Ten Years in the Tub Omnibus Press

“ Helm lays it all bare in vivid, impassioned prose, adding an earthly, backwoods tone that makes the book read like a Southern novel, like Thomas Wolfe writing about rock ’ n ’ roll. ”

—Boston Globe “ One of the most insightful and intelligent rock bios in recent memory. ” —Entertainment Weekly The Band, who

backed Bob Dylan when he went electric in 1965 and then turned out a half-dozen albums of beautifully crafted, image-rich songs, is now regarded as one of the most influential rock groups of the '60s. But while their music evoked a Southern mythology, only their Arkansawyer drummer, Levon Helm, was the genuine article. From the cotton fields to Woodstock, from seeing Sonny Boy Williamson and Elvis Presley to playing for President Clinton, This Wheel ’ s on Fire replays the tumultuous history of our times in Levon ’ s own unforgettable folksy drawl. This edition is expanded with a new epilogue covering the last dozen years of Levon's life. Levon Helm (1940-2012) met Ronnie Hawkins at the age of 17 and formed what would soon become The Band. He maintained a successful career as a singer and actor until his death. Stephen Davis is the author of Hammer of the Gods: The Led Zeppelin Saga; More Room in a

Broken Heart: The True Adventures of Carly Simon; Old Gods Almost Dead: The 40-Year Odyssey of the Rolling Stones; Jim Morrison: Life, Death, Legend; Walk This Way: The Autobiography of Aerosmith; and others.

The Blue Moment: Miles Davis's Kind of Blue and the Remaking of Modern Music Elm Hill

In *Across the Great Divide*, some of our leading historians look to both the history of masculinity in the West and to the ways that this experience has been represented in movies, popular music, dime-store novels, and folklore.

Rock Obituaries: Knocking On Heaven's Door ELM Hill
Contributions by Joshua Coleman, Christine Hand Jones, Kevin C. Neece, Charlotte Pence, George Plasketes, Jeffrey Scholes, Jeff Sellars, Toby Thompson, and Jude Warne
After performing with Ronnie Hawkins as the Hawks (1957 – 1964), The Band (Rick Danko, Garth Hudson, Richard Manuel, Robbie Robertson, and Levon Helm) eventually rose to fame in the sixties as backing musicians for Bob Dylan. This collaboration with Dylan presented the group with a chance to expand musically and strike out on their own. The Band's fusion of rock, country, soul, and blues music—all tinged with a southern flavor and musical adventurousness—created a unique soundscape. The combined use of multiple instruments, complex song structures, and poetic lyrics required attentive listening and a sophisticated interpretive framework. It is no surprise, then, that they soon grew to be one of the biggest bands of their era. In *Rags and Bones: An Exploration of The Band*, scholars and musicians take a broad, multidisciplinary approach to The Band and their music, allowing for examination through sociological, historical, political, religious, technological, cultural, and philosophical means. Each

contributor approaches The Band from their field of interest, offering a wide range of investigations into The Band's music and influence. Commercially successful and critically lauded, The Band created a paradoxically mythic and hauntingly realistic lyrical landscape for their songs—and their musicianship enlarged this detailed landscape. This collection offers a rounded examination, allowing the multifaceted music and work of The Band to be appreciated by audiences old and new.

The Last Waltz of The Band PediaPress

The perfect gift for music fans and anyone who loves artists like Elvis Presley, Randy Newman, Sly Stone, Robert Johnson, and Harmonica Frank. In 1975, Greil Marcus's *Mystery Train* changed the way readers thought about rock 'n' roll and continues to be sought out today by music fans and anyone interested in pop culture. Looking at recordings by six key artists—Robert Johnson, Harmonica Frank, Randy Newman, the Band, Sly Stone, and Elvis Presley—Marcus offers a complex and unprecedented analysis of the relationship between rock 'n' roll and American culture. In this latest edition, Marcus provides an extensively updated and rewritten Note and Discographies section, exploring the recordings' evolution and continuing impact.

Across the Great Divide McSweeney's

CMJ New Music Monthly, the first consumer magazine to include a bound-in CD sampler, is the leading publication for the emerging music enthusiast. NMM is a monthly magazine with interviews, reviews, and special features. Each magazine comes with a CD of 15-24 songs by well-established bands, unsigned bands and everything in between. It is published by CMJ Network, Inc.

Across the Great Divide University of Georgia Press

A musical genre forever outside the lines With a claim on artists from Jimmie Rodgers to Jason Isbell, Americana can be hard to define, but you know it when you hear it. John Milward's *Americanland* is filled with the

enduring performers and vivid stories that are at the heart of Americana. At base a hybrid of rock and country, Americana is also infused with folk, blues, R&B, bluegrass, and other types of roots music. Performers like Bob Dylan, Johnny Cash, Ray Charles, and Gram Parsons used these ingredients to create influential music that took well-established genres down exciting new roads. The name Americana was coined in the 1990s to describe similarly inclined artists like Emmylou Harris, Steve Earle, and Wilco. Today, Brandi Carlile and I'm With Her are among the musicians carrying the genre into the twenty-first century. Essential and engaging, *Americanland* chronicles the evolution and resonance of this ever-changing amalgam of American music. Margie Greve's hand-embroidered color portraits offer a portfolio of the pioneers and contemporary practitioners of Americana.

