If you are a business owner, entrepreneur, or marketing manager, and you want to learn how to build a leak-proof marketing machine that hums along with minimal maintenance and optimal results... you really should read this book. Postcard Marketing In An Online World was the trusted guidebook of up-and-coming direct mail marketers when it was released, because the author, Joy Gendusa, was the entrepreneur that brought postcard marketing to the masses by cutting out the middle men (ad agencies), and making it affordable for businesses of all sizes. Now in its third printing, Postcard Marketing In An Online World has evolved into so much more. With the rise of internet marketing technology, Joy took the time to test how these new technologies worked best with traditional mediums like direct mail. The result is a proven method for integrating direct mail with the latest technological marketing advances, and getting the absolute best results. In this book, you will learn: How to build an effective direct mail postcard campaign that produces consistent returns How to integrate your

postcard campaign with other mediums like email and online marketing The only 4 reasons why a prospect will say NO , and how to overcome them How to buy and manage direct mail marketing lists How to grow your email list Why postcard marketing is so effective (and sometimes misunderstood) How postcards worked for other business owners just like you with full case studies and postcard designs On your search to gain marketing knowledge, Postcard Marketing In An Online World is a book you do not want to miss. Joy is the Founder and CEO of PostcardMania, the leader in postcard marketing innovation, and she has tested and tracked all the strategies in this book with her own business. That's how she knows they work! Buy this book and get the insider knowledge you need to succeed with your marketing!
