*The Gospels and Acts Book 2* GENERAL PRESS

The beloved author of Across Five Aprils and No Promises in the Wind presents one of her most cherished novels, the Newbery Award-winning story of a young girl's coming of age... Julie would remember her happy days at Aunt Cordelia's forever. Running through the spacious rooms, singing on rainy nights in front of the fireplace. There were the rides in the woods on Peter the Great, and the races

with Danny Trevort. There were the precious moments alone in her room at night, gazing at the sea of stars. But there were sad times too—the painful jealousy Julie felt after her sister married, the tragic death of a schoolmate and the bitter disappointment of her first love. Julie was having a hard time believing life was fair. But Julie would have to be fair to herself before she could even think about new beginnings... “Hunt demonstrates that she is a writer of the first rank...Those who follow Julie's growth—from a tantrum-throwing seven-year-old to a gracious young woman of seventeen—will find this book has added a new dimension to their lives.”—The New York Times Book Review  
The Turnaway Study Random House Digital, Inc.  
Am é ricos Award Winner “ An achingly beautiful story. ” —Kirkus (starred review) “ Eloquent. ” —Booklist (starred review) “ Lovely and lyrical. ” —School Library Journal This powerful and resonant Am é ricos Award-winning novel tells the story of a young girl ' s struggle to find her place in the world and to become a writer in a country where words are feared. Seamlessly interweaving both poetry and prose, Lynn Joseph ' s acclaimed

---

debut is a lush and lyrical journey into a landscape and culture of the Dominican Republic. *The Color of My Words* explores the pain and poetry of discovering what it means to be part of a family, what it takes to find your voice and the means for it to be heard, and how it feels to write it all down.

The uniquely prominent role of French intellectuals in European cultural and political life following World War II is the focus of Tony Judt's newest book. He analyzes this intellectual community's most divisive conflicts: how to respond to the promise and the betrayal of Communism and how to sustain a commitment to radical ideals when confronting the hypocrisy in Stalin's Soviet Union, in the new Eastern European Communist states, and in France itself. Judt shows why this was an all-consuming moral dilemma to a generation of French men and women, how their responses were conditioned by war and occupation, and how post-war political choices have come to sit uneasily on the conscience of later generations of French intellectuals. Judt's analysis extends beyond the writings of fashionable "Existentialist" personalities such as Jean-Paul Sartre, Albert Camus, and Simone de Beauvoir to include a wide intellectual community of Catholic philosophers, non-aligned journalists, literary critics and poets,

Communist and non-Communist alike. Judt treats the intellectual dilemmas of the postwar years as an unfinished history. French intellectuals have not fully come to terms with the gnawing sense of what Judt calls the "moral irresponsibility" of those years. The result, he suggests, is a legacy of bad faith and confusion that has damaged France's cultural standing, notably in newly liberated Eastern Europe, and which reflects the nation's larger difficulty in confronting its own ambivalent past.

The purpose of which is to give you the spiritual lens that will enable you to see clearly what you fail to see using your physical lens. As you read this collection, try to see the three spiritual themes to it. Get a copy today.

Origin Univ of California Press

Times are uneasy for the Matthew Creighton family, tensions rising between the north and the south as war between the states approaches. When war finally does break out, two of the grown Creighton sons, and the town's young school teacher and friend of the family, join the fight. They are expecting an easy victory for the Union, but it quickly becomes clear that victory will neither come easy nor soon. Then the last grown son, Bill, also leaves; but he does not join the Union. When word gets out that he has joined the south, the Creighton family finds

---

the war in their own home, and division and strife rise between them and their neighbors. Nine-year-old Jethro is now the only son still at home. Soon after, his father suffers a heart attack, and it is now up to Jethro - as the only remaining 'working man' in the family - to do the work of five or six grown men. Times are hard, and the work is endless, but the family's thoughts are ever with their three boys in the war. They live from letter to letter, and for each newspaper with accounts of the fighting. As time goes on, young Jethro continues to care for his family the best that he can, and he discovers that a man's good character can be stronger than a gun, and last longer than a war. Interactive CD-rom.

#### *Nineteen Eighty-Four* Twelve

A literature unit to use while reading *Across Five Aprils*.

#### *Across Five Aprils*, Irene Hunt CreateSpace

George Orwell's *Nineteen Eighty-Four* is unquestionably the most famous dystopian novel of all times. Written in the year of 1948, the author swapped the last two digits while describing a future totalitarian society where the minds, attitudes and actions of the subjects are thoroughly scrutinized by the "Thought Police", suspected dissidents tracked down and where the worship of the mythical party leader Big Brother is forced upon the masses. The low-ranking party member Winston Smith begins secretly to question the whole

system and initiates a forbidden love affair with another party member.

