Visible Threat Tyndale House Publishers, Inc.

Black women in marginalized communities are uniquely at risk of battering, rape, sexual harassment, stalking and incest. Through the compelling stories of Black women who have been most affected by racism, persistent poverty, class inequality, limited access to support resources or institutions, Beth E. Richie shows that the threat of violence to Black women has never been more serious, demonstrating how conservative legal, social, political and economic policies have impacted activism in the U.S.-based movement to end violence against women. Richie argues that Black women face particular peril because of the ways that race and culture have not figured centrally enough in the analysis of the causes and consequences of gender violence. As a result, the extent of physical, sexual and other forms of violence in the lives of Black women, the various forms it takes, and the contexts within which it occurs are minimized—at best—and frequently ignored. *Arrested Justice* brings issues of sexuality, class, age, and criminalization into focus right alongside questions of public policy and gender violence, resulting in a compelling critique, a passionate re-framing of stories, and a call to action for change.

"O" is for Outlaw DIANE Publishing

A New York Times Notable Book: In 2025, with the world descending into madness and anarchy, one woman begins a fateful journey toward a better future. "A stunner." —Flea, musician and actor, *The Wall Street Journal* Lauren Olamina and her family live in one of the only safe neighborhoods remaining on the outskirts of Los Angeles. Behind the walls of their defended enclave, Lauren's father, a preacher, and a handful of other citizens try to salvage what remains of a culture that has been destroyed by drugs, disease, war, and chronic water shortages. While her father tries to lead people on the righteous path, Lauren struggles with hyperempathy, a condition that makes her extraordinarily sensitive to the pain of others. When fire destroys their compound, Lauren's family is killed and she is forced out into a world that is fraught with danger. With a handful of other refugees, Lauren must make her way north to safety, along the way conceiving a revolutionary idea that may mean salvation for all mankind. This ebook features an illustrated biography of Octavia E. Butler including rare images from the author's estate.

A Promise to Protect Tyndale House Pub

In an extraordinary blend of narrative history, personal recollection, & oral testimony, the author presents a sweeping history of Asian Americans. He writes of the Chinese who laid tracks for the transcontinental railroad, of plantation laborers in the canefields of Hawaii, of "picture brides" marrying strangers in the hope of becoming part of the American dream. He tells stories of Japanese Americans behind the barbed wire of U.S. internment camps during World War II, Hmong refugees tragically unable to adjust to Wisconsin's alien climate & culture, & Asian American students stigmatized by the stereotype of the "model minority." This is a powerful &

moving work that will resonate for all Americans, who together make up a nation of immigrants from other shores.

Accused NavPress

The best country-by-country assessment of human rights. The human rights records of more than ninety countries and territories are put into perspective in Human Rights Watch's signature yearly report. Reflecting extensive investigative work undertaken by Human Rights Watch staff, in close partnership with domestic human rights activists, the annual World Report is an invaluable resource for journalists, diplomats, and citizens, and is a must-read for anyone interested in the fight to protect human rights in every corner of the globe.

In the Matter of Josef Mengele Tyndale House Publishers, Inc.

In a tragically short lifetime, Jassi Sidhu sacrificed much, endured more, and staked it all. When she was 21, the Canadian met Mithu, a struggling rickshaw driver from a landlocked village in India. After they secretly married, contract killers received the order to kill them both.

Beyond Victor's Justice? The Tokyo War Crimes Trial Revisited

Houghton Mifflin Harcourt

Birmingham, Alabama, has lost all power. Its streets are jammed with cars that won't start, its airport engulfed in flames from burning planes. All communications—cell phones, computers, even radios—are silent. Every home and business is dark. Is it a natural disaster . . . a terrorist attack . . . or something far worse?

In the face of a crisis that sweeps an entire high-tech planet back to a time before electricity, the Branning family faces a choice. Will they hoard their possessions in order to survive—or trust God to provide as they share their resources with those around them? Yesterday's world is gone. Family and community are all that remain. And the outage is revealing the worst in some.

Desperation can be dangerous when a killer lives among them.

New York Times bestselling suspense author Terri Blackstock weaves a masterful what-if novel in which global catastrophe reveals the darkness in human hearts—and lights the way to restoration for a self-centered world. "Blackstock is absolutely masterful at bringing spiritual dilemmas to the surface and allowing readers to wrestle with them alongside her characters."

—RT Book Reviews, 4.5 stars (of Dawn's Light)

Drawing Fire BRILL

Twenty-seven years after the deaths of Detective Abby Hart's parents, she's desperate to find the proof that will put the mastermind—the governor's wife—behind bars. When she joins a newly formed task force and teams up with PI Luke Murphy, Abby is sent to San Luis Obispo to work the cold case of a murdered college student. Realizing their investigation will bring them near the town where Alyssa Rollins grew up, Abby decides to do a little digging of her own into the Triple Seven fire. Luke is eager to help Abby close the books on a case they both have personal stakes in. But as she uncovers long-held secrets, Abby stumbles into an explosive situation, and

Luke fears that her obsession may prove deadly.

