Life And Fate (Vintage Classic Russians Series) Penguin

John Bookman - Book to his friends - is a tenured professor at the University of Texas School of Law. He's thirty-five, handsome and unmarried. He teaches Constitutional Law, reduces senators to blithering fools on talk shows, and is often mentioned as a future Supreme Court nominee. But Book is also famous for something more unusual. He likes to take on lost causes and win. Consequently, when he arrives at the law school each Monday morning, hundreds of letters await him, letters from desperate Americans around the country seeking his help. Every now and then, one letter captures his attention and Book feels compelled to act. In the first of a thrilling new series from the author of international bestsellers *The Colour of Law* and *Accused*, Book investigates a murder set in the high-stakes world of fracking and corruption in deepest, darkest Texas.

The Case for Marriage A. Scott Fenney

Selected by the Modern Library as one of the 100 best nonfiction books of all time  
From the Modern Library 's new set of beautifully repackaged hardcover classics by Truman Capote—also available are *Breakfast at Tiffany 's* and *Other Voices, Other Rooms* (in one volume), *Portraits and Observations*, and *The Complete Stories*  
Truman Capote 's masterpiece, *In Cold Blood*, created a sensation when it was first published, serially, in *The New Yorker* in 1965. The intensively researched, atmospheric narrative of the lives of the Clutter family of Holcomb, Kansas, and of the two men, Richard Eugene Hickock and Perry Edward Smith, who brutally killed them on the night of November 15, 1959, is the seminal work of the "new journalism." Perry Smith is one of the great dark characters of American literature, full of contradictory emotions. "I thought he was a very nice gentleman," he says of Herb Clutter. "Soft-spoken. I thought so right up to the moment I cut his throat." Told in chapters that alternate between the Clutter household and the approach of Smith and Hickock in their black Chevrolet, then between the investigation of the case and the killers ' flight, Capote 's account is so detailed that the reader comes to feel almost like a participant in the events.

The Stone Circle Flatiron Books

When a rich senator's playboy son is murdered, wealthy lawyer, A. Scott Fenney, is asked to defend the accused, a black, heroin-addicted prostitute, free of charge. Scott Fenney wants to help the woman but, for the sake of justice, is he willing to sacrifice his salary, his lifestyle, his wife, his child. And to what lengths is the murdered playboy's father prepared to go to test his resolve.

Air Force Combat Units of World War II Hachette UK

NEW YORK TIMES BESTSELLER • From the governor-elect of Maryland, the "compassionate" (People), "startling" (Baltimore Sun), "moving" (Chicago Tribune) true story of two kids with the same name from the city: One went on to be a Rhodes Scholar, decorated combat veteran, White House Fellow, and business leader. The other is serving a life sentence in prison. Selected by Stephen Curry as his "Underrated" Book Club Pick with Literati The chilling truth is that his story could have been mine. The tragedy is that my story could have been his. In December 2000, the Baltimore Sun ran a small piece about Wes Moore, a local student who had just received a Rhodes Scholarship. The same paper also ran a series of articles about four young men who had allegedly killed a police officer in a spectacularly botched armed robbery. The police were still hunting for two of the suspects who had gone on the lam, a pair of brothers. One was named Wes Moore. Wes just couldn 't shake off the unsettling coincidence, or the inkling that the two shared much more than space in the same newspaper. After following the story of the robbery, the manhunt, and the trial to its conclusion, he wrote a letter to the other Wes, now a convicted murderer serving a life sentence without the possibility of parole. His letter tentatively asked the questions that had been haunting him: Who are you? How did this happen? That letter led to a correspondence and relationship that have lasted for several years. Over dozens of letters and prison visits, Wes discovered that the other Wes had had a life not unlike his own: Both had had difficult childhoods, both were fatherless; they 'd hung out on similar corners with similar crews, and both had run into trouble with the police. At each stage of their young lives they had come across similar moments of decision, yet their choices would lead them to astonishingly different destinies. Told in alternating dramatic narratives that take readers

from heart-wrenching losses to moments of surprising redemption, *The Other Wes Moore* tells the story of a generation of boys trying to find their way in a hostile world.

