Adobe Photoshop CS6 Classroom in a Book Peachpit Press
Adobe Acrobat DC Classroom in a Book, Third Edition, is the most thorough and comprehensive way for you to learn how to reliably create, edit, share, and sign PDF documents and forms with Adobe Acrobat DC. Each of the 13 lessons in this step-by-step, project-based guide contains a project that builds on your growing knowledge of the program, while end-of-chapter review questions reinforce each lesson. This cross-platform (Mac and Windows) book shows you how to collaborate effectively through electronic reviews, easily work with PDFs across multiple platforms and devices (including via the Adobe Document Cloud service), and speed up your production and business task workflows with Acrobat DC. You will learn how to easily convert files from any application to PDF and how to directly edit text and images in PDF documents. You'll also learn how to build PDF forms, and to speed up business workflow by gathering feedback and approval using new shared document review features. And you'll learn how to create interactive forms and track responses within Acrobat, add signatures and security to PDF files, work with companion Acrobat apps, and much more. All of the project files used in the book's lessons are available for download.

The Lawyers Guide to Adobe Acrobat Adobe Press
The fastest and easiest way to overcome an obstacle is to have someone who has been there, to be by your side every step of the way. That is the purpose of this book - to be by your side every step of the way through learning Microsoft Works 7. The No Stress Tech Guide To Microsoft Works 7 will lead the novice and intermediate user through the features and applications that are part of Works 7, which will take your skills to the next level. This book is not for Works advanced or power users. After completing the exercises in this book, you will be a Works 7 power user! The table of contents takes the HOW TO approach, which makes it easier to find exactly what you are looking for. At the end of each lesson is a "Test Your Skills" section to further ensure that you are learning the topics that are covered. The exercises in this section allow you to practice what you learned in the lesson. This book will guide you through the highways of Microsoft Works and get you up to speed. Differences between this version and the prior version will also be pointed out, in case you upgraded from the previous version of Works. Microsoft Works is an integrated software package that includes a word processor, spreadsheet, database and other tools. This book is divided into 5 sections - Works Overview, Word Processing, Spreadsheets, Databases and Organization. A hands-on approach is usually the best way to learn most things in life. This book is a visual guide, that has over 500 screen shots that practically eliminate the guess work, which lets you know that you are doing the steps correctly. There are time saving tips, advice and humor to help you get the most out of Works. Works 9, ISBN 978-0-9773912-7-1 is also available.

McGraw Hill Professional
