a dangerous frontier—an organized human trafficking ring.

**Burning Proof** Oxford University Press

Introducing Wyoming's Sheriff Walt Longmire in this riveting novel from the New York Times bestselling author of *Hell Is Empty* and *As the Crow Flies*, the first in the Longmire Mystery Series, the basis for *LONGMIRE*, the hit Netflix original drama series. Fans of Ace Atkins, Nevada Barr and Robert B. Parker will love this outstanding first novel, in which New York Times bestselling author Craig Johnson introduces Sheriff Walt Longmire of Wyoming's Absaroka County. Johnson draws on his deep attachment to the American West to produce a literary mystery of stunning authenticity, and full of memorable characters. After twenty-five years as sheriff of Absaroka County, Walt Longmire's hopes of finishing out his tenure in peace are dashed when Cody Pritchard is found dead near the Northern Cheyenne Reservation. Two years earlier, Cody has been one of four high school boys given suspended sentences for raping a local Cheyenne girl. Somebody, it would seem, is seeking vengeance, and Longmire might be the only thing standing between the three remaining boys and a Sharps .45-70 rifle. With lifelong friend Henry Standing Bear, Deputy Victoria Moretti, and a cast of characters both tragic and humorous enough to fill in the vast emptiness of the high plains, Walt Longmire attempts to see that revenge, a dish best served cold, is never served at all.

Avi's treasured Newbery Honor Book now in expanded After Words edition! Thirteen-year-old Charlotte Doyle is excited to return home from her school in England to her family in Rhode Island in the summer of 1832. But when the two families she was supposed to travel with mysteriously cancel their trips, Charlotte finds herself the lone passenger on a long sea voyage with a cruel captain and a mutinous crew. Worse yet, soon after stepping aboard the ship, she becomes enmeshed in a conflict between them! What begins as an eagerly anticipated ocean crossing turns into a harrowing journey, where Charlotte gains a villainous enemy . . . and is put on trial for murder! After Words material includes author Q & A, journal writing tips, and other activities that bring Charlotte's world to life!

Research Methods in Criminal Justice and Criminology Penguin Group

This fascinating book is the first volume in a projected cultural history of the United States, from the earliest English settlements to our own time. It is a history of American folkways as they have changed through time, and it argues a thesis about the importance for the United States of having been British in its cultural origins. While most people in the United States today have no British ancestors, they have assimilated regional cultures which were created by British colonists, even while preserving ethnic identities at the same time. In this sense, nearly all Americans are "Albion's Seed," no matter what their ethnicity may be. The concluding section of this remarkable book explores the ways that regional cultures have continued to dominate national politics from 1789 to 1988, and still help to shape attitudes toward education, government, gender, and violence, on which differences between American regions are greater than between European nations.

**Cold Aim** Tyndale House Publishers, Inc.

*Crime, Shame and Reintegration* is a contribution to general criminological theory. Its approach is as relevant to professional burglary as to episodic delinquency or white collar crime.

Braithwaite argues that some societies have higher crime rates than others because of their different processes of shaming wrongdoing. Shaming can be counterproductive, making crime problems worse. But when shaming is done within a cultural context of respect for the offender, it can be an extraordinarily powerful, efficient and just form of social control. Braithwaite identifies the social conditions for such successful shaming. If his theory is right, radically different criminal justice policies are needed - a shift away from punitive social control toward greater emphasis on moralizing social control. This book will be of interest not only to criminologists and sociologists, but to those in law, public administration and politics who are concerned with social policy and social issues.

*Crimes Committed by Terrorist Groups* HarperCollins

Winner of the Shamus Award and Lefty Award Would you risk your own soul to avenge the death of a loved one? A phone call thrusts Rick Cahill's past and all its tragic consequences into his present. Krista Landingham, his former partner on the Santa Barbara Police Department, is dead. When Rick goes to the funeral in the city where his wife was murdered and where he is seen as guilty for her death in the eyes of the police, he discovers that Krista's death may not have been a tragic accident, but murder. Hired by Krista's sister, Leah, to investigate, Rick follows clues that lead him to the truth, not only about Krista's death, but about the tragedy that ruined his life. Along the way, Leah shows him that his life can be salvaged, and he can feel love again if he can just move beyond his past. But the past is Rick's present and will always be until he rights his one great wrong. In the end, Rick is left with a decision that forces him to confront the horrific actions he'll need to take to exact revenge and achieve redemption. A hard-boiled PI thriller perfect for fans of Robert Crais and T. Jefferson Parker. While all of the novels in the Rick Cahill PI Crime Series stand on their own and can be read in any order, the publication sequence is: Yesterday's Echo Night Tremors Dark Fissures Blood Truth Wrong Light Lost Tomorrows Blind Vigil Last Redemption Doomed Legacy

**The Book of the Damned** Tyndale Fiction

Motions shape the battlefield of courtroom practice. Whether providing advanced knowledge of the admissibility of alleged prior bad acts by a client or seeking a ruling on a proposed panel instruction, motions in military practice are instrumental in preparing for the war of a court-martial trial. Failing to approach motions practice as a pivotal step in shaping the battlefield for the war of a court-martial trial does a disservice to one's client. This book dares you to step away from the "shared drive" and instead to take a fresh approach with each motion for every case. I have dissected my own process and am providing the insight that I derived for your benefit in the form of this book. My law firm's mantra is that we want to be where we can do the most good. My goal for this book is the same: to elevate the practice. One motion at a time.