Final Report, Japanese Evacuation from the West Coast, 1942 Tyndale House Publishers, Inc.

As a police officer in Table Rock, Oregon, Leah Radcliff puts her life on the line to help others every day. But at home, Leah's battling her own personal nightmare: Brad, her abusive husband, a fellow officer, celebrated hero, and beloved son of a powerful prominent family. Brad's violent outbursts and suspicious activities have left Leah physically and emotionally scarred, until one desperate action to put a stop to his abuse results in deadly consequences. Though public opinion seems ready to convict Leah, Officer Clint Tanner is one of the few to believe she acted in self-defense. As he works with Leah's attorney to produce the evidence they need, new truths about Brad's dark side come to light—and reveal a deep-rooted problem in Table Rock. There are some who have breached their sworn duty to serve and protect . . . and they'll do anything to keep their secret safe.

Avenged Accused

Police Chief Tess O'Rourke thought she'd taken care of her small town's drug problem last year. But now Rogue's Hollow residents are up in arms over a contentious vote on legalizing the sale of marijuana within city limits. And when an eighteen-year-old is found dead of a possible overdose, Tess wonders if the local pot farms might be involved and begins to fear that a new, deadlier drug supply chain has cropped up. As tempers flare and emotions boil over, Tess faces the possibility of losing the town's support. With her relationship to Sergeant Steve Logan on shaky ground, Tess could really use a friend, and she feels drawn to Pastor Oliver Macpherson's quiet presence. But the anger she holds over her father's death prevents her from embracing his faith and finding peace. Battling storms within and without, Tess is shocked when a familiar face from her past shows up in town to stir up more trouble. And his threats against Tess may prove lethal.

Code of Courage CIFOR

A New York Times Bestselling Author When thirteen-year-old Allegra walks into Rosato and Associates alone seeking representation to free a man she believes was wrongly convicted of her sister's murder? Mary DiNunzio is compelled to help. With Allegra's parents against her decision to investigate? Mary thinks she's finally taken on more than she can handle. But she can't shake the feeling that Allegra just might be right and a killer is still on the loose. No matter the cost? Mary must vindicate the accused.

Burning Proof Open Road Media

After months of investigating the brutal homicide of a young girl, Detective Abby Hart finally has the evidence she needs. But when the arrest goes terribly wrong, Abby begins to doubt her future as a police officer. As she wrestles with conflicting emotions, old questions about the fire that took her parents' lives come back to haunt her. "There is proof." PI Luke Murphy can't stop thinking about what Abby's former partner, Asa Foster, mumbled just before he died. When he uncovers a clue to the murder of Abby's parents and his uncle, he's reluctant to tell Abby, despite his growing feelings for the beautiful detective. A decade-old abduction case brings Luke and Abby together, but will his secret tear them apart?

Arrested Justice W. W. Norton & Company

Detective Danni Grace has never met a police officer who wants to face a scenario where pulling the trigger on another person is the only option. When the worst does occur and there's a police-involved shooting, it leads to riots and calls to disband the entire police force in La Rosa, Danni's hometown. After fifteen years on the force, Danni has had enough. Injured in the line of duty when a protester throws a chunk of concrete at her and shaken by the vitriol being shown to the police, Danni realizes for the first time that she's lost her passion for the job. While she's on a leave of absence, though, a community activist in La Rosa is shot and a fellow officer is blamed for his murder. Taking on this case means stepping back into a job Danni's not sure she can do anymore . . . and working closely with her ex-husband, Gabriel Fox, an investigator for the city prosecutor's office. Danni will need to tap into her code of courage to uncover the truth, prevent another injustice, and uphold her oath to serve and protect.

Researching Japanese War Crimes Records Tyndale House Publishers, Inc.

Tess O'Rourke dreams of becoming the first female chief of

police in Long Beach, California. As commander of the East Division, she is well on her way . . . until the night she responds to an officer-needs-assistance call and fatally shoots an unarmed teenager. Despite being cleared of wrongdoing by a grand jury, Tess is so hounded by the public that she takes a job in Oregon to escape the bad press. Winning over the residents of Rogue's Hollow might be more difficult than adjusting to her new role as police chief in the small, backwater town. Especially when her closest friend, the pastor's wife, goes missing and the woman's cousin is found shot. Tess finds an ally in sheriff's deputy Steve Logan, but as they track down Rogue's Hollow's first murderer, she worries that she's breaking one of her rules and getting too close to him.

