Mastering Photoshop Layers Adobe Press Adobe Photoshop Lightroom was designed from the ground up with digital photographers in mind, offering powerful editing features in a streamlined interface that lets photographers import, sort, and organize images. In this completely updated bestseller, author Martin Evening describes features in Lightroom CC (2015 Release) / Lightroom 6 in detail from a photographer's perspective. As an established commercial and fashion photographer, Martin knows firsthand what photographers need for an efficient workflow. He has been working with Lightroom from the beginning, monitoring the product's development and providing valued feedback to Adobe. As a result, Martin knows the software inside and out, from image selection to image editing and image management. In this book he'll teach you how to: • Work efficiently with images shot in raw or JPEG

formats • Import photographs with ease and sort them according to your workflow • Create and manage a personal image and video library • Quickly apply tonal adjustments to multiple images • Integrate Lightroom with Adobe Photoshop • Export images for print or Web as digital contact sheets or personal portfolios • Make the most of new features in Lightroom CC / Lightroom 6 such as face recognition, multi-image processing for HDR and panoramas, GPU support for the Develop module, and Slideshow and Web improvements Photographers will find Lightroom CC / Lightroom 6 and The Adobe Photoshop Lightroom CC / Lightroom 6 Book indispensable tools in their digital darkrooms. " With Martin's expert guidance, you'll soon find that you have precisely the tools you need to turn your concentration back where it belongs– on making better pictures!" – George Jardine, digital photography consultant " As a photographer himself, Martin Evening knows what tools photographers need to realize their creative vision. In this book, he shows not only how Adobe Photoshop Lightroom works but also why it will become an essential part of any photographer's workflow." – Greg Gorman, photographer

Adobe Photoshop Master Class Adobe Press Renowned Photographer and Photoshop hall-of-famer, Martin Evening returns with his comprehensive guide to Photoshop. This acclaimed work covers everything from the core aspects of working in Photoshop to advanced techniques for refined workflows and professional results. Using concise advice, clear instruction and real world examples, this essential guide will give you the skills, regardless of your experience, to create professional quality results. A robust accompanying website features sample images, tutorial videos, bonus chapters and a plethora of extra resources. Quite simply, this is the essential reference for photographers of all levels using Photoshop. **A Photographer's Guide** Adobe Press In Bret Malley's world, a father is suspended in the air among his baby's collection of toys . . . a big-box store and parking lot can be transformed into a scene of reclaimed nature . . . and an ordinary person can sculpt fire with his bare hands. And in Adobe Master Class: Advanced Compositing in Adobe Photoshop CC, Second Edition , Bret shares the techniques he uses to elevate an image from the everyday to the extraordinary, showing you how to make seemingly impossible scenarios come to life. Designed as a comprehensive guide to compositing from start to finish, this book is divided into three sections. Section I provides an overview of Adobe Photoshop CC focusing on both basic and hidden tools and other features you need to master in order to create stunning composite imagery. Bret also shows you how to shoot high-quality photos for compositing, including tips for equipment and technique. Going beyond the mechanics of Photoshop, Section II leaps into hands-on action by guiding readers through the creation of four unique composites. These fun and informative step-by-step projects cover everything from the first planning sketches to the final finishing touches (using resources provided for download). In Section III, additional detailed project walkthroughs offer tips on everything from creating a superhuman to compositing an epic fantasy landscape. Interviews and spreads featuring established and emerging artists provide a range of inspirational imagery, creative insight, and professional know-how. *Visual Quickstart Guide* Adobe Press Adobe Master ClassAdvanced Compositing in PhotoshopPearson Education Professional Portrait Retouching Techniques for Photographers Using

Photoshop John Wiley & Sons
Each year, Scott Kelby, Editor-in-Chief of Photoshop User magazine and the #1 best-selling Photoshop author, trains literally thousands of photographers on how to retouch portraits using Photoshop through his live seminars, online classes, DVDs, and standing-room only workshops at the Photoshop World Conference & Expo. Now you can learn the same techniques he uses in his own retouching workflow, in the only book of its kind– one written expressly for photographers who do their own retouching. As a pro photographer himself, Scott understands that photographers make their living shooting, not retouching. But, delivering fully retouched images is now expected by clients. That's why Scott put together this amazing resource for teaching photographers the quickest, easiest, and most effective ways to create professional-looking, retouched final images without spending hours grinding away at painstaking, detailed techniques. LEARN HOW THE PROS DO IT It's all here– the step-by-step methods for fixing, enhancing, and finishing your portraits in Photoshop. Using the techniques in this book, you'll create images that will absolutely wow your clients. You'll learn: • How to soften skin and still retain detail and texture • The best tricks for beautifully enhancing eyes, eyebrows, and eyelashes • How to selectively sharpen portraits without complicated masking • How to create gorgeous-looking lips • How to remove blemishes fast and keep the most detail • The pros' tricks for body sculpting • How to make your subject's hair look fabulous • How to give your retouches that natural look that sets them apart • Plus, you get Scott's complete 5-minute, 15-minute, and 30-minute start-to-finish workflows If you're ready to learn the "tricks of the trade" – the same ones that today's leading pro photographers use to retouch, tuck, tighten, and tone their images for that pro-retouched look– you're holding the book that will do exactly that. It will radically change the way you retouch your portraits from here on out, and give you the best-looking, most natural retouches you've ever done.
