Building Your Homeschool on the Foundation of God's Word Penguin
Jesus Christ is arguably the most famous man who ever lived. His image adorns countless churches, icons, and paintings. He is the subject of millions of statues, sculptures, devotional objects and works of art. Everyone can conjure an image of Jesus: usually as a handsome, white man with flowing locks and pristine linen robes. But what did Jesus really look like? Is our popular image of Jesus overly westernized and untrue to historical reality? This question continues to fascinate. Leading Christian Origins scholar Joan E. Taylor surveys the historical evidence, and the prevalent image of Jesus in art and culture, to suggest an entirely different vision of this most famous of men. He may even have had short hair.

Lost Girl A&C Black

Discovered in 1929, the Manichaeans "Kephalaia" have opened up an important window on the early development of Manichaean doctrine. This study identifies a significant redactional tendency whereby the compilers of the text sought to clarify ambiguities in canonical Manichaean tradition by means of five-part numerical series. This discovery challenges the conventional wisdom of Manichaean scholarship, which has long maintained that, since Mani recorded his own teachings in a series of what later became canonical writings, Manichaean doctrines were transmitted relatively unchanged from the master to successive generations of disciples. Since this assumption is now called into question, it now becomes necessary to re-evaluate received notions about the shape of both the Manichaean canon and tradition.

The Color Purple Little, Brown

#1 New York Times Bestseller "THIS. This is the right book for right now. Yes, learning requires focus. But, unlearning and relearning requires much more—it requires choosing courage over comfort. In *Think Again*, Adam Grant weaves together research and storytelling to help us build the intellectual and emotional muscle we need to stay curious enough about the world to actually change it. I've never felt so hopeful about what I don't know." —Brené Brown, Ph.D., #1 New York Times bestselling author of *Dare to Lead* The bestselling author of *Give and Take* and *Originals* examines the critical art of rethinking: learning to question your opinions and open other people's minds, which can position you for excellence at work and wisdom in life Intelligence is usually seen as the ability to think and learn, but in a rapidly changing world, there's another set of cognitive skills that might matter more: the ability to rethink and unlearn. In our daily lives, too many of us favor the comfort of conviction over the discomfort of doubt. We listen to opinions that make us feel good, instead of ideas that make us think hard. We see disagreement as a threat to our egos, rather than an opportunity to learn. We surround ourselves with people who agree with our conclusions, when we should be gravitating toward those who challenge our thought process. The result is that our beliefs get brittle long before our bones. We think too much like preachers defending our sacred beliefs, prosecutors proving the other side wrong, and politicians campaigning for approval--and too little like scientists searching for truth. Intelligence is no cure, and it can even be a curse: being good at thinking can make us worse at rethinking. The brighter we are, the blinder to our own limitations we can become.

Organizational psychologist Adam Grant is an expert on opening other people's minds--and our own. As Wharton's top-rated professor and the bestselling author of *Originals* and *Give and Take*, he makes it one of his guiding principles to argue like he's right but listen like he's wrong. With bold ideas and rigorous evidence, he investigates how we can embrace the joy of being

wrong, bring nuance to charged conversations, and build schools, workplaces, and communities of lifelong learners. You'll learn how an international debate champion wins arguments, a Black musician persuades white supremacists to abandon hate, a vaccine whisperer convinces concerned parents to immunize their children, and Adam has coaxed Yankees fans to root for the Red Sox. *Think Again* reveals that we don't have to believe everything we think or internalize everything we feel. It's an invitation to let go of views that are no longer serving us well and prize mental flexibility over foolish consistency. If knowledge is power, knowing what we don't know is wisdom.

The Song of Achilles BEYOND BOOKS HUB

The #1 New York Times Bestseller: "A hilarious take on that age-old problem: getting the beloved child to go to sleep" (NPR). "Hell no, you can't go to the bathroom. You know where you can go? The f**k to sleep." *Go the Fuck to Sleep* is a book for parents who live in the real world, where a few snoring kitties and cutesy rhymes don't always send a toddler sailing blissfully off to dreamland. Profane, affectionate, and radically honest, it captures the familiar—and unspoken—tribulations of putting your little angel down for the night. Read by a host of celebrities, from Samuel L. Jackson to Jennifer Garner, this subversively funny bestselling storybook will not actually put your kids to sleep, but it will leave you laughing so hard you won't care.