Critical Pursuit Tyndale House Publishers, Inc.

The Decision to Evacuate the Japanese from the Pacific Coast Seven Stories Press

After solving the mayor's murder and exposing corruption among the top brass in Las Playas, Carly Edwards is happy to be back on patrol with her partner, Joe, putting bad guys behind bars. For once, everything in life seems to be going right. But then everything starts going wrong. Slow to recover from an injury, her ex-husband, Nick, begins pulling away just as they were starting to get close again. Meanwhile, when Joe's wife lands in the hospital with a mysterious illness, their baby is kidnapped. As Carly chases down every lead in a desperate search to find the baby, her newfound faith is pushed to its limits.

Strangers from a Different Shore Cambridge University Press
When their sixteen-year-old daughter Meg is abducted, Jillian and Colton are frantic to find her. But how can they negotiate with a kidnapper who has no demands . . . beyond revenge?

The Mushroom at the End of the World DIANE Publishing

"This report lays out a decision-making framework for creating an ECT [environmental court and tribunal] that can be useful in different legal cultures and political situations. It provides the tools and support necessary to enhance access to environmental justice in countries around the world that, in turn, will advance the principles of environmental protection, sustainable development, and intergenerational equity through the institutions responsible for delivering environmental justice"--Introd.

World Report 2022 Large Print Press

Even though youth crime rates have fallen since the mid-1990s, public fear and political rhetoric over the issue have heightened. The Columbine shootings and other sensational incidents add to the furor. Often overlooked are the underlying problems of child poverty, social disadvantage, and the pitfalls inherent to adolescent decisionmaking that contribute to youth crime. From a policy standpoint, adolescent offenders are caught in the crossfire between nurturance of youth and punishment of criminals, between rehabilitation and "get tough" pronouncements. In the midst of this emotional debate, the National Research Council's Panel on Juvenile Crime steps forward with an authoritative review of the best available data and analysis. Juvenile Crime, Juvenile Justice presents recommendations for addressing the many aspects of America's youth crime problem. This timely release discusses patterns and trends in crimes by children and adolescents--trends revealed by arrest data, victim reports, and other sources; youth crime within general crime; and race and sex disparities. The book explores desistance--the probability that delinquency or criminal activities decrease with age--and

evaluates different approaches to predicting future crime rates.

Why do young people turn to delinquency? *Juvenile Crime, Juvenile Justice* presents what we know and what we urgently need to find out about contributing factors, ranging from prenatal care, differences in temperament, and family influences to the role of peer relationships, the impact of the school policies toward delinquency, and the broader influences of the neighborhood and community. Equally important, this book examines a range of solutions: Prevention and intervention efforts directed to individuals, peer groups, and families, as well as day care-, school- and community-based initiatives. Intervention within the juvenile justice system. Role of the police. Processing and detention of youth offenders. Transferring youths to the adult judicial system. Residential placement of juveniles. The book includes background on the American juvenile court system, useful comparisons with the juvenile justice systems of other nations, and other important information for assessing this problem.

Greening Justice National Academies Press

What a rare mushroom can teach us about sustaining life on a fragile planet *Matsutake* is the most valuable mushroom in the world—and a weed that grows in human-disturbed forests across the northern hemisphere. Through its ability to nurture trees, matsutake helps forests to grow in daunting places. It is also an edible delicacy in Japan, where it sometimes commands astronomical prices. In all its contradictions, matsutake offers insights into areas far beyond just mushrooms and addresses a crucial question: what manages to live in the ruins we have made? A tale of diversity within our damaged landscapes, *The Mushroom at the End of the World* follows one of the strangest commodity chains of our times to explore the unexpected corners of capitalism. Here, we witness the varied and peculiar worlds of matsutake commerce: the worlds of Japanese gourmets, capitalist traders, Hmong jungle fighters, industrial forests, Yi Chinese goat herders, Finnish nature guides, and more. These companions also lead us into fungal ecologies and forest histories to better understand the promise of cohabitation in a time of massive human destruction. By investigating one of the world's most sought-after fungi, *The Mushroom at the End of the World* presents an original examination into the relation between capitalist destruction and collaborative survival within multispecies landscapes, the prerequisite for continuing life on earth.

And the Sea Will Tell eBookIt.com

Homicide Detective Abby Hart's parents were murdered and the restaurant they owned set on fire while she was inside-- and only six years old. When an elderly woman with ties to Abby's past becomes a victim of a possible serial killer stalking elderly women in her jurisdiction, the only link is Luke Murphy, an irritating private investigator who saw a suspect flee the latest scene. Together they delve deep into the past to find out what happened-- and how they can right the injustices that have plagued them both for so long.