#### *A Wrinkle in Time* Simon and Schuster

AN INSTANT NEW YORK TIMES BESTSELLER! From celebrated anthropologist Jennifer Raff comes the untold story—and fascinating mystery—of how humans migrated to the Americas. *ORIGIN* is the story of who the first peoples in the Americas were, how and why they made the crossing, how they dispersed south, and how they lived based on a new and powerful kind of evidence: their complete genomes. *ORIGIN* provides an overview of these new histories throughout North and South America, and a glimpse into how the tools of genetics reveal details about human history and evolution. 20,000 years ago, people crossed a great land bridge from Siberia into Western Alaska and then dispersed southward into what is now called the Americas. Until we venture out to other worlds, this remains the last time our species has populated an entirely new place, and this event has been a subject of deep fascination and controversy. No written records—and scant archaeological evidence—exist to tell us what happened or how it took place. Many different models

---

have been proposed to explain how the Americas were peopled and what happened in the thousands of years that followed. A study of both past and present, ORIGIN explores how genetics is currently being used to construct narratives that profoundly impact Indigenous peoples of the Americas. It serves as a primer for anyone interested in how genetics has become entangled with identity in the way that society addresses the question "Who is indigenous?"

Learning to Read Open Road Media

In this multi-award-winning, bestselling novel, Margaret Atwood has created a stunning Orwellian vision of the near future. This is the story of Offred, one of the unfortunate "Handmaids" under the new social order who have only one purpose: to breed. In Gilead, where women are prohibited from holding jobs, reading, and forming friendships, Offred's persistent memories of life in the "time before" and her will to survive are acts of rebellion. Provocative, startling, prophetic, and with Margaret Atwood's devastating irony, wit, and acute perceptive powers in full force, "The Handmaid's Tale" is at once a mordant satire and a dire warning. "From the Hardcover edition."

"A groundbreaking and illuminating look at the state of abortion access in America and the first long-term study of the consequences—emotional, physical, financial, professional, personal, and psychological—of receiving versus being denied an abortion on women's lives"—

No Promises in the Wind (DIGEST) Penguin UK

The year is 1849. Young Jack Flagg sets out to recoup his Aunt Arabella's fortune on a ship bound from Boston to the California gold fields. Thus begin the wild, swashbuckling adventures of a determined 12-year-old and his intrepid butler. Illustrations.

Across Five Aprils Penguin

Confederate Winter is historical fiction based on a true family story backed up by an affidavit in the Confederate archives in Montgomery, Alabama. The author's great, great, great grandfather, William Sweeney, fought as a Confederate soldier at the tender age of 14. His father, John, had been drafted the year before into the Union Army. Confederate Winter is their story. By 1864 the Confederacy is on the verge of defeat. Atlanta has fallen and Confederate General John Bell Hood's army is in retreat. Hood formulates a bold plan to re-

capture Nashville, the great base for the Union army in the West. A victory could change the course of the war. Hood needs manpower, however, and sends his conscription parties out to scour the countryside. Confederate Winter tells the story of a true-life family caught up in this grand adventure. The Federals conscript John Sweeney, the father, in late 1863 as General Sherman prepares his march on Atlanta and the sea. His son William is left in charge of the family farm, until one early fall morning...

*Barbara Frietchie* Houghton Mifflin Harcourt

The Newbery Award-winning author of *Up a Road Slowly* presents the unforgettable story of Jethro Creighton—a brave boy who comes of age during the turbulent years of the Civil War. In 1861, America is on the cusp of war, and young Jethro Creighton is just nine-years-old. His brother, Tom, and his cousin, Eb, are both of fighting age. As Jethro's family is pulled into the conflict between the North and the South, loyalties are divided, dreams are threatened, and their bonds are put to the test in this heart-wrenching, coming of age story. "Drawing from family records and from stories told by her grandfather, the author has, in an uncommonly fine narrative, created living characters and vividly reconstructed a crucial period of history."—Booklist

*Sunrise Over Fallujah* Faith Sheptoski-Forbush

From the Newbery Award-winning author of *Across Five Aprils* and *Up a Road Slowly* comes a tale of a brave young man's struggle to find his own strength during the Great Depression. "A powerfully moving story."—Chicago Daily News In 1932, American's dreams were simple: a job, food to eat, a place to sleep, and shoes without holes. But for millions of people these simple needs were nothing more than dreams. At fifteen years of age, Josh has to make his own way through a country of angry and frightened people. This is the story of a young man's struggle to find a life for himself in the most turbulent of times.