Eat, Sleep, Ride Omnibus Press

Impeccable scholarship and lavish illustration mark this landmark study of American railroad folksong. Norm Cohen provides a sweeping discussion of the human aspects of railroad history, railroad folklore, and the evolution of the American folksong. The heart of the book is a detailed analysis of eighty-five songs, from "John Henry" and "The Wabash Cannonball" to "Hell-Bound Train" and "Casey Jones," with their music, sources, history, and variations, and discographies. A substantial new introduction updates this edition.

Long Steel Rail Hal Leonard Corporation

The life of the legendary drummer and singer is explored through extensive research and personal interviews with family, friends, and fellow musicians. In the Arkansas Delta, a young Levon Helm witnessed "blues, country, and gospel hit in a head-on collision," as he put it. The result was rock 'n' roll. As a teenager, he joined the raucous Ronnie Hawkins and the Hawks, then helped merge a hard-driving electric sound with Bob Dylan's folk roots, and revolutionized American rock with the Band. Helm not only provided perfect "in the pocket" rhythm and unforgettable vocals, he was the soul of The Band. Levon traces a rebellious life on the road, from being booed with Bob Dylan to the creative cauldron of Big Pink, the Woodstock Festival, world

tours, The Last Waltz, and beyond with the man Dylan called "one of the last true great spirits of my or any other generation." Author Sandra B. Tooze digs deep into what Helm saw as a devastating betrayal by his closest friend, Band guitarist Robbie Robertson—and Levon's career collapse, his near bankruptcy, and the loss of his voice due to throat cancer in 1997. Yet Helm found success in an acting career that included roles in *Coal Miner's Daughter* and *The Right Stuff*. Regaining his singing voice, he made his last decade a triumph, opening his barn to the *Midnight Rambles* and earning three Grammys.

This Wheel's on Fire Chicago Review Press

Temperature's Rising: Galaxie 500 offers both an oral history of a celebrated band and a lush tour of their personal archives. It weaves together interviews with the band members (Naomi Yang, Dean Wareham, Damon Krukowski) and their music scene peers and many collaborators, accompanied by a stunning array of rare and never-before-seen photographs, artwork and ephemera.

Temperature's Rising University of New Mexico Press

"This book reflects a breakthrough in American music studies, an unrecognized field among traditional musicologists until the past few decades, during which enormous progress has been made in documenting three centuries of American musical activities and figures. Time and effort had to be expended exclusively on the development of basic historical studies. The time has come for a new phase, one that can take a creative, interpretive approach. Professor Crawford's study will introduce this higher level of scholarship into the field of American music studies."—Vivian Perlis, author of *Charles Ives Remembered* "A major statement by a senior scholar on what American musicology is all about. . . These themes are also topical; they come at a time when much more research is being done in American music, but little thought is being given to the big picture, the vision, the philosophy, and the implications of historical research. Now

is the time for a synthesis, and there are few scholars better equipped to do that in American music than Richard Crawford."—Michael Broyles, author of *Music of the Highest Class*

The Band University of Michigan Press

The Story of The Band pays tribute to the seminal group on the 50th anniversary of their first album, *Music from Big Pink*, and the 40th anniversary of Martin Scorsese's film *The Last Waltz*. This lushly illustrated volume covers everything from their collaborations with Dylan through that farewell show, and features rare and previously unpublished interviews with members of The Band and their colleagues.

The Band Reaktion Books

In 1969 Roberta Price received a grant and traveled west to explore and photograph the communes that had begun to spring up in New Mexico and Colorado. Over the next eight years she took more than 3,000 photos of commune life, and now she has selected 121 images for publication in a visual memoir that reflects on her experiences and invites us to contemplate the rural counterculture of her youth. Unlike most photographers of the back to the land movement, Price "went native," joining a Colorado community and living there for seven years. Her photo documentation of her years at Libre provides a unique view of commune life through the eyes of a participant. We see residents building homes, raising families, and celebrating community. Price's photographs of Drop City, New Buffalo, Reality Construction Company, Libre, the Red Rockers, and other southwestern communes capture long-haired men, women in self-made peasant attire, psychedelic art, sheaves of marijuana, cast-iron stoves, and preindustrial agricultural practices—visual evidence of the great divide that separated Price, her friends, and associates from the families and neighbors among whom they had grown up. The photos also reveal the presence of record players, amplifiers, and electric guitars, along with a staggering array of architectural and interior design, and visits by such

iconoclasts as Ken Kesey, Peter Orlovsky, and Allen Ginsberg. The most famous cliché about the era is that if you can remember it, you weren't there. Price was there with her camera, and her images help us see it more clearly now. Gold Medal Winner for Photography, ForeWord Reviews 2010 Book of the Year Awards

That Thin, Wild Mercury Sound Verse Chorus Press

A novel that takes readers on a journey that probes the quiet recesses of the soul, provoking an examination of one's own response to the human condition. This spiritual love story is a metaphor of hope for us all.

