Anatomical Kinesiology provides students with a comprehensive and concise resource for mastering the muscles and related anatomy responsible for body movement. This is a foundational topic needed for application to other important areas including biomechanics, musculoskeletal injuries, rehabilitation, strength and conditioning, and more. The text uses 18 chapters divided across five sections to cover all the material. Section I has four chapters that present the anatomy and physiology concepts most relevant to kinesiology such as body orientation; terminology; and the skeletal, muscular, and nervous organ systems. Section II is divided into three chapters on the bones and their landmarks. The final three sections contain the muscle chapters: One section for the lower extremities, one for the axial skeleton, and one for the upper extremities. The chapters are divided by regions (i.e. ankle, knee, shoulder, etc.).

What would it take for you to make a change? Weight loss can sometimes be a very self-focused endeavor. Maybe you have struggled with your weight your entire life, riding a constant roller coaster of numbers that go up and down. Or maybe you are finding yourself more stressed out by the world and all its demands. Perhaps you just don't feel as well in your body as you do in your spirit. In *The Wellness Revelation*, certified fitness professional Alisa Keeton will challenge you to get fit with God so that He can free you to complete your purpose. She teaches that when we get fit physically as well as spiritually, we will be better equipped to love and serve others. The *Wellness Revelation* will change the way you perceive yourself and the way that you live your life. Each week in this eight-week journey includes a teaching from Alisa, weekly assignments, Bible study, small-group questions, and more. Alisa will encourage you to love God, get healthy, and serve others; and she will provide you with the tools to spread the gospel with courage, confidence, kindness, and freedom. It's time to make a change from the inside out.