Continues the story of the last days British rule in India in the early 1940's.

[A Patriot's History of the United States](#) Hachette UK

*Defending a New Nation, 1783-1811*, the first volume of the "U.S. Army Campaigns of the War of 1812" series, tells the story of several military campaigns against Indians in the Northwest Territory, the Army's role in suppressing the Whiskey Rebellion (1794), the Quasi-War with France and confrontations with Spain, the influence of Jeffersonian politics on the Army's structure, and the Lewis and Clark expedition. From the end of the Revolutionary War in 1783 to the beginning of the War of 1812, the nascent United States Army encountered significant challenges, both within its own ranks and in the field. The Army faced hostile American Indians in the west, domestic insurrections over taxation, threats of war from European powers, organizational changes, and budgetary constraints. It was also a time of growth and exploration, during which Army officers led expeditions to America's west coast and founded a military academy.

In this riveting, unputdownable legal thriller, a partner at a prominent law firm is forced to choose between his enviable lifestyle and doing the right thing. Former college football star Scott Fenney has worked his way to the top of the heap at the Dallas firm of Ford Stevens. But when Clark McCall, wayward son of a Texas politician, gets himself murdered after a night of booze, drugs, and rough sex, Scott is assigned to defend the prime suspect, a heroine-addicted hooker named Shawanda Jones. The powers that be want her convicted—and Scott's future at the firm may depend on it. But unfortunately for Scott, Shwanada claims she's innocent, and he believes her.

NEW YORK TIMES BESTSELLER • More than one million copies sold! Essentialism isn't about getting more done in less time. It's about getting only the right things done. "A timely, essential read for anyone who feels overcommitted, overloaded, or overworked." —Adam Grant Have you ever: • found yourself stretched too thin? • simultaneously felt overworked and underutilized? • felt busy but not productive? • felt like your time is constantly being hijacked by other people's agendas? If you answered yes to any of these, the way out is the Way of the Essentialist. Essentialism is more than a time-management strategy or a productivity technique. It is a systematic discipline for discerning what is absolutely essential, then eliminating everything that is not, so we can make the highest possible contribution toward the things that really matter. By forcing us to apply more selective criteria for what is Essential, the disciplined pursuit of less empowers us to reclaim control of our own choices about where to spend our precious time and energy—instead of giving others the implicit permission to choose for us. Essentialism is not one more thing—it's a whole new way of doing everything. It's about doing less, but better, in every area of our lives. Essentialism is a movement whose time has come.

When American Methodist preachers first arrived in Upper Canada in the 1790s, they brought with them more than an alluring religious faith. They also brought saddlebags stuffed with books published by the New York Methodist Book Concern — North America's first denominational publisher — to sell along their preaching circuits. *Pulpit, Press, and Politics* traces the expansion of this remarkable transnational market from its earliest days to the mid-nineteenth century, a period of intense religious struggle in Upper Canada marked by fiery revivals, political betrayals, and bitter church schisms. The Methodist Book Concern occupied a central place in all this conflict as it powerfully shaped and subverted the religious and political identities of Canadian Methodists, particularly in the wake of the American Revolution. The Concern bankrolled the bulk of Canadian Methodist

preaching and missionary activities, enabled and constrained evangelistic efforts among the colony's Native groups, and clouded Methodist dealings with the British Wesleyans and other religious competitors north of the border. Even more importantly, as Methodists went on to assume a preeminent place in Upper Canada's religious, cultural, and educational life, their ongoing reliance on the Methodist Book Concern played a crucial role in opening the way for the lasting acceptance and widespread use of American books and periodicals across the region.

Andy Prescott is the most laid-back young lawyer in Austin, Texas. Specialising in traffic law, he operates from a small room above a ramshackle tattoo parlour. He rides a trail bike and spends way too much time drinking beer in the sunshine. Ambition has never been Andy's strong point - he prefers to take it easy. That is, until one of Texas's wealthiest men walks into his office. On the spot, billionaire Russell Reeves retains Andy as his lawyer and, in exchange for some easy legal work, pays him more money than he has ever earned before. Andy's life is transformed. But nothing comes for free. Russell is a desperate man whose sole aim is to save his eight-year-old son, Zach, who is dying from leukemia. He is prepared to do anything - even if it means putting Andy's life in danger...

