Abu Dhabi EHSMS Regulatory Framework (AD EHSMS RF)
 A code of practice (CoP) provides minimum mandatory OSH technical requirements on a specific subject (e.g. Personal Protective Equipment). Each entity must ensure they are aware of the subject matter covered by the codes of practices and where this is part of their undertakings ensure that the minimum requirements are complied with.
 Abu Dhabi Environment, Health and Safety Management System ...
 Abu Dhabi Emirate Environment, Health and Safety Management System (AD EHSMS) was developed as per the directions of Abu Dhabi Government to manage environment, health and safety issues through the use of a framework that assists entities, in both private and government sector, to identify, control and reduce workplace risks and the impacts of their business activities, on the environment, human health and the safety of workers and the community.