World History Made Simple Yale University Press

From a Pulitzer Prize and National Book Award finalist, a ferociously intimate story of a family facing the ultimate question: how far will we go to save the people we love the most? When Margaret's fiancée, John, is hospitalized for depression in 1960s London, she faces a choice: carry on with their plans despite what she now knows of his condition, or back away from the suffering it may bring her. She decides to marry him. *Imagine Me Gone* is the unforgettable story of what unfolds from this act of love and faith. At the heart of it is their eldest son, Michael, a brilliant, anxious music fanatic who makes sense of the world through parody. Over the span of decades, his younger siblings -- the savvy and responsible Celia and the ambitious and tightly controlled Alec -- struggle along with their mother to care for Michael's increasingly troubled and precarious existence. Told in alternating points of view by all five members of the family, this searing, gut-wrenching, and yet frequently hilarious novel brings alive with remarkable depth and poignancy the love of a mother for her children, the often inescapable devotion siblings feel toward one another, and the legacy of a father's pain in the life of a family. With his striking emotional precision and lively, inventive language, Adam Haslett has given us something rare: a novel with the power to change how we see the most important people in our lives. "Haslett is one of the country's most talented writers, equipped with a sixth sense for characterization"-Wall Street Journal "Ambitious and stirring . . . With *Imagine Me Gone*, Haslett has reached another level."-New York Times Book Review

Grendel Harper Collins

SHORTLISTED FOR THE ORANGE PRIZE FOR FICTION 2012 Greece in the age of heroes. Patroclus, an awkward young prince, has been exiled to the court of King Peleus and his perfect son Achilles. Despite their differences, Achilles befriends the shamed prince, and as they grow into young men skilled in the arts of war and medicine, their bond blossoms into something deeper - despite the displeasure of Achilles's mother Thetis, a cruel sea goddess. But when word comes that Helen of Sparta has been kidnapped, Achilles must go to war in distant Troy and fulfill his destiny. Torn between love and fear for his friend, Patroclus goes with him, little knowing that the years that follow will test everything they hold dear.

Natalism and Bible Interpretation in Modern America Mentor

With no memory of the car accident itself, 17-year-old Mia must come to terms with never really knowing what happened one horrific winter's day that changed her life forever.

For the Roses Roaring Brook Press

Set amidst the devastation of climate change and global pandemics, *Lost Girl* is a dystopian nightmare from the master of horror Adam Nevill. How far will he go to save his daughter? How far will he go to get revenge? It's 2053 and climate change has left billions homeless and starving - easy prey for the pandemics that sweep across the globe, scything through the refugee populations. Easy prey, too, for the violent gangs and people-smugglers who thrive in the crumbling world where 'King Death' reigns supreme. The father's world went to hell two years ago. His four-year-old daughter was snatched from his

garden when he should have been watching. The moments before her disappearance play in a perpetual loop in his mind. But the police aren't interested; amidst floods, hurricanes and global chaos, who cares about one more missing child? Now it's all down to him to find her, him alone . . .

The Beginning of Wisdom Mott Media (MI)

Winner of the Pulitzer Prize and the National Book Award, this novel about a resilient and courageous woman has become a Broadway show and a cultural phenomenon. A PBS Great American Read Top 100 Pick *Celie* has grown up poor in rural Georgia, despised by the society around her and abused by her own family. She strives to protect her sister, Nettie, from a similar fate, and while Nettie escapes to a new life as a missionary in Africa, Celie is left behind without her best friend and confidante, married off to an older suitor, and sentenced to a life alone with a harsh and brutal husband. In an attempt to transcend a life that often seems too much to bear, Celie begins writing letters directly to God. The letters, spanning twenty years, record a journey of self-discovery and empowerment guided by the light of a few strong women. She meets Shug Avery, her husband's mistress and a jazz singer with a zest for life, and her stepson's wife, Sophia, who challenges her to fight for independence. And though the many letters from Celie's sister are hidden by her husband, Nettie's unwavering support will prove to be the most breathtaking of all. *The Color Purple* has sold more than five million copies, inspired an Academy Award-nominated film starring Oprah Winfrey and directed by Steven Spielberg, and been adapted into a Tony-nominated Broadway musical. Lauded as a literary masterpiece, this is the groundbreaking novel that placed Walker "in the company of Faulkner" (*The Nation*), and remains a wrenching—yet intensely uplifting—experience for new generations of readers. This ebook features a new introduction written by the author on the twenty-fifth anniversary of publication, and an illustrated biography of Alice Walker including rare photos from the author's personal collection. *The Color Purple* is the 1st book in the *Color Purple Collection*, which also includes *The Temple of My Familiar* and *Possessing the Secret of Joy*.

School's First Day of School Astra Publishing House

Read evidence here that the writings in Genesis are more ancient than historians admit. Moreover, the Sumerians and other early peoples left us documents that corroborate the Genesis history.

ANTHEM BRILL

Noted New Testament scholar Poythress provides an understandable and practical look into Revelation in this insightful commentary. Poythress focuses on Revelation's core message and ensures that its details do not cloud the big picture. He shows Revelation to be a picture book, not a puzzle book, relevant and applicable to the daily lives of Christians.

