Companionship for the lifelong journey of recovery In Addiction and Recovery: A Spiritual Pilgrimage, Martha Postlethwaite--pastor and a person in recovery--reflects on her pilgrimage of healing through valleys of despair and vistas of resurrection. Addiction and Recovery is not just Postlethwaite's story, though. She also draws on the wisdom of pilgrims who have walked other paths to explore themes such as surrender, truth telling, shame, powerlessness, grace, forgiveness, and resurrection. Together, these chronicles bring hope to people who struggle with the disease of addiction and to those who love them. Each chapter ends with questions to reflect on with conversation partners or in a journal, and a spiritual practice. The spiritual practices are related to the chapter themes and serve as samplers, but they can be woven into the reader's own

pilgrimage. Readers will recognize themselves in these stories and reflections, learn that they are not alone, and find reasons to hope as they make their own pilgrimage.

It has been over twenty years since the publication of The Ragamuffin Gospel, a book many claim as the shattering of God's grace into their lives. Since that time, Brennan Manning has been dazzlingly faithful in preaching and writing variations on that singular theme – "Yes, Abba is very fond of you!" But today the crowds are gone and the lights are dim, the patches on his knees have faded. If he ever was a ragamuffin, truly it is now. In this his final book, Brennan roves back his past, honoring the lives of the people closest to him, family and friends who've known the saint and the sinner, the boy and the man. Far from some chronological timeline, these memories are witness to the truth of life by one who has lived it – All Is Grace.

The Rogue Christian Simon and Schuster Church basements are curious places. Playing host to the vibrant world of 12 Step Recovery, they witness the sort of healing and redemption that would make those on the ground floor proud, and maybe even envious. Yet despite the Church and Alcoholics Anonymous both being in the business of bringing "hope to the hopeless," the two worlds seldom seem to interact. Packed with vivid illustrations, good humor, and practical wisdom, Grace in Addiction attempts to bridge this divide and carry the unexpected good news of AA out of the basement and into the pews--and beyond!

Recommended for anyone who has struggled with addiction, knows someone who has struggled with addiction, or spent any time living and/or breathing.

Poverty of Spirit Harper Collins

A launching pad for your spiritual journey, this

inspiring book provides clear, specific, and practical guidelines for becoming a Christian who lives like Christ. Christians today live in a world that is activity heavy and relationship light. The result is spiritual emptiness. We struggle to know what God wants from us and for us . . . and we 're unsure what a real relationship with God really looks like. But that was never God 's idea. HIS idea of faith is not about rules or religion— it 's about relationship. That 's where God tells us to start. In Romans 12, God gives us a clear picture of what Christians should look like at the root level. If you 're ready to move from "in" to "all in," then you 're ready to become a Romans 12 Christian. The next steps of your journey toward true spirituality start here.

Before there was light, God was. In fact, darkness is the medium God worked in to create the world, the universe, and all material things. Certainly, God lives in the warmth of sunlight and within our happiest days--but God also dwells in darkness. In *Sacred Darkness*, Paul Coutinho, SJ, examines how many Christians are fearful of dark times and struggles, yet it is often darkness that sheds light on our world and helps us live more

effectively and more fully in the painful situations of our lives. Throughout the book, Coutinho shares powerful stories of how darkness can empower us--from a self-destructive alcoholic, to St. Ignatius, to the author himself. Ultimately, *Sacred Darkness* encourages us to overcome our "fear" or the dark by exploring the legitimate role of darkness on the spiritual journey. By learning to embrace darkness rather than run from it, we can experience God's love in ways and in places where we would least expect it.

A moving illustration of the power of grace to elevate us during troubling times, Jeff Jay offers a soulful account of his solo sailing journey that turned into a battle for survival on the open sea. Jeff Jay 's recent life was full of tragedy: his marriage had ended, his father had passed away, his brother had committed suicide, and Jeff 's own alcoholism had taken him to the edge of death. In his desire for a fresh start, Jeff set out on a solo adventure by sea on an old sloop named *Lifeboat*. It ultimately became a journey of personal transformation. He cast off in Annapolis, Maryland, with an eye toward the Caribbean. Finally able to breathe, Jeff relaxed into his first day sailing the Atlantic when a dark winter storm descended, tossing him into a week-long fight for survival on the open sea. As he faced the realization that only divine intervention could deliver him from certain death, Jeff desperately called on the deity that had intervened in the darkest hours of his addiction years earlier. An intensely personal testimony to calling on the power of grace in our darkest hours, Jeff 's is a beautifully written tale of far-fetched dreams, desperate prayers, and those miraculous moments that change our lives forever.

Does Christianity have an answer for addiction? As longtime pastor Mike Quarles 's alcoholism worsened over eight years, churches and Christians referred him to treatment, 12-Step programs, therapy...nothing worked. Steve McVey, also a pastor, repeatedly dished out the same advice Mike received, with similarly poor results... ..Until, in their frustration, God led them back to basic, addiction-breaking truths of His Word. The authors explain these for readers who want to help someone or who struggle themselves, because freedom from addiction is found only when Christians fully believe what God says about their identity move beyond the 12-Step

concept of inescapable "addict identity" stop harboring unforgiveness, get radically right with God, and dwell in who they are in Christ, which excludes engaging in addictive behaviors as a lifestyle. Material on codependency is included, as is information on implementing recovery/support groups for those leaving addiction and starting to live in God 's glorious freedom.

present a unique set of challenges for pastoral care. In this book Sonia Waters weaves together personal stories, research, and theological reflection to offer helpful tools for ministers, counselors, chaplains, and anyone else called to care pastorally for those struggling with addiction. Waters uses the story of the Gerasene demoniac in Mark ' s Gospel to reframe addiction as a " soul-sickness " that arises from a legion of individual and social vulnerabilities. She includes pastoral reflections on oppression, the War on Drugs, trauma, guilt, discipleship, and identity. The final chapters focus on practical-care skills that address the challenges of recovery, especially ambivalence and resistance to change.
