We meet the expense of you this proper as well as simple artifice to get those all. We have the funds for Accused Pacific Coast Justice 1 Janice Cantore and numerous books collections from fictions to scientific research in any way. in the middle of them is this Accused Pacific Coast Justice 1 Janice Cantore that can be your partner.

Revell

"Grips you by the throat from beginning to end."—Cleveland Plain Dealer *ALONE WITH HER NEW HUSBAND* on a tiny Pacific atoll, a young woman, combing the beach, finds an odd aluminum container washed up out of the lagoon, and beside it on the sand something glitters: a gold tooth in a scorched human skull. The investigation that follows uncovers an extraordinarily complex and puzzling true-crime story. Only Vincent Bugliosi, who recounted his successful prosecution of mass murderer Charles Manson in the bestseller *Helter Skelter*, was able to draw together the hundreds of conflicting details of the mystery and reconstruct what really happened when four people found hell in a tropical paradise. And the *Sea Will Tell* reconstructs the events and subsequent trial of a riveting true murder mystery, and probes into the dark heart of a serpentine scenario of death.

A Promise to Protect Tyndale House Publishers, Inc.

Twenty-seven years after the deaths of Detective Abby Hart's parents, she's desperate to find the proof that will put the mastermind—the governor's wife—behind bars. When she joins a newly formed task force and teams up with PI Luke Murphy, Abby is sent to San Luis Obispo to work the cold case of a murdered college student.

Realizing their investigation will bring them near the town where Alyssa Rollins grew up, Abby decides to do a little digging of her own into the Triple Seven fire. Luke is eager to help Abby close the books on a case they both have personal stakes in. But as she uncovers long-held secrets, Abby stumbles into an explosive situation, and Luke fears that her obsession may prove deadly.

Pre-Incident Indicators of Terrorist

Incidents University of Pennsylvania Press

When Officer Carly Edwards finds three young gangbangers shot execution style, she and her husband, Sergeant Nick Anderson, head of the gang unit, fear Las Playas may be on the verge of a gang war. Tensions escalate between rival gangs, especially after Carly confiscates weapons from a gang leader and learns they were stolen from a military base along with explosive devices. But something isn't adding up, and as Carly prepares to testify at a major trial, her reputation is shredded by a reporter apparently trying to discredit her professionally. Facing pressure on all fronts, Carly must rely on faith and trust God in a deeper way during

one of the biggest struggles of her career.

Japanese American Incarceration CIFOR

In a tragically short lifetime, Jassi Sidhu sacrificed much, endured more, and staked it all. When she was 21, the Canadian met Mithu, a struggling rickshaw driver from a landlocked village in India. After they secretly married, contract killers received the order to kill them both.

Abducted DIANE Publishing

"Japanese American Incarceration argues that the incarceration of Japanese Americans created a massive system of prison labor that blurred the lines between free and forced work during World War II"--

Juvenile Crime, Juvenile Justice National Academies Press

Police Chief Tess O'Rourke thought she'd taken care of her small town's drug problem last year. But now Rogue's Hollow residents are up in arms over a contentious vote on legalizing the sale of marijuana within city limits. And when an eighteen-year-old is found dead of a possible overdose, Tess wonders if the local pot farms might be involved and begins to fear that a new, deadlier drug supply chain has cropped up. As tempers flare and emotions boil over, Tess faces the possibility of losing the town's support. With her relationship to Sergeant Steve Logan on shaky ground, Tess could really use a friend, and she feels drawn to Pastor Oliver Macpherson's quiet presence. But the anger she holds over her father's death prevents her from embracing his faith and finding peace. Battling storms within and without, Tess is shocked when a familiar face from her past shows up in town to stir up more trouble. And his threats against Tess may prove lethal.

The best country-by-country assessment of human rights. The human rights records of more than ninety countries and territories are put into perspective in Human Rights Watch's signature yearly report. Reflecting extensive investigative work undertaken by Human Rights Watch staff, in close partnership with domestic human rights activists, the annual World Report is an invaluable resource for journalists, diplomats, and citizens, and is a must-read for anyone interested in the fight to protect human rights in every corner of the globe.

Catching Heat W. W. Norton & Company

Tess O'Rourke dreams of becoming the first female chief of police in Long Beach, California. As commander of the East Division, she is well on her way... until the night she responds to an officer-needs-assistance call and fatally shoots an unarmed teenager. Despite being cleared of wrongdoing by a grand jury, Tess is so hounded by the public that she takes a job in Oregon to escape the bad press. Winning over the residents of Rogue's Hollow might be more difficult than adjusting to her new role as police chief in the small, backwater town. Especially when her closest friend, the pastor's wife, goes missing and the woman's cousin is found shot. Tess finds an ally in sheriff's deputy Steve Logan, but as they track down Rogue's Hollow's first murderer, she worries that she's breaking one of her rules and getting too close to him.