The great Russian 20th-century novel from the Sunday Times bestselling author of *Stalingrad*. *Life and Fate* is an epic tale of a country told through the fate of a single family, the Shaposhnikovs. As the battle of Stalingrad looms, Grossman's characters must work out their destinies in a world torn by ideological tyranny and war. Completed in 1960 and then confiscated by the KGB, this sweeping panorama of Soviet Society remained unpublished until it was smuggled into the West in 1980, where it was hailed as a masterpiece. 'A literary genius. His *Life and Fate* is rated by many as the finest Russian novel of the 20th Century' *Mail on Sunday* VINTAGE CLASSICS RUSSIAN SERIES - sumptuous editions of the greatest books to come out of Russia during the most tumultuous period in its history.

[The Day of the Scorpion](#) Regal Books

For the past three decades, many history professors have allowed their biases to distort the way America's past is taught. These intellectuals have searched for instances of racism, sexism, and bigotry in our history while downplaying the greatness of America's patriots and the achievements of "dead white men." As a result, more emphasis is placed on Harriet Tubman than on George Washington; more on the internment of Japanese Americans during World War II than about D-Day or Iwo Jima; more on the dangers we faced from Joseph McCarthy than those we faced from Josef Stalin. *A Patriot's History of the United States* corrects those doctrinaire biases. In this groundbreaking book, America's discovery, founding, and development are reexamined with an appreciation for the elements of public virtue, personal liberty, and private property that make this nation uniquely successful. This book offers a long-overdue acknowledgment of America's true and proud history.

[The Absence of Guilt](#) Hachette UK

Have you ever wondered how one split-second decision could change your life for ever? The Bonners are the most powerful couple in Texas. Bode Bonner is the Republican Governor and his wife, Lindsay, is

---

always by his side. From the outside everything looks rosy. But the Bonners are not happy. Bode is bored - he longs for more excitement in his life. Lindsay is at the end of her tether. She's had enough of Bode's womanising and of playing the dutiful wife. She is desperate to break free of her bland, wealthy lifestyle. Then Lindsay makes an impulsive decision that helps save the life of a poor Hispanic boy. From that moment on, nothing will be the same for the Bonners. Everything is about to change... From the author of the international bestsellers *The Colour of Law* and *Accused*, this is an addictively readable novel, filled with dramatic and ingenious twists and turns, that delves deep into the dark heart of Texas.

#### Amusing Ourselves to Death Crown

Criminal defence lawyers must make their peace with one harsh fact of life: most of their clients are guilty. Yet when William Tucker, a celebrated and self-centered star college football player, is suddenly arrested and charged with the brutal rape and murder of a college coed two years before, his broken-down, drunken estranged father Frank can't believe he's guilty. What father could? But Frank is also an ex-criminal defence lawyer. Now Frank must find a way to sober up and save his son from the death penalty sought by an ambitious district attorney. Can a father's love for his accused son save him from death?

#### Robert Redford Anchor

While investigating a suspicious death, private inquiry agent Ambrose Wells finds himself on the grounds of Aldwick Castle—and in the midst of utter chaos. The ramshackle castle is in flames—and a beautiful woman and four young girls are taking flight on horseback. It turns out that the strong-minded Miss Concordia Glade and her four bright students are on the run from a notorious London crime lord who 'll stop at nothing to destroy them. Now, their only hope is Ambrose, a confirmed loner with more than his share of secrets—and more than his share of desire for the unconventional teacher. And as Ambrose and Concordia risk everything to bring down a criminal mastermind, they will also be forced to battle something even greater: the steamy passion that threatens their hard-won independence...

#### Grave Misfortune: The USS Indianapolis Tragedy John Wiley & Sons

Describes how positive parental involvement deters delinquent behavior while its absence -- or worse, its negative counterpart -- fosters misconduct. Researchers conclude that children raised in supportive, affectionate, and accepting homes are less likely to become deviant.
