Hello, I was wondering if anyone had any insight on this problem. Originally when my Pontiac G6 base 2.4l had a defective converter and needed to be replaced. Since it was out of the GM extended warrenty I needed to pay \$800 for the fix. I also cant just put a cheap converter on it, has to be...

Amazon.com: Customer reviews: Actron CP9575 AutoScanner

The CP9575 comes with software version 5109. According to Actron's website, at the time of this writing, the latest version is 4346. I am not sure why they numbered the newer version with a smaller version number, but it is what it is. I simply downloaded and installed the Scanning Suite 3.0 from Actron's website.
