Past exam papers - The Actuarial Society of South Africa
The actuarial cr

edentialing and exam process usually requires passing a rigorous series of professional examinations, most often taking several years in total, before one can become recognized as a credentialed actuary. In some countries, such as Denmark, most study takes place in a

university setting. In others, such as the U.S., most study takes place during employment through a series of examinations. In the UK, and countries based on its process, there is a hybrid unive rsity-exam structure. *Past Exams and Solutions | SOA - Society of Actuaries Past Exam Papers.* You can download past exam papers in this

section. To download a paper and/or report just click on the download icon to the left of the file. If you have any queries regarding exam papers please contact assaadm105@actuarialsociety.org.za. A1 and A2 are UK-based exams. *CT1 Past exam papers, reports and syllabus / Institute and ...*