The Band Chicago Review Press

Religion in the American South emerged as part of a globalized, transnational movement of peoples from the seventeenth through the nineteenth centuries. Ironically, it then came to be seen as the most localized, provincial kind of religion in America, one famously hostile to outside ideas, influences, and agitators. Yet southern religious expressions, particularly in music, have exercised enormous intellectual and cultural influence. Despite southern religion's provincialism during the era of evangelical dominance and racial proscriptions, the kinds of expressions coming from the American South have been influential across the globe. With this book Paul Harvey takes up the theme of southern religion in global contexts through a series of biographical vignettes that illustrate its outreach. In the first segment he focuses on Frank Price, the Presbyterian

missionary to China and advisor to Chiang Kai-Shek. In the second he focuses on Howard Thurman, the mystic, cosmopolitan, preacher, intellectual, poet, hymnist, and mentor for the American civil rights movement. In the third he looks to the musical figures of Rosetta Tharpe, Johnny Cash, and Levon Helm, whose backbeat, harmonies, and religious enthusiasms contributed to much of the soundtrack of the world through the second half of the twentieth century.

Small Town Talk Rowman & Littlefield

Includes previously unpublished interviews and photos: “His research is extensive, but the overall pace through these two hundred pages is breezy and entertaining.” —Vintage Rock At a time when acid rock and heavy metal dominated popular music, The Band rebelled against the rebellion with tight ensemble arrangements, masterful musicianship, highly literate lyrics, and a respect for the musical traditions of the American South.

Comprised of Canadians Robbie Robertson, Rick Danko, Richard Manuel, and Garth Hudson, and Arkansas-born Levon Helm, The Band sparked a new appreciation for America’s musical roots, fusing R&B, jump blues, country, folk, boogie-woogie, swing, Cajun, New Orleans-style jazz, and rock, and setting the foundations for the Americana that would take hold thirty years later. *The Band: Pioneers of Americana Music* explores the diverse influences on the quintet’s music, and the impact that their music had in turn on contemporary music and American society. Through previously unpublished interviews with Robbie Robertson, Eric Andersen, Pete Seeger, and the late Rick Danko, as well as numerous other sources, Craig Harris surveys The Band’s musical journey from sidemen for, among others, Ronnie

Hawkins and Bob Dylan to rock legends in their own right. Touching on the evolution of rock and roll, the electrifying of folk music, unionism, the Civil Rights Movement, changes in radio formatting, shifting perceptions of the American South, and the commercializing of the counterculture, as well as drug dependency, alcoholism, suicide, greed, and the struggle against cancer, Harris takes readers from The Band’s groundbreaking albums, *Music from Big Pink* and *The Band*, through their final releases and solo recordings, as well as their historic appearances at Woodstock, the Isle of Wight Festival (with Dylan), Watkins Glen (with the Allman Brothers Band and the Grateful Dead), and the filmed final concert known as the *Last Waltz* (with an all-star cast). Sixteen previously unpublished photographs, by the author, are included.

Billboard Univ of California Press

A brilliant, wide-ranging book on how Miles Davis's seminal 1959 jazz album "Kind of Blue" revolutionized music and culture in the 20th century.

Across the Great Divide Rowman & Littlefield

That Thin, Wild Mercury Sound is the definitive treatment of Bob Dylan's magnum opus, *Blonde on Blonde*, not only providing the most extensive account of the sessions that produced the trailblazing album, but also setting the record straight on much of the misinformation that has surrounded the story of how the masterpiece came to be made. Including many new details and eyewitness accounts never before published, as well as keen insight into the Nashville cats who helped Dylan reach rare artistic heights, it explores the lasting impact of rock's first double

album. Based on exhaustive research and in-depth interviews, Daryl Sanders chronicles the road that took Dylan from New York to Nashville in search of "that thin, wild mercury sound."

Book Review A dazzling novel of friendship and redemption in the

face of tragedy and loss set in 1980s Chicago and contemporary Paris

In 1985, Yale Tishman, the development director for an art gallery in

Chicago, is about to pull off an amazing coup, bringing in an

extraordinary collection of 1920s paintings as a gift to the gallery. Yet

as his career begins to flourish, the carnage of the AIDS epidemic

grows around him. One by one, his friends are dying and after his

friend Nico's funeral, the virus circles closer and closer to Yale

himself. Soon the only person he has left is Fiona, Nico's little sister.

Thirty years later, Fiona is in Paris tracking down her estranged

daughter who disappeared into a cult. While staying with an old friend,

a famous photographer who documented the Chicago crisis, she finds

herself finally grappling with the devastating ways AIDS affected her

life and her relationship with her daughter. The two intertwining stories

take us through the heartbreak of the eighties and the chaos of the

modern world, as both Yale and Fiona struggle to find goodness in the

midst of disaster. Named a Best Book of 2018 by The New York
