Admissions

Mighty Oak Guide to Mastering the 2016 ACT Essay Princeton Review

In September of 2015, ACT dramatically revised the essay portion of the test. The old 12-point scoring system and "agree/disagree" essay prompt have been replaced by a 36-point scale and a three-perspective essay style. To ensure their own students are prepared, veteran tutors Shane Burnett and Kristin Leeson crafted this concise guide to the new ACT essay. This 40-page book includes a detailed explanation of the new essay structure and

scoring, a plan for getting your highest score, and 12 realistic essay prompts in the new style. Learn the essay-writing techniques that have earned Kristin & Shane -- and some of their students -- perfect 36-point scores on the essay.

mentioned that there is an easy to follow structure to further ensure great results? Well, you're in luck. The Equation for Excellence is an easy to follow guide that takes advantage of patterns in the ACT writing portion that the test makers do not want you to know about. Simply put, you can write the majority of your essay, including your thesis, transitions, and conclusion, before ever setting foot in the testing room. By acknowledging a few patterns and realities about the test, you can drastically improve your writing score. By prewriting and memorizing a structured framework based off these patterns, the ACT writing portion can essentially be turned into a ramped up game of Mad-Libs. By the end of the book, you will be designing your own framework-your own Equation for Excellence. In short, the purpose of this guide is to equip you with an adequate understanding of the ACT and provide you with a framework so that you are able to easily score in the upper percentiles. It elucidates a pattern and walks you through the framework I used so that you can memorize large portions of your essay- regardless of the actual prompt- to give you an advantage come test day. Have fun exploiting this loophole.

Princeton Review

Pour an amber pool of pure

sorghum syrup onto a clean

plate. Make your pool about

three inches in diameter, the

size of a homemade chocolate

chip cookie or a slice of

summer tomato. In the middle

of the sorghum pool, put a

chunk of pure, sweet butter

that is not too soft and not too

hard. With a fork, press the

butter into the sorghum.

Scoop up the edge of the syrup

with a fork and drizzle the

syrup on top of the butter.

Scoop-mix-scoop-mix until

you form a happy thick gold

union of sorghum and butter.

Take a bite, and join past,

present, and future, fine taste

and excellent nutrition, in one

sweet mouthful. Sorghum is

that rare food that is good,

good for us, good for small

farms and farm families, good

for communities, and good for

---

the earth. Until now, pure sorghum syrup has been a secret known only in a few midwestern and southern states. This book lets readers in on such secrets as sorghum's newly discovered super antioxidant power, along with the all-important sources of the very best syrup. For readers new to sorghum, this book offers tasty bits of information about this caramel syrup's origins, cultivation, nutrition, and uses. Longtime sorghum fans will find fresh tidbits to savor. Eight great recipes promise new taste adventures in the kitchen. In Sorghum Nation, we treasure the traditions of sorghum, the pressing and cooking outdoors that attract an eager crowd, the smell of the cane juice cooking down on blue autumn days, the taste of the green foam licked off the end of a peeled piece of cane. Indoors, we celebrate the happy moment after a good meal when butter

and sorghum begin their swirling dance and prepare to glorify a biscuit. Even so, sorghum's past and present pale compared to its future. Eco-friendly, cash-producing sorghum cane, which growers around the world use for food, fiber, and fuel, can support our farms and small communities. Those of us who love the small farms and farmers of Sorghum Nation have the future in our sticky hands. The more we buy and use this intriguing, flexible food, the more sparkling and prosperous our beloved communities will be.