Deep Work Open Road Media

One of the most stunning, unique and captivating books on the account of the Ark and the global Flood of Noah's day ever produced. Based on the account recorded in Genesis 6-9 in the Bible, the narrative is true to the biblical record and its timeline of events concerning Noah and the Great Flood, with added insight as to what it might have been like to be in Noah's shoes. The thrilling adventure of Noah comes to life through the dazzling, detailed illustrations by Bill Looney in the exciting *True Story of Noah's Ark*. The images of the interior of Noah's ark are like nothing you've ever seen before. The people and cities depicted here are certainly more advanced than what you've been led to believe And this is not fiction - it's all biblically and historically based. This book is not just material for Ministry to Children, but can also be used as an excellent Evangelical tool because it comes directly from the multi-media presentation of author Tom Dooley, who uses it to witness to multitudes of people across America every week. This dramatic and exciting retelling of a timeless Bible story is an excellent resource and should have a place in every Church Library. *Death in Adam, Life in Christ* Harper Collins

This work reevaluates the biblical house of the father in light of the anthropological critique of the patrilineal model. It uncovers and defines the contours of an underappreciated yet socially significant kinship unit in the Bible: 'the house of the mother.'

Rules for Focused Success in a Distracted World Pollock Pines, CA : Arrow Press
Radically reorienting our understanding of the Enlightenment, this book explores the complex relations between "enlightened" values and the making of scientific knowledge. Here monsters and automata, barometers and botanical gardens, polite academics and boisterous clubs, plans for violent wars and for universal peace, are all relocated in the

landscape of enlightened Europe. The contributors show how changing forms of discipline, machinery, and instrumentation affected the emergence of new kinds of knowledge; consider how institutions of public rate taste and conversation helped provide a common frame for the study of human and nonhuman natures; and explore the regional operations of scientific culture at the geographical fringes of Europe. Covering a wide range of scientific disciplines, both in the principal European countries and in areas peripheral to Europe, the book also includes ample illustrations and an extensive bibliography. Implicated in the rise of both fascism and liberal secularism, the moral and political values that shaped the Enlightenment remain controversial today. Through careful scrutiny of how these values influenced and were influenced by the concrete practices of its sciences, this book gives us an entirely new sense of the Enlightenment. -- from back cover.

Imagine Me Gone JHU Press

Read the Wall Street Journal Bestseller for "cultivating intense focus" for fast, powerful performance results for achieving success and true meaning in one's professional life (Adam Grant, author of Give and Take). Deep work is the ability to focus without distraction on a cognitively demanding task. It's a skill that allows you to quickly master complicated information and produce better results in less time. Deep Work will make you better at what you do and provide the sense of true fulfillment that comes from craftsmanship. In short, deep work is like a super power in our increasingly competitive twenty-first century economy. And yet, most people have lost the ability to go deep-spending their days instead in a frantic blur of e-mail and social media, not even realizing there's a better way. In Deep Work, author and professor Cal Newport flips the narrative on impact in a connected age. Instead of arguing distraction is bad, he instead celebrates the power of its opposite. Dividing this book into two parts, he first makes the case that in almost any profession, cultivating a deep work ethic will produce massive benefits. He then presents a rigorous training regimen, presented as a series of four "rules," for transforming your mind and habits to support this skill. 1. Work Deeply 2. Embrace Boredom 3. Quit Social Media 4. Drain the Shallows A mix of cultural criticism and actionable advice, Deep Work takes the reader on a journey through memorable stories-from Carl Jung building a stone tower in the woods to focus his mind, to a social media pioneer buying a round-trip business class ticket to Tokyo to write a book free from distraction in the air-and no-nonsense advice, such as the claim that most serious professionals should quit social media and that you should practice being bored. Deep Work is an indispensable guide to anyone seeking focused success in a distracted world. An Amazon Best Book of 2016 Pick in Business & Leadership Wall Street Journal Business Bestseller A Business Book of the Week at 800-CEO-READ

Matching History with the Bible Simon and Schuster

The first and most terrifying monster in English literature, from the great early epic Beowulf, tells his own side of the story in this frequently banned book. This classic and much lauded retelling of Beowulf follows the monster Grendel as he learns about humans and fights the war at the center of the Anglo Saxon classic epic. This is the book William Gass called "one of the finest of our contemporary fictions."

*Go the F**k to Sleep* Adam and His Kin The Lost History of Their Lives and Times

In 1250 B.C. the teenaged son of the Egyptian high priest sets off a series of harrowing events when he accidentally kills the sacred cat of Bubastes and, accompanied by his sister and two foreign slaves, embarks on a dangerous journey to find safe haven beyond the borders of Egypt.

This Weightless World University of Chicago Press

Mummies, pyramids, and pharaohs! The culture and civilization of the ancient Egyptians have fascinated people for centuries and some have direct correlation to biblical events. Authors David Down and John Ashton present a groundbreaking new chronology in Unwrapping the Pharaohs that shows how Egyptian Archaeology supports the biblical timeline. Go back in time as famous Egyptians such as the boy-king Tutankhamen, and the beautiful Cleopatra are brought to life in this captivating new look at Egyptian history from a biblical worldview.

All the King's Men Open Road Media

This multilevel (K-12), Bible-focused unit study utilizes the Charlotte Mason approach and the Internet. The first eleven chapters describe Creation, the Fall, the Flood, and the origin of nations.
