Automotive News Dundurn

Vehicle shoppers can benefit from the what they've come to expect from the Edmunds name: true market values for trade-ins, private party and dealership-highlighted yearly model changes, and in-depth advice.

Used Cars & Trucks Buyer's Guide 2005 Annual Random House Digital, Inc.

A guide to buying a used car or minivan features information on the strengths and weaknesses of each model, a safety summary, recalls, warranties, and service tips.

The Fast Path to Corporate Growth Consumer Guide Books

Lemon-Aid guides steer the confused and anxious buyer through the economic meltdown unlike any other car-and-truck books on the market. U.S. automakers are suddenly awash in profits, and South Koreans and Europeans have gained market shares, while Honda, Nissan, and Toyota have curtailed production following the 2011 tsunami in Japan. Shortages of Japanese new cars and supplier disruptions will likely push used car prices through the roof well into 2012, so what should a savvy buyer do? The all-new Lemon-Aid Used Cars and Trucks 2012-2013 has the answers, including: More vehicles rated, with some redesigned models that don ' t perform as well as previous iterations downrated. More roof crash-worthiness ratings along with an expanded cross-border shopping guide. A revised summary of safety- and performance-related defects that are likely to affect rated models. More helpful websites listed in the appendix as well as an updated list of the best and worst "beaters" on the market. More "secret" warranties taken from automaker internal service bulletins and memos than ever.

Lemon-Aid Used Cars and Trucks 2012 – 2013 Edmunds Publications

Popular Science gives our readers the information and tools to improve their technology and their world. The core belief that Popular Science and our readers share: The future is going to be better, and science and technology are the driving forces that will help make it better.

- Detailed histories on popular models
- Certified Used Vehicle Information
- Hundreds of photographs
- Glossary of Used Car Buying Terms

In addition to these features, vehicle shoppers can benefit from the best they've come to expect from the Edmunds name: - True Market Value pricing for trade-in, private party and dealer retail - Highlighted yearly model changes - In-depth advice on buying and selling a used car

Gran Turismo 4 Dundurn

Presents a collection of reviews, ratings, and advice on a wide range of consumer products, including electronics, air conditioners, cell phones, automobiles, dryers, home theaters, and more.

Popular Science

Every company can point to a growth strategy. Few, however, systematically implement it; instead, they tweak current products with incremental innovations, or attempt to buy growth through acquisitions. Neither is a satisfactory solution. Internally generated growth accomplished thorough product line renewal and new service development is essential to the long-term vitality of business across industries. *The Fast Path to Corporate Growth* takes on the challenge large corporations have in developing new product lines that address new market applications and provide new streams of revenue. The book integrates the key disciplines--new product strategy, user research, concept development and prototyping, market testing, and business modeling--into a practical framework for generating enterprise growth. The book illustrates that framework with in-depth examples of companies--including IBM, Honda, and Mars--that have generated impressive results by leveraging their core technologies to new markets and to new uses. Many of these examples contain templates that readers can use in their own projects. The book also addresses the human side of new market applications, providing advice on what executives and innovation team leaders must do to execute the steps of Meyer's framework

for developing new market applications. This comprehensive guide to growth will appeal to R&D practitioners, new business development strategists, product managers, and to students in engineering management, innovation management, and corporate strategy.

Lemon-Aid Used Cars and Trucks 2010-2011

"The automotive maven and former Member of Parliament might be the most trusted man in Canada, an inverse relationship to the people he writes about." -- The Globe and Mail
Lemon-Aid shows car and truck buyers how to pick the cheapest and most reliable vehicles from the past 30 years of auto production. This brand-new edition of the bestselling guide contains updated information on secret service bulletins that can save you money. Phil describes sales and service scams, lists which vehicles are factory goofs, and sets out the prices you should pay. As Canada's automotive "Dr. Phil" for over 40 years, Edmonston pulls no punches. His Lemon-Aid is more potent and provocative than ever.

Atlas of Automobiles

For the first time in one volume, Phil Edmonston, Canada's automotive "Dr. Phil," covers all used vehicles, packing this guide with insider tips to help the consumer make the safest and cheapest choice possible from cars and trucks of the past 25 years.

Ward's Automotive Yearbook

"Since its first auto test 50 years ago, Consumer Reports has become the No. 1 source that car buyers turn to when buying a new or used vehicle" -USA Today.
Consumer Reports is the definitive authority on unbiased automotive ratings.
