There are several books available for Chrome OS users however many of them focus on the limitations of Chrome OS, not teach readers how to unlock the full potential of their Chrome OS powered device. The Ultimate Chrome OS Guide for the Acer Chromebox will provide a comprehensive overview of the Acer Chromebox and how to get the most out of your purchase. This book was designed to appeal to readers from all walks of life, it does not matter if this is your first Chrome OS powered device or you are like me and have a quickly growing collection.
