2001 Acura MDX Engine Problems | CarComplaints.com

Any one familiar with the check engine light "ON" for 2001 MDX? We have about 35K miles on our SUV, is this need to be done by the dealer or can we do it ourselves? I am behind on following the recommendation maintenance for 30K which I will replace air filter, pollen filter, VTM fluid this week. Any other recommendation is appreciated.

Check engine light ON for 01' MDX ??? | Acura World

Check Engine light is not an oil or maintenance reminder light. If the Check Engine light/Service Engine Soon light illuminates while you are driving, the car's on board computer sees a fault in the engines management system that is causing an excess amount of pollutants to be emitted from

your car.

reset check engine light - 2001 Acura MDX  
Read ACURA check engine light codes from the Engine Control Unit (ECU) using your OBD2 scanner. Write down the codes and research the problem before you replace any parts. Once you fix the problems that you found, come back to the main menu and instead of Reading Codes choose Clear Codes and press OK.
