Exotic environments like the African savanna have long held a fascination for young readers. This colorful picture book beautifully evokes that realm

Maisy's Snuggle Book University of Chicago Press

That happy-go-lucky cartoon dog is back--in a bigger and better edition of an already great collector's guide. Boy's best friend Snoopy\*r is collected by people around the world. From his joyous dance to his brave conflict with the Red Baron, he embodies what is best in the human spirit, and it's no wonder that collectors hold these images dear. Snoopy has appeared on thousands of items in the half-century since he was created by Charles M. Schulz in 1950. Here is Snoopy on household items, school supplies, books, clothing, sports, games, electronics, and more, all illustrated with over 710 color photographs.

---

with images of giraffes, lions, hippos, elephants, and many more animals of the plains. Through cumulative, singsong verse, young readers learn how all living things in this important ecological community rely on one another for their existence. The book brings home the important lesson that when one of these animals or plants is killed off or goes extinct, the web of life is broken. Luminous paintings by Tom Leonard capture the untamed beauty of this timeless, endangered realm.

Is philosophy, as the love of wisdom, inherently tragic? Must philosophy abolish its traditional modes of thinking if it is to attain the wisdom of tragedy? Sharing a common origin, even direction, does philosophy move beyond tragedy, epitomizing it? Is the action of tragedy analogous to the activity of philosophy? Have Hegel and Nietzsche distorted the tragic? Can there be a philosophy of the tragic? It is with

such questions that the essays of this volume become involved, coming up with original interpretations of tragedy, new approaches to traditional views, and novel conceptions of philosophy. Their diversity and novelty emerge out of a common problematic, a theme they all address: the relation between philosophy and tragedy. By exploring this relation, this volume adds to our comprehension of both..
