Sample Test Questions. Since IBT is about testing skills and competencies, and not information and knowledge, serious preparation in a conventional sense is not required. Students only need to familiarize themselves with the pattern of questions and how to answer those, instead of knowing the correct answers.

Sample Questions

The first step is to do sample question papers and to figure out what areas your child needs to work on. ACER does produce a range of practice questions here that can be purchased on the ACER website. However, these papers don't provide the detailed solutions and explanations your child needs to know to: Answer the question.
