The Things I Didn't Say Greenleaf Book Group

Most anticipated by USA Today, W Magazine, New York Post, Parade, Bustle, BuzzFeed, Reader's Digest, PopSugar and more! "A beautifully rendered portrait of a young woman finding her courage and her voice."—Lisa Wingate, #1 New York Times bestselling author North Carolina, 1946. One woman. A discovery that could rewrite history. Maddie Sykes is a burgeoning seamstress who's just arrived in Bright Leaf, North Carolina—the tobacco capital of the South—where her aunt has a thriving sewing business. After years of war rations and shortages, Bright Leaf is a prosperous wonderland in full technicolor bloom, and Maddie is dazzled by the bustle of the crisply uniformed female factory workers, the palatial homes, and, most of all, her aunt's glossiest clientele: the wives of the

powerful tobacco executives. But she soon learns that Bright Leaf isn't quite the carefree paradise that it seems. A trail of misfortune follows many of the women, including substantial health problems, and although Maddie is quick to believe that this is a coincidence, she inadvertently uncovers evidence that suggests otherwise. Maddie wants to report what she knows, but in a town where everyone depends on Big Tobacco to survive, she doesn't know who she can trust—and fears that exposing the truth may destroy the lives of the proud, strong women with whom she has forged strong bonds. Shedding light on the hidden history of women's activism during the post-war period, at its heart, *The Tobacco Wives* is a deeply human, emotionally satisfying, and dramatic novel about the power of female connection and the importance of seeking truth.

"This is a story of courage, of women willing to take a stand in the face of corporate greed, and most definitely a tale for our times."
—Fiona Davis, New York Times bestselling author

The Flight of Gemma Hardy Address Unknown

"It sounds like a simple thing, to say what you see," Mark Doty begins. "But try to find words for the shades of a mottled sassafras leaf, or the reflectivity of a bay on an August morning, or the very beginnings of desire stirring in the gaze of someone looking right into your eyes . . ." Doty finds refuge in the sensory experience found in poems by Blake, Whitman, Bishop, and others. *The Art of Description* is an invaluable book by one of America's most revered writers and teachers.

In this triumphant debut inspired by true events, a ragtag gang of journalists and resistance fighters risk everything for an elaborate scheme to undermine the Reich. The Nazis stole their voices. But they would not be silenced. Brussels, 1943. Twelve-year-old street orphan Helene survives by living as a boy and selling copies of the country's most popular newspaper, *Le Soir*, now turned into Nazi propaganda. Helene's world changes when she befriends a rogue journalist, Marc Aubrion, who draws her into a secret network that

publishes dissident underground newspapers. The Nazis track down Aubrion's team and give them an impossible choice: turn the resistance newspapers into a Nazi propaganda bomb that will sway public opinion against the Allies, or be killed. Faced with no decision at all, Aubrion has a brilliant idea. While pretending to do the Nazis' bidding, they will instead publish a fake edition of *Le Soir* that pokes fun at Hitler and Stalin—daring to laugh in the face of their oppressors. The ventriloquists have agreed to die for a joke, and they have only eighteen days to tell it. Featuring an unforgettable cast of characters and stunning historical detail, E.R. [The Blood Of The Martyrs](#) Indianapolis, The Bobbs-Merrill Company [c1925]

Introduced by Donald Smith. Set in Rome during Nero's reign of terror, *The Blood of the Martyrs* is a disciplined historical novel tracing the destruction of one cell of the early church. With a cast of slaves, ordinary Roman people, exiles and entertainers, it is thorough in its historical interpretation and in its determination to make the past accessible and readable.

Written in 1938-9, the novel contains many symbolic parallels to the rise of European fascism in the 1930s and the desperate plight of persecuted minorities such as the Jews and the left-wing activists with whom Naomi Mitchison personally campaigned at the time. With the invasion of Britain a real possibility, she felt compelled to write a testament to the power of human solidarity which, even faced with death, can overcome the worst that human evil can achieve. *The Blood of the Martyrs* is the least autobiographical of Mitchison's major works of fiction, yet, with its implicit credo, is her most passionately self-revealing. ' . . .

when a novelist is historically faithful in these treacherous waters of the human psyche, the results are tremendous. As a twentieth-century

woman, it no doubt hurt Naomi Mitchison a good deal to describe the savagery of the early Christian persecution in *The Blood of the Martyrs* . . . But it is the pain that gives the history its lifeblood. The imagination that is a novelist's fuel must be harnessed to serve history as history was, not as anyone wishes it had been.' The Man Who Stalked Einstein Xlibris Corporation

A middle-aged Jewish man who fantasizes about being a cowboy goes on an eccentric quest across Europe after the 1941 Nazi invasion of Lithuania in this wild and witty yet heartrending novel from the bestselling author of *Yiddish for Pirates*, shortlisted for the Scotiabank Giller Prize. Motl is middle-aged, poor, nerdy, Jewish and in desperate need of a shave. Since having his balls shot cleanly off as a youth in WWI, he's lived a quiet life at home in Vilnius with his shrewd and shrewish mom, Gitl, losing himself in the masculine fantasy world of cowboy novels by writers like Karl May--novels equally loved by Hitler, whose troops have just invaded Lithuania and are out to exterminate people like Motl. In his dreams, Motl is a fast-talking, rugged, expert gunslinger capable of dealing with the Nazi threat. But only in his dreams. As friends and neighbours are killed around them, Motl and Gitl escape from Vilnius, saving their own skins. But they immediately risk everything to try rescue relatives they hope are still alive. With death all around him, Motl decides that a Jew's best revenge is not only to live, but to procreate. In order to achieve this, though, he must relocate those most crucial pieces of his anatomy lost to him in a glacier in the Swiss Alps in the

previous war. It's an absurd yet life-affirming mission, made even more urgent when he's separated from his mother, and isn't sure whether she's alive or dead. Joining forces, and eventually hearts, with Esther, a Jewish woman whose family has been killed, Motl ventures across Europe, a kaleidoscope of narrow escapes and close encounters with everyone from Himmler, to circus performers, double agents, quislings, fake "Indians" and real ones. Motl at last figures out that he has more connection to the Indigenous characters in western novels than the cowboys. An imaginative and deeply felt exploration of genocide, persecution, colonialism and masculinity--saturated in Gary Barwin's sharp wit and perfect pun-play--*Nothing the Same, Everything Haunted: The Ballad of Motl the Cowboy* is a one-of-a-kind novel of sheer genius.
