Addicted to Romance: The Life and Adventures of Elinor ...

Romance is like alcohol – it can become an addiction, consuming us, destroying lives and ruining relationships with those closest to us. Some people can't seem to get enough of it. They seek it out in the most unacceptable of places – their friend's spouse, a young impressionable co-worker, or an ex that they can't quite seem to let go of.

Love Plus Addiction Love and codependency may coexist or be hard to differentiate, because codependents idealize and often happily self-sacrifice for their partner. When differences and serious problems are largely ignored, minimized, or rationalized, it looks more like codependency, because we're not really seeing or loving the whole person.

Relationship addicts crave unconditional love, but live in constant fear of

abandonment if they don't live up to their own impossible standards. They want to be free to love, but often trap themselves in a relationship by becoming pregnant or by weaving some other type of emotional spider web.

[Love Addiction | Romance Addiction](#)

Love affairs are as addictive as alcohol or drugs due to the good feelings they illicit in the cheater. That "in love" feeling gives the cheater a sort of chemical high. He/she will continue the affair until the relationship is exposed to the realities of day to day life. Below are 8 characteristics of cheating "love." 1.

Addicted to Love, Part 3: A Return to Love | HuffPost Life

Love can be a beautiful thing, but it's not the only good thing in this life. It should never be rushed or forced, nor should the idea of finding love be more important than the love itself once it's in your life. Here are 10 signs you're addicted to love:
