It's 11:00 on a Sunday night. Your honey just went up to bed and you can't wait to crank up your latest Blu-ray acquisition: Jimi Plays Berkeley, a long-forgotten 1970 documentary that has been

restored and remixed in 5.1 surround. Seconds after Hendrix rips into the first number, the dreaded foot stomping from above begins. The party's over before it even starts. Last time it was a ...

Audio Magazine: REVIEWS**

Whatever the noise is do  
everything in your power to sort it  
out amicably as you have to live  
next to them afterwards. A quiet  
and polite request in writing or  
verbally can often result in a  
genuine effort to fix the problem,  
but if you start off accusingly and  
aggressively then expect an  
aggressive response.
