Methods of Group Exercise Instruction Human Kinetics

Anatomical Kinesiology provides students with a comprehensive and concise resource for mastering the muscles and related anatomy responsible for body movement. This is a foundational topic needed for application to other important areas including biomechanics, musculoskeletal injuries, rehabilitation, strength and conditioning, and more. The text uses 18 chapters divided across five sections to cover all the material. Section I has four chapters that present the anatomy and physiology concepts most relevant to kinesiology such as body orientation; terminology; and the skeletal, muscular, and nervous organ systems. Section II is divided into three chapters on the bones and their landmarks. The final three sections contain the muscle chapters: One section for the lower extremities, one for the axial skeleton, and one for the upper extremities. The chapters are divided by regions (i.e. ankle, knee, shoulder, etc.).

The Trainer to the Stars Shares Her

Body-Shaping Secrets McGraw Hill Professional

Discusses arthritis and the benefits of exercise, providing a plan for getting started, staying motivated, managing pain, and learning proper form for comfort and safety.

A Study Guide to Accompany the ACE Group Fitness Instructor Manual Ascencia Test Prep The ACE Advanced Health & Fitness Specialist Manual w/DVD is designed for experienced personal trainers who want to expand their clientele beyond the restrictions of the “apparently healthy” category. The new manual and certification focus on those diseases and injuries most frequently encountered among clients in health and fitness facilities, from diabetes and low-back pain to lipid disorders and post-orthopedic rehabilitation. This manual is divided into five parts, the first of which provides an Introduction to this ACE certification program. Part Two covers the Major Cardiovascular and Pulmonary Diseases and Disorders. Metabolic Diseases and Disorders are the focus of Part Three. With eight chapters, Part Four, which covers Musculoskeletal Disorders, is the largest section of the manual. Part Five, the final section of the manual, offers Considerations for Specialized Population Groups, including

older adults, youth and pre- and postnatal women. Case studies are included in each chapter in Parts Two through Five, giving the exam candidate an example of how to apply what's been learned in a very practical way. Includes bonus 100-minute DVD.

A Professional's Guide to Small-Group Personal Training Lippincott Williams & Wilkins

ACSM's Resources for the Personal Trainer provides a broad introduction to the field of personal training, covering both basic science topics and practical application. It was originally designed to help people prepare for the ACSM Personal Training Certification Exam. It continues to serve that function, but the market for it has expanded to practitioners in the field looking for an additional resource, as well as in an academic setting where the book is a core text for personal training programs.

ACSM's Certification Review Amer Council on Exercise Yoga for Scuba Divers teaches you poses, breathing exercises, visualization methods, and yoga ethics that make you a better diver. By practicing the poses you can: enhance your finning techniques and underwater stability, build core power and abdominal control to fine-tune your buoyancy, and improve your balance and strength for walks on the shore in full gear. The breathing exercises teach you to breathe steadily during physical exertion, keeping you calm under water. All the yoga poses are practiced on land. Yoga for Scuba Divers includes visualizations to prepare you mentally for upcoming dives. Athletes use visualization to enhance performance; it's powerful for divers, too. You will also learn yoga principles, such as non-violence, and how they apply to divers. Todd Stedl is a PADI Open Water Scuba Instructor. Kimberlee Jensen Stedl is a Registered Yoga Teacher and an American Council on Exercise Faculty member. Together they have been diving and doing yoga since they met in 2002.

Keli Roberts' Fitness Hollywood
Jones & Bartlett Publishers