Greening Justice Houghton Mifflin Harcourt

As a police officer in Table Rock, Oregon, Leah Radcliff puts her life on the line to help others every day. But at home, Leah's battling her own personal nightmare: Brad, her abusive husband, a fellow officer, celebrated hero, and beloved son of a powerful prominent family. Brad's violent outbursts and suspicious activities have left Leah physically and emotionally scarred, until one desperate action to put a stop to his abuse results in deadly consequences. Though public opinion seems ready to convict Leah, Officer Clint Tanner is one of the few to believe she acted in self-defense. As he works with Leah's attorney to produce the evidence they need, new truths about Brad's dark side come to light—and reveal a deep-rooted problem in Table Rock. There are some who have breached their sworn duty to serve and protect . . . and they'll do anything to keep their secret safe.

Justice for Jassi Cambridge University Press

Even though youth crime rates have fallen since the mid-1990s, public fear and political rhetoric over the issue have heightened. The Columbine shootings and other sensational incidents add to the furor. Often overlooked are the underlying problems of child poverty, social disadvantage, and the pitfalls inherent to adolescent decisionmaking that contribute to youth crime. From a policy standpoint, adolescent offenders are caught in the crossfire between nurturance of youth and punishment of criminals, between rehabilitation and "get tough" pronouncements. In the midst of this emotional debate, the National Research Council's Panel on Juvenile Crime steps forward with an authoritative review of the best available data and analysis. Juvenile Crime, Juvenile Justice presents recommendations for addressing the many aspects of America's youth crime problem. This timely release discusses patterns and trends in crimes by children and adolescents--trends revealed by arrest data, victim reports, and other sources; youth crime within general crime; and race and sex disparities. The book explores desistance--the probability that delinquency or criminal activities decrease with age--and evaluates different approaches to predicting future crime rates. Why do young people turn to delinquency? Juvenile Crime, Juvenile Justice presents what we know and what we urgently need to find out about contributing factors, ranging from prenatal care, differences in temperament, and family influences to the role of peer relationships, the impact of the school policies toward delinquency, and the broader influences of the neighborhood and community. Equally important, this book examines a range of solutions: Prevention and intervention efforts directed to individuals, peer groups, and families, as well as day care-, school- and community-based initiatives. Intervention within the juvenile justice system. Role of the police. Processing and detention of youth offenders. Transferring youths to the adult judicial system. Residential placement of juveniles. The book includes background on the American juvenile court system, useful comparisons with the juvenile justice systems of other nations, and other important information for assessing this problem.

The Man in the High Castle Nazi War Crimes and Japanese Imperial Government Records Int

After months of investigating the brutal homicide of a young girl, Detective Abby Hart finally has the evidence she needs. But when the arrest goes terribly wrong, Abby begins to doubt her future as a police officer. As she wrestles with conflicting emotions, old questions about the fire that took her parents' lives come back to haunt her. "There is proof." PI Luke Murphy can't stop thinking about what Abby's former partner, Asa Foster, mumbled just before he died. When he uncovers a clue to the murder of Abby's parents and his uncle, he's reluctant to tell Abby, despite his growing feelings for the beautiful detective. A decade-old abduction case brings Luke and Abby together, but will his secret tear them apart?

Critical Pursuit Tyndale House Publishers, Inc.

Officer Brinna Caruso has built a reputation at the precinct as the cop to call when a child goes missing. For Brinna, it's personal because she was once one of them. Brinna and her K-9 search and rescue dog, Hero, will stop at nothing to find a missing child, no matter the stakes. Detective Jack O'Reilly isn't ready to return to his homicide duties, after losing his wife to a drunk driver. He's on the downside of his career, and bent on revenge, when he's assigned as Brinna's partner. While on patrol, Jack struggles between his quest for personal justice and his responsibility to those around him, especially his partner. Skeptical of Jack's motives,

Brinna isn't sure she can rely on her new partner, whose reckless abandon endangers the safety of those around him. But when a man surfaces with an MO similar to the criminal who abducted Brinna twenty years earlier, Brinna and Jack must cast aside previous judgments and combine efforts to catch the kidnapper, and finally allow Brinna the peace stolen from her as a child.

And the Sea Will Tell Tyndale House Publishers, Inc.

What a rare mushroom can teach us about sustaining life on a fragile planet Matsutake is the most valuable mushroom in the world—and a weed that grows in human-disturbed forests across the northern hemisphere. Through its ability to nurture trees, matsutake helps forests to grow in daunting places. It is also an edible delicacy in Japan, where it sometimes commands astronomical prices. In all its contradictions, matsutake offers insights into areas far beyond just mushrooms and addresses a crucial question: what manages to live in the ruins we have made? A tale of diversity within our damaged landscapes, The Mushroom at the End of the World follows one of the strangest commodity chains of our times to explore the unexpected corners of capitalism. Here, we witness the varied and peculiar worlds of matsutake commerce: the worlds of Japanese gourmets, capitalist traders, Hmong jungle fighters, industrial forests, Yi Chinese goat herders, Finnish nature guides, and more. These companions also lead us into fungal ecologies and forest histories to better understand the promise of cohabitation in a time of massive human destruction. By investigating one of the world's most sought-after fungi, The Mushroom at the End of the World presents an original examination into the relation between capitalist destruction and collaborative survival within multispecies landscapes, the prerequisite for continuing life on earth.

Code of Courage Accused

This is a print on demand edition of a hard to find publication.
