#1 NEW YORK TIMES BESTSELLER • David Brooks challenges us to rebalance the scales between the focus on external success—“ résumé virtues”—and our core principles. **NAMED ONE OF THE BEST BOOKS OF THE YEAR BY THE ECONOMIST** With the wisdom, humor, curiosity, and sharp insights that have brought millions of readers to his New York Times column and his previous bestsellers, David Brooks has consistently illuminated our daily lives in surprising and original ways. In *The Social Animal*, he explored the neuroscience of human connection and how we can flourish together. Now, in *The Road to Character*, he focuses on the deeper values that should inform our lives. Looking to some of the world’s greatest thinkers and inspiring leaders, Brooks explores how, through internal struggle and a sense of their own limitations, they have built a strong inner character. Labor activist Frances Perkins understood the need to suppress parts of herself so that she could be an instrument in a larger cause. Dwight Eisenhower organized his life not around impulsive self-expression but considered self-restraint. Dorothy Day, a devout Catholic convert and champion of the poor, learned as a young woman the vocabulary of simplicity and surrender. Civil rights pioneers A. Philip Randolph and Bayard Rustin learned reticence and the logic of self-discipline, the need to distrust oneself even while waging a noble crusade. Blending psychology, politics, spirituality, and confessional, *The Road to Character* provides an opportunity for us to rethink our priorities, and strive to build rich inner lives marked by humility and moral depth. “Joy,” David Brooks writes, “is a byproduct experienced by people who are aiming for something else. But it comes.” Praise for *The Road to Character* “A hyper-readable, lucid, often richly detailed human story.” —*The New York Times Book Review* “This profound and eloquent book is written

with moral urgency and philosophical elegance.” —Andrew Solomon, author of *Far from the Tree* and *The Noonday Demon* “A powerful, haunting book that works its way beneath your skin.” —*The Guardian*

“Original and eye-opening . . . Brooks is a normative version of Malcolm Gladwell, culling from a wide array of scientists and thinkers to weave an idea bigger than the sum of its parts.” —*USA Today*

What if the Ten Commandments were not just a set of ancient rules, but a guide to experiencing the good life today? “Adam Hamilton is a teacher of the highest order, able to bridge the gap between very old divine teaching and very current human reality.” —Barbara Brown Taylor, author of *Always a Guest: Speaking of Faith Far from Home* Nearly everyone has heard of the Ten Commandments, the list of “thou-shalt-nots” found in the Bible. Jesus saw these commandments not as onerous burdens, but as guideposts to help us experience a good and beautiful life. These ten ancient “words” were given to us by a loving God who longed to set safe boundaries, create order out of chaos, help communities live peacefully, and protect us—often from

ourselves. In this book of Scripture and inspiration, bestselling author Adam Hamilton brings modern eyes to the most important set of ethics in history. He considers the commandments in their historical context, considering the meaning of each commandment in Hebrew, unpacking how Jesus reinterpreted them, and showing how every thou-shalt-not was intended to point to a life-giving "thou shalt." He also explores how the latest research in science and psychology illuminates these commandments, rightly understood, as a way of ordering one's life beautifully in the present day. In a culture marked by workaholicism, materialism, and social media-driven envy, God has given us a time-tested path that leads to gratitude, confidence, and peace. A landmark work from one of our most trusted biblical thinkers, *Words of Life* is an inspiring, thought-provoking read for anyone seeking to live a meaningful and joyful life.

Learn how to face and overcome the fears we feel about loneliness, illness, financial insecurity, disappointing others, failure, insignificance, and aging "A thoughtful, literate, faith-filled guide to reclaiming our minds and our lives." —John Ortberg, senior pastor of Menlo Church and author of *I'd Like You More If You Were More Like Me* You'd be hard-pressed to overstate the extent to which fear, anxiety, and worry permeate our lives today. Fear wreaks havoc on our relationships and communities. It leads us into making bad decisions. It holds us back from the very pursuits that promise fulfillment and joy. As the senior pastor of a large, diverse church in America's heartland, Adam Hamilton has seen the cost of fear up close. When he surveyed his congregation on how fear affects them, 2,400 people responded—and what they said was eye-opening. Eighty percent admitted to living with moderate or significant levels of fear. *Unafraid* is Hamilton's insightful and impassioned response. Drawing on recent research, inspiring real-life examples, and fresh biblical insight, Hamilton uses a mixture of facts and faith to help readers understand and counter fears

related to such outsize perils as death and illness, as well as the everyday anxieties all of us encounter. He invites us to: Face our fears with a bias of hope Examine our fears in light of the facts Attack our anxieties with action Release our cares to God Writing with generosity and intelligence, Hamilton shows how believer and unbeliever alike can develop sustaining spiritual practices and embrace Jesus's recurring counsel: "Do not be afraid." For anyone struggling with fear or wondering how families and communities can thrive in troubled times, *Unafraid* offers an informed and inspiring message full of practical solutions.

The Education of Henry Adams is an autobiography that records the struggle of Bostonian Henry Adams (1838–1918), in his later years, to come to terms with the dawning 20th century, so different from the world of his youth. It is also a sharp critique of 19th-century educational theory and practice. In 1907, Adams began privately circulating copies of a limited edition printed at his own expense. Commercial publication of the book had to await its author's 1918 death, whereupon it won the 1919 Pulitzer Prize. The Modern Library placed it first in a list of the top 100 English-language nonfiction books of the 20th century.

Madeline Oxley could not completely fault Adam Coates. Her father had hoodwinked them both...but now that she stood at last before him, how could she ever walk away? "Your father sent me the wrong bride!" Madeline gritted her teeth. "Sir, you are not the only one who has been inconvenienced by this. I just spent forty-six days on a damp, creaky ship, and now you tell me in front of everyone that I'm not the one you ordered, and I shouldn't have bothered. I believe I've had quite enough insults for one day. My father assured me you had asked for my hand. I had no reason to question the truth of it." Adam's chest heaved with a sigh. "No reason to question it? Do you not have a mind of your own?" Oh, this was too much. "To tell you the

truth, Mr. Coates, I do have a mind of my own—a mind to poke my father with a knitting needle, and if I may say so, you could use a poke yourself!"

God's Big Picture Thomas Nelson

"This is absorbing, headlong reading, a
play on classic horror with an
inventiveness of its own... As with all the
best illusions, you are left feeling not
tricked, but full of wonder." – The New
York Times The haunting new thriller
from Alex North, author of the New York
Times bestseller *The Whisper Man* You
knew a teenager like Charlie Crabtree. A
dark imagination, a sinister smile--always
on the outside of the group. Some part of
you suspected he might be capable of
doing something awful. Twenty-five
years ago, Crabtree did just that,
committing a murder so shocking that it 's
attracted that strange kind of infamy that
only exists on the darkest corners of the
internet--and inspired more than one
copycat. Paul Adams remembers the case
all too well: Crabtree--and his
victim--were Paul 's friends. Paul has
slowly put his life back together. But now
his mother, old and suffering from
dementia, has taken a turn for the worse.
Though every inch of him resists, it is
time to come home. It's not long before
things start to go wrong. Paul learns that
Detective Amanda Beck is investigating
another copycat that has struck in the
nearby town of Featherbank. His mother
is distressed, insistent that there's
something in the house. And someone is
following him. Which reminds him of the

most unsettling thing about that awful day
twenty-five years ago. It wasn't just the
murder. It was the fact that afterward,
Charlie Crabtree was never seen again...
