96 Great Interview Questions to Ask Before You Hire Currency

You have brushed up on the tough interview questions. You have covered every area of your resume including that three month unemployment gap and you have studied up on the company. But there is one more thing you

may not have thought of some questions you want to ask in your interview. Many prospective employees do not realize, or forget, that the interview process is a two way street. When the formal interview is over and the interviewer asks if you have any questions, now is the time to distance yourself from the competition. You should be asking questions to determine whether you would be happy in the position or with the company, but you need to ask the right questions. The questions you ask will help show what you can contribute to the organization. They also can help you figure out if you want this job. In this groundbreaking new book you will find over two hundred of the RIGHT kinds of questions to ask. You will be able to stand out from the others competing for the job and gain valuable insight into what working for a company would be like. Atlantic Publishing is a small, independent publishing company based in Ocala, Florida. 101 Job Interview Questions You'll Never
Fear Again Rowman & Littlefield

Employers today are using increasingly tough interview questions to evaluate candidates based on key competencies and determine how well they think on their feet. To stand out in these competency-based interviews, job seekers must be prepared with situation-specific examples and answers to questions that highlight their accomplishments, knowledge, and abilities--and clearly display how all three meet their potential employers' needs. In 201 Knockout Answers to Tough Interview Questions, you'll learn the five core competencies most interviewers are looking for--individual responsibility (decisiveness, independence, flexibility, career goals); managerial skills (leadership, delegation, strategic planning); motivational factors (ambition, initiative); analytical skills (problem

solving, attention to detail); and people skills (teamwork, communication, customer service)--and will gain a storehouse of sample interview answers that consistently highlight your ability in these areas. Featuring fill-in-the-blank exercises and a plethora of traditional and quirky interview questions to help you prepare, this powerful book will help you get noticed by key players during the interview process--no matter what questions get thrown your way.
