The writer to the Hebrews itemizes the elements of a firm spiritual foundation.

---

These fundamentals must be built into the foundation of every Christian so he or she will not collapse in the face of life's storms. When Christians are shaky in their beliefs, they become vulnerable in the fight against hell. Yet the enemy, as the psalmist pointed out, is constantly shooting at their foundations. What can they do? They can fortify their foundations, says James W. Goll, one of the most respected leaders in the renewal movement. In the only book/study guide combination on the topic, he lays out the biblical elements of a firm foundation from Hebrews 6, including faith in God, the baptism with the Holy Spirit, resurrection from the dead, and more. His clear, conversational approach equips both new and veteran Christians with the tools they need to establish an unshakable foundation.

Discipling 101: It's Easy It's Simple It's Effective Discipling 101 is one of the simplest discipleship tools ever developed. It was created so anyone could disciple a person in the truths of the Christian faith. This tool works in prison, where people may have to disciple themselves; it works one-on-one; and it works in small groups or in congregations. It's so simple, the only thing required is the ability to read. Each Discipleship Lesson contains a short story (most are true stories) that may be read out loud. The Discipleship Questions may then be answered by the person or persons being disciplined. An Answer Key provides prepared answers. It's that easy. As a bonus, you can download PDFs of each lesson.

The Road Map To Life Study Guide Plus KJV Destiny Image Publishers

"We wrestle not against flesh and blood, but against principalities, against powers...against spiritual wickedness in high places."  
—Ephesians 6:12 This small but important book by Hendrik Berkhof ushered in a wave of studies on "the powers" spoken of in the New Testament, profoundly influencing William Stringfellow, Jacques Ellul, Marva Dawn, Walter Wink, and many others. John Howard Yoder brought it to an English-speaking audience for the first time in this translation, and drew from it in his own famous work, *The Politics of Jesus*.

*Romans Study Guide: a cross reference guide through Romans* Brown Chair Books

The book of Acts opens with the dramatic story of tongues of flame descending upon believers at Pentecost and the prophecy of an egalitarian dispensation of the Spirit being fulfilled. Yet, as the narrative unfolds, we become aware of a tension between the socially egalitarian promise of the Pentecost story and the author's underlying concern to provide

reassurance for his elite patron Theophilus that Jesus followers do not disturb the existing social order. In this guide, Acts is read as a struggle to tame the tongues of fire. Acts mutes the egalitarian promise of the Spirit through presenting an 'orderly account' (as its author calls it) of the Jesus movement that appeals to elite sensibilities. And, at the same time, the narrative contains contradictions, gaps and fissures that suggest the outlines of a more complex, and even subversive, religious movement.

**Bible Study Guide** Pamela Cloonan

The Acts of the Apostles is the second volume in the two-part writing scholars call Luke-Acts. It continues the story begun in the Gospel of Luke, showing how the Good News offered by Jesus was eventually extended to the end of the earth, so that Gentiles as well as Jews came to share in the blessings of God. This commentary treats Luke-Acts as an apologetic history. It takes with equal seriousness Luke's literary artistry and his historical interests, fitting his methods comfortably within the ancient standards of historiography. This perspective illustrates in particular that Luke's historical narrative serves a definite religious intent. Tracing that intent through the specific contours of Luke's story is the special contribution of this commentary.

**Study Guide to John E.H. Sherry, The Laws of Innkeepers, Third Edition** Bloomsbury Publishing  
The Epistles & the Book of Revelation. This volume is the third of three on the New Testament. An unusually large volume, it covers most of the Book of Acts, the New Testament epistles, and the Book of Revelation. We read of Saul's conversion and then follow him as the Apostle Paul as he takes his five major journeys throughout the Mediterranean area. The book of Acts provides the historical context to his journeys. Along the way, we read his teachings in his 14 marvelous epistles to early Church members. Eventually, we follow Paul to Rome where he was martyred for the cause of Christ. This volume also covers the epistles of James, Peter, John, and Jude. And finally, we read the Book of

Revelation John's apocalyptic messages written while he was on the Isle of Patmos. The cover features a classic painting of "St. Paul at His Writing Desk," painted by Rembrandt in 1692.
