*List of adaptations of works by Stephen King - Wikipedia*

Any list of best short story adaptations wouldn't be complete without the modern purveyor of all things horror, Stephen King.

While the 1980s were the heyday for Stephen King adaptations, Frank Darabont's version of *The Mist* in 2007 was remarkable both for the effective scares, but imaginative Lovecraftian world-building.

With that being said, many screenwriters have succeeded in creating compelling film adaptations of short stories that deserve recognition. 1. "Rear Window" (1954) Based on the short story titled "It Had to be Murder" by Cornell Woolrich, this cinematic classic takes Woolrich's story to a whole

new level.

Screenwriter John Michael Hayes did a magnificent job adapting the literary work, and though the short story is worth reading, the screen adaptation is much more entertaining.

**Literary adaptation - Wikipedia**

There are a million and one adaptations of this classic short

story across media, so in the interest of not losing my head (ha ha), I'll just mention the most famous one, the middling Tim Burton movie (that nonetheless won an Academy Award for Art Direction) in which Christina Ricci is inexplicably blonde, Johnny Depp has Cool Goggles, and Christopher Walken needs serious dental work.

Successful Short Story Adaptations - Articles - Narrative ...

Literary adaptation is the adapting of a literary source (e.g. a novel, short story, poem) to another genre or medium, such as a film, stage play, or video game..

It can also involve adapting the same literary work in the same genre or medium just for different purposes, e.g. to work with a smaller cast, in a smaller venue (or on the road), or for a different demographic group (such as ...
